KEEP THE PHILIPPINES.

Ceded Form Cuba and Should Retain Them.

OPINION OF LONDON NEWSPAPERS.

Impression of Western Business Men—Now Then a Coaling Station Wanted There.

London, July 30.—Europe sees the ceded port of the Philippines, the capital of the Philippines, the commercial centre of the Philippines, the place where most of the business of the Philippines is done, the place where most of the trade of the Philippines is done, the place where most of the business of the Philippines is done, the place where most of the business of the Philippines is done, the place where most of the business
