STANFORD BEATEN BY U. ATHLETES

Wins Greatest Meet in History of Local Track Athletics.

THE VICTORY WAS DECISIVE.

Utah Now Heads the List of Western Teams—Four Thousand Persons Witness Struggle.

The biggest surprise of the season in local athletics occurred on Decoration day when the athletes under Coach Joe Maddock of the University humbled the crack team from the Leland Stanford university of California in a struggle on track and field.

When announcement was made that the two teams were to meet on Cummings field the general opinion expressed was that while Utah would surely make a good showing, it would be second in the meet. But when the points were counted up it was found that Utah had scored 64 to 53 for the crack California team. By this great victory Utah is at the head of the list of western track and field teams.

The contests were close and exciting and in each event the entries fought each other gamely. The victory was a clean cut one and the Stanford boys freely admitted they were honestly beaten.

It was nip and tuck until the last event of the day, the relay race. When Richardson finished ahead of Miller the result was known. Utah won her points in track events. Toward the close of the struggle the score was 40 to 40, but the local boys forged to the front and won by a decisive score.

The star for the visiting athletes was Captain Horton, who took down 16 points. Not only was he good in the weights but surprised all by his ability in the hurdles. In the high hurdles he made a mark of 15 4-5 seconds.

For Utah Brinton was the star, taking firsts in the 100, 220, in which Stanford was completely shut out, and in the quarte-rmile. He was also on the winning relay team. Bill Hunt came next, winning the broad jump and getting in the high and low hurdles.

Brinton and Richardson proved too much for the visitors in the sprints. The quarter-mile was one of the most interesting and exciting events of the day. The runners were neck and neck from the start until the straightaway. Then Brinton began to unwind that sprint of his and pulled away from the Stanford man, beating him by several feet. The time was 51 2-5 seconds.

In the mile race there was a great struggle between Judd and Bradford. The runners fought it out gamely but at the finish Judd managed to force himself ahead. One of the surprises of the day was the running of Maundrell in the two-mile event. He finished with a pretty sprint and did not appear to be winded in the least. He won by half a lap.

Another feature that should be mentioned was the pole vaulting of Bellah of Stanford. He cleared the bar at 12 feet. Bellah gave Hunt a hard tussle on the broad jump, but the Utah boy finally gained an inch and a half.

After the meet "Dad" Moulton, coach for Stanford, said:

"We were beaten fairly and received square treatment. Utah has some good men and a well balanced team, and that is the kind of team that wins meets. I hope that the two schools will be able to meet in a dual meet next year. There is not a man on our team that has any excuses to offer, and no one has any fault to find with Utah."

BROWN RETIRES.

Elwood Brown, who has been physical director for the Y. M. C. A. for a long time, has retired from that position and will occupy another position in the institution. He will be succeeded by J. T. Hoffer of Chicago. The latter is expected here in a day or two.

BILL HUNT, CAPTAIN.

After the victory over Stanford, there was a meeting of the U. of U. track team at the varsity at which it was decided to elect a captain for next year. Some one sprung the name of "Bill" Hunt and he was immediately elected. The choice is a most popular one as Hunt is regarded as one of the best athletes at the University. He has always been a hard and consistent worker, and has never failed to win points for his team in any meet he has been in. Maddock has an eye on Hunt for the position on the football team now held by Russell.

BICYCLE RACES ARE AS POPULAR AS EVER

That bicycle races are as popular as ever in this city, and that means a great deal, was demonstrated Saturday night when the famous Salt Palace saucer was crowded from rim to rim by enthusiastic fans who cheered to the echo the well known sprinters as they dashed around the steep track in pursuit of dollars and glory. The cold, disagreeable weather had no terrors for the bike fans. They wanted to witness some of their favorite sport and they did.

The program arranged by Manager Redman was, indeed, a good one, and each and every event was interesting. The mile handicap amateur and the two-mile handicap professional were events worth going a long distance to see. The latter race had gone a mile before the rear bunch began to shorten the distance between them. McFarland sprinted for three laps and then dropped out. Samuelson took his place and pulled for all he was worth until just toward the finish when Wilcox surprised everybody by coming up with an exciting and pretty sprint and crossed the line a winner. West came in second, while Morgan got third.

Among the amateurs young Lawrence of San Francisco, a new one to local fans, took both amateur events after a hard fight. The motor race was not a success as the motors had contrary streaks and refused to go properly. Three started but only one finished.

R. L. Conely acted as referee and started off to enforce rules. He suspended Brodbeck for punching Mayer in the face after the two had collided on the track. Conely suspended Brodbeck for the night but Frank L. Gardner, N. C. A., representative, made it 15 days. McFarland was disqualified for crowding Samuelson. The officials are determined to put a stop to rough tactacs. The results follow:

Mile handicap, amateur—Final: Lawrence (scratch), Robinson (50 yards), Morris (50 yards), Giles (20 yards). Time—2:02.

Half-mile open, professional—Final: Downing, West, Wilcox, Hollister. Time —:59 4-5. McFarland finished second, but was disqualified.

Five-mile open, amateur—Lawrence, Giles, McMormack, Mayer. Time—10:49.

Two-mile lap handicap, professional—Wilcox (30 yards), West (55 yards), Morgan (100 yards), Demara (40 yards). Time—4:02.

Five-mile motor race—Whittler won. Time—6:21.

Chicago, May 31.—Pittsburg and Chicago split even in two dull and uninteresting games today. The locals played very loosely in the field, but won the first game by bunching singles and two doubles off Willis in the third inning. In the second game Pittsburg's pitchers allowed but five hits, Specard getting two of them, a double and a four-bagger. Seventeen passes were issued in this game, seven of them off the locals' twirlers being turned into runs by hard hitting. Moran and Fraser were added to the hospital list, the former being spiked and Fraser injuring his pitching hand in stopping a hot liner.

Williams scored the first run for St. Louis in the eighth with a home run into the center field bleachers. Chicago, May 31.—Chicago and Detroit split even on a double-header today. The locals won the first, 1 to 0, because of Walsh's good pitching. The second ended with an attempted double steal. Sullivan being declared out after a fine slide that looked safe made the count 2 to 1. Cobb saved Suggs from defeat when he caught a long hit from Donohue's bat, retiring the side with the bases full. Four hits gave only one run in that inning. When the Liver goes Wrong, don't Abuse it

The old way of treating a torpid liver was with salts or cathartics.

They whipped the tired liver to a spurt of action. But this is what else they did:

They irritated the lining of the stomach and bowels, causing an inflammation.

They flooded the bowels with digestive juices, needed to digest your food.

They upset every function.

Thus every habitual user of salts and pills suffers from chronic dyspepsia.

The liver needs gentle treatment. Abuse means injury.

Then the liver grows hard and unresponsive, compelling a larger dose.

Cascarets act naturally. Their effect is the same as the effect of laxative foods.

They bring their results without injury, Without the pain and griping which denote irritation.

Every effect is curative.

When you realize all that harsh physic does, you will never use anything but Cascarets.

Cascarets are candy tablets. They are sold by all druggists, but never in bulk. Be sure to get the genuine, with CCC on every tablet. The box is marked like this:

BROOKLYN HANDICAP TURF EVENT TODAY

New York, May 31.—Standing out prominently as the chief sport feature of the week in the United States is the twenty-second running of the Brooklyn handicap, which will be fought for tomorrow over the Gravesend track. The value of the purse is $25,000 and the distance of the race one mile and a quarter. Ten horses have been named to start. They are:

Montgomery, 120; McCarter, 114; Rifleman, 111; Celt, 116; Old Honesty, 100; Fair Play 99; King James, 98; Don Creole, 96; Master Robert, 95 and Berkely, 93.

The race should be a spectacular one. Celt, McCarter, Fair Play, Don Creole and Montgomery stand out prominently as factors in the race.

The American race loving public is also taking great interest in the Derby to be run at Epsom Downs, England, Wednesday, because one of the favorites is an American bred horse, Norman III, belonging to August Belmont. Norman III again will meet Pierrier, owned by King Edward, who he defeated recently. Pierrier last week somewhat retrieved his lost prestige by easily taking the trial at Newmarket, and has been installed chief favorite. Two days later, at Epsom, the historic Oaks will be run, and Richard Croker's Rhodera is the favorite.

COLIN WINS RACE.

Unbeaten Three-Year-Old Captures Belmont Stakes.

New York, May 30.—Colin, the great unbeaten son of Commando, the horse that was believed to have broken down in his trial gallop a few days ago, came back to the races today and won the rich Belmont stakes for 3-year-olds. The distance of the race was one and three-eighths miles, and the contest was decided in a downpour of rain, showing that Mr. Keene's splendid racer is able to go well even under unfavorbale conditions. August Belmont's Fair Play was second, and J. E. Madden's King James was third, Robert Cooper also ran. The weather was so thick that no time was taken.

The Belmont stakes was worth more than $20,000 to the winner, and this brings Colin's earnings for his owner up to about $160,000 in the 14 events in which he has started, and all of which he has won. Colin was always a hot favorite at 1 to 2, and appeared to be winning easily, but Fair Play closed strong, and gave Notter, on Colin, a hard drive to win. Fair Play was second 15 lengths before King James. Colin pulled up after his hard race as sound as a dollar. The soft going did not bother him at all. If he continues to hold his condition he will be sent after all the big 3-year-old stakes of the season.

SUMMARY.

First race, seven furlongs Live Wire won; Adriana second; Far West third. Time—1:26.

Second race, five furlongs—Sir Martin won; Selectman second; Joe Maddon third. Time not taken.

Third race, the forty-second Belmont stakes of $25,000; 3-year-olds, one mile and three-eighths—Colin 126 (Notter) 1 to 2, won; Fair Play 126 (E. Dugan) 9 to 2, second; King James 126 (Garner) 7 to 2, third. Time not taken. Robert Cooper also ran.
