The News received this morning a communication from a gentleman who simply signs himself "A Citizen of the Sixteenth Ward" without making any reference whatever to his name. It is not customary in a well regulated newspaper office to pay any attention to anonymous communications, but in this instance that firmly established rule is deviated from for the reason that the information contained in the letter is known to be correct. It announces that an "old time dress and charity ball will be given in the ward meeting house on Friday evening for the benefit of needy persons in that district numbering 200.

SEVERAL POLICE FORCE CHANGES

All the members of the City Council were present at the meeting last night, President McCormick presiding. A good deal of business was disposed of. There was a pleasant little interruption by Councilman Young in behalf of himself and colleagues presenting the President with a [illegible] gavel, which was accepted in a few well chosen remarks.

THE PROCEEDINGS.

The following communication from the Mayor was received and referred to the committee on streets and municipal laws [illegible]:

I hereby appoint Thomas F. Mulloy to the office of supervisor of streets in place of Frank L. Hines, who is hereby removed from that position, and respectfully submit the appointment of Mr. Mulloy to you for confirmation.

In this matter I have pursued my usual course in like matters, notwithstanding it is directly in the face of your proceedings in the matter of the appointment of Mr. McAllister and the removal of Mr. Kendall, when the matter came before you lately the claim was made by a member that the mayor had no authority under the law to remove an appointed officer or appoint such an officer until there was a vacancy; that the City Council alone is vested with power to remove an officer, and that therefore it was necessary for the Council to create a vacancy in the office of inspector of [illegible] by the removal of Mr. Kendall before the appointment of McAllister could be [illegible]

Richard W. Young, Wendell Benson and other well known citizens asked that the lewd women and houses of prostitution be removed from Franklin avenue. The strongest reason for the request was the close proximity of public school and church. Committee on police.

AS AN EX-OFFICIO JAILER.

The Mayor submitted a bill for an ordinance authorizing the chief of police to act as ex-officio jailer. Committee on municipal laws.

LICENSE INSPECTOR PROTEST.

Treasurer Duke sent in a communication in which he respectfully and earnestly protested against abolishing the office of license inspector, saying that it would seriously handicap the service in his department besides resulting in great monetary loss to the city as there were strong efforts on many sides to evade payment of the tax. Committee on license and finance associated.

DANGEROUS BASEMENT.

WILL COVER IT.

IN CASE OF FIRE.

IN BEHALF OF MR. DE YOUNG.

A Michigan Recruit under Fire at Shiloh.

The enemy flank us and are moving to our rear, some one calls out, "Everybody for himself!" The line breaks, I go with the others, back and down the hill, across a small ravine, and to the camp of the 11th Illinois cavalry, [illegible]

[illegible] belonging to the 15th Iowa, who was blackened with battle smoke, and his gun showed that he had been in the fight. I asked him where he was going. He replied with considerable earnestness, "Back, be jabers!" He said there was too much mixing of the gray with the blue at the front for him.—*Blue and Gray for January.*

Imitations and Substitutes.

The unequalled success of ALLCOCK'S POROUS PLASTERS as an external remedy has induced unscrupulous parties to offer imitations, which they endeavor to sell on the reputation of Allcock's. It is an absurdity to speak of them in the same category as the genuine porous plaster. Their pretentions are unfounded, their vaunted merit unsupported by facts, their alleged superiority to or equality with Allcock's a false pretense.

The ablest medical practitioners and chemists and thousands of grateful patients unite in declaring Allcock's Porous Plasters the best external remedy ever produced.

Beware of imitations and do not be deceived by misrepresentation. Ask for Allcock's, and let no solicitation or explanation induce you to accept a substitute.
