# BIKE RACES AT SAUCER TRACK.

## Iver Lawson Apparently Still Lacking His Usual Good Form.

## HOPPER'S WISE MIXTURE WON.

**Pulled Hollister Around the Fast Bunch and Then the Two Corralled All the Money.**

Iver Lawson seems to be having a sad time of it in trying to get in his usual championship form. Last night at the saucer track he was again beaten in a sprint race, although he tried desperately to rush over the tape ahead of all competitors. But the scheme fixed up by young Hopper, landed the money, Hollister, Eddie Smith and Bardgett all beat the champion to the finish mark. This was in the final of the half-mile sprint. Hopper, instead of letting some one do the donkey work for him, did it himself and pulled Hollister around the bunch so that he got first money and the others finished in the order named.

When Iver saw what was up he tried to go around the bunch. High on the bank he raced and then began to kick out that fast sprint, but it was too late and the best he got was fourth position. But there will be a different story to tell when the champion gets into good form. He will certainly not leave Salt Lake until he has trimmed the fast ones here. But, at that, he will have to go some.

The two-mile open lap race, amateur, had enough starters in it to supply three or four tracks for a season or two. They made a pretty sight as they raced around the steep track. Only one man tumbled in the final spurt Wilcox beat the elongated Jack Hume.

Hardy Downing has not sufficently recovered from his serious illness to permit his riding in a motor paced race, and he should not have attempted it last night. He went against Saxon Williams in a five-mile event, and there was nothing to it but Williams. Downing will do much better in a few days. The summary of the events follows:

Mile handicap, amateur, final—Redman, 50 yards; West, 20 yards; Hume, scratch. Time—2:06 2-5.

Half-mile professional, final—Hollister, Smith, Bardgett, Lawson. Time—1:00 1-5.

Two-mile lap, amateur—Wilcox, Hume, Castro. Lap winners, Holladay, 2; Wilcox, 3; Marty, 5; Tate, 2; Larson, Mills, Starbuck. Time—4:12 2-5.

Three-quarter-mile consolation, professional—Turville, scratch; Agraz, scratch; Achorn, 45 yards. Time—1:30 2-5.

Fans, arise and shout for joy, for Salt Lake has won another game! Rasty Wright did the business, and the final score was 7 to 4. He struck out six men, and although he was pounded for nine hits, they did not do much damage. For the greater part of the game he held the enemy down in great shape. A weak heart is always serious, for it affects every organ of your body through its inability to purify and keep the system supplied with pure, rich, life-giving blood.

Any indication of heart trouble, such as shortness of breath after exercise, redness of face, hot flushes, oppressed feeling in chest, weak, hungry spells, palpitation, dizziness, sudden starting in sleep, irregular pulse, is serious, and should be cured at once.

The safest and surest treatment is Dr. Miles Heart Cure, a nerve and muscle builder, a blood tonic. It acts directly on the heart nerves and muscles, giving them strength and vigor, and relieves every symptom of a sick heart.

Your life depends upon your heart, and a weak, diseased heart, like a single thread, can endure but little.

"I suffered for years with my heart. At times my life hung by a single thread. A number of physicians and an eminent specialist treated me. Without the knowledge of my doctor I took Dr. Miles' Heart Cure. It lifted the pains from my heart, and caused a free circulation of blood. I am now able to attend to my affairs, something I had never hoped to do again."—MR. JOHN KOELGES, 186 Clinton St., Cleveland, Ohio.

**Stanley's Red Men Used Up Those of Ogden's Pitchers Yesterday.**

What the Spokane Indians did to the Ogden Lobsters yesterday afternoon is a shame, and should be forgotten. They simply used up three Lobster twirlers, making 11 hits and 11 runs, as against 8 hits and 4 runs. The game was witnessed by more than 2,000 fans. The score follows:

## THE M'GRAW VERDICT.

**President Harry Pulliam Declares He is Satisfied With Decision.**

"I am satisfied with the decision of Judge Sheldon in the case of John McGraw and the New York ball club against the president of the National league," said President H. C. Pulliam, in an interview in New York the other day, "and propose to carry out Judge Sheldon's construction of good order on the ball field and the amendment to said resolution adopted by the National league, making it mandatory on the president of the league to fine any ball player in the game by the umpire or suspended by the president of the league the sum of $10 for every day of such removal or suspension."

Pittsburg, Pa., June 9.—Barney Dreyfuss, president of the Pittsburg Baseball club, asked today his opinion of the preliminary injunction secured against President Pulliam collecting $150 fine against Manager McGraw, said that the move means that the National league will not be able to stop rowdyism.

"The injunction is what I expected," said Dreyfuss. "Baseball law and civil law conflict in many ways. But in baseball we must have laws of our own without which it would be impossible to maintain an organization like the National league."

## JENKINS DOWNED.

**Fred Beell Wrestles the Old Champion To a Standstill.**

New York, June 10.—In a private gymnasium, before a select crowd of sportsmen, Fred Beell of Wisconsin and Tom Jenkins of Cleveland have wrestled for $1,000 a side. Beell, of whom little was known, wrestled the old champion to a standstill and then threw him after a struggle lasting 2 hours and 43 minutes. Jenkins eventually won the match through superior weight but declared when it was over that Beell was the hardest opponent for his size and weight that he ever met.

Only about 100 men saw the match, which was for the best two out of three falls, catch-as-catch-can, any hold but the strangle hold allowed. For nearly one hour it was a fierce struggle. For minutes at a time the men stood with heads lowered like bulls, their arms locked behind each other's necks and straining until their muscles stood out like whip cords.

At last they were over in one corner of the ring and Jenkins secured a half Nelson and was about to turn Beell over, Beell wrenched himself loose and catching Jenkins of his balance, turned him over like a flash and pinned his shoulders to the mat.

After a short rest the men came on for the second bout. Jenkins was thoroughly aroused and went at Beell like a tiger. After one minute and 13 seconds of wrestling he hurled the little fellow with terrific force against the south wall and Beell fell to the mat half dazed. It was easy work then for Jenkins to get a fall with a half Nelson. He followed with a second fall and secured the decision in quick order. Jenkins weighed about 190 pounds and Beell about 165.

## "PENNY" GOSSIP.

If Manager Reilly could place the dollar mark before all the ciphers the team has received during the last few weeks he would be worth about $100,000,000,000.

Next Wednesday afternoon or evening there will be a meeting of the directors of the Pacific National league. It is said that many important matters will be discussed and disposed of.

It is now announced that Kid McCoy and his widow will not be hitched until Sept. 1. The estate has to be settled up before the happy couple are spliced. They can wait, the Kid is only 31 and the widow, 27. Kid says he is now sure he will make a good husband, as he has changed greatly for the better and intends in the future to be a really good boy. Then the widow rewards him with a smile.

In a downtown thirst quenching parlor, there is a Salvation Army contribution box. On the box is this plea: "Please help the poor." Some funny individual changed it to read as follows: "Will somebody please help the poor Salt Lake baseball team to win a game?"

Two giants on exhibition at Luna park, Coney Island, brothers, and each over seven feet tall, had a row last Sunday and started to settle it according to the Marquis of Queensbury rules. They fought over a girl who chered them on, or at least one of them. It took 15 men from the circus and 20 from other parts of the grounds to separate them. Six men sat on each giant until the arrival of the patrol wagon. The fight was decided a draw, at any rate the hurry up wagon gave them a "draw," to the station.

There are doings out to Lagoon this afternoon. Bob Fitzsimmons, Jack O'Keefe and Billy Stift, assisted by the lion "Senator," and the French poodle dog "Bob," and "Ho Hedward"—don't forget Hedward—will give the ladies and children another entertainment. Bob will punch the bag and then punch O'Keefe and Stift. This will be the last day of boxing for O'Keefe. Tomorrow he will simply take a little spin on the road, followed by a horseback ride accompanied by Mrs. O'Keefe and Manager Sig Hart. Yesterday the Schreck camp, with the addition of Jack Root, hied themselves to Ogden canyon where hard work will be the order from now until a few days before the fight, when Schreck will return to this city and complete training at the fire station. Tickets are now on sale for the O'Keefe-Gardner contest next Monday night and Manager Willard Bean looks for a big crowd.

Kid McCoy, whose former wife, Indiola Arnold, threatens to block his intended marriage to a rich young widow, the other day told how women made love to him.

"They just can't help it, I guess," said the Kid, "but ain't it awful to be so popular?"

The Kid is now engaged to the handsome and wealthy Mrs. Ellis, widow of young S. Ellis, millionaire, and grandson of the founder of the big locomotive works at Schenectady, N. Y.

"I know I'm not getting an angel in the Kid," says Mrs. Ellis, "but I'm satisfied. So put in your knocks against the Kid before Sept. 1, for it will be too late after that. I'll be his wife."

The Kid is reading the works of Chaucer and Tennyson and telling how popular he is with women.

"I can't understand it," he says. "It can't be my money, so it must be my good looks. Now, just think of a man believing he is free to marry the woman he loves when suddenly another young woman informs him that he is married to her. Isn't that a romantic situation for you?

"But I'm heart whole and fancy free, no matter what Miss Indiola Arnold says. She insists she is still my wife, but she's in Chicago now, and the air there is known to have a peculiar effect. I guess Miss Arnold is romancing. I hope some day to see Miss Arnold a star, and I will take my wife to see her."

"That's right," said Mrs. Ellis. "We aren't angry with Miss Arnold. She can't have the Kid and she doesn't want me to have him."

As Mrs. Ellis said this the Kid repeated earnestly: "Say, ain't it awful to be so popular?"

The Deseret News Juniors defeated the Walker Bro. Junior baseball team last night. The score was 13 to 8, and they had their last innings to play, but it was too dark to play the rest.

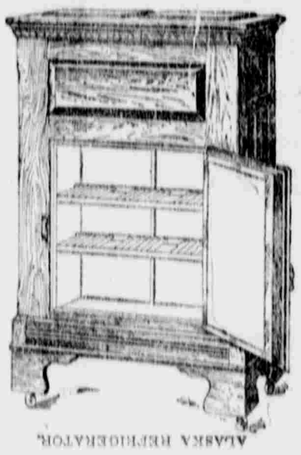
## IN BUYING A REFRIGERATOR,

It's a Good Thing to Know for instance, That The FIRST COST Is Only PART OF THE COST.



There's ice. Ice always. A small saving in each day's consumption in time pays for the Refrigerator—The Alaska principle is easy on the ice bills. That's one of it's good points. And it is better for the food.

As long as there's ice in the chamber there's a continuous movement of cool, dry, purified air passing around the contents of the provision chamber.

The result is sweet, clean, untainted food and milk.

Come in and let us explain some other good features peculiar to the Alaska.
