Citizen—Do you think of locating here? Stranger—Yes. I thought some of purchasing your town.

Citizen—See here, young man, there's a good opening here for a man in undertaking, as we lost, but we don't want no practicing or experimenting—doctoring's what we want!

Many times weeks call on their family physicians, suffering, as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous exhaustion or prostration, another with pain here or there—not in this way they all present, either to themselves and their easy-going, self-indulgent or over-busy friends, as separate and distinct diseases for which he proceeds to rile out potions, assuming them to be such, when, in reality, they are all symptoms caused by some wrong stomach. The physician, ignorant of the cause of suffering, encourages his patient, while large bills are made. The suffering patient gets no better, but probably worse by reason of the delay, wrong treatment and consequent complications. A clear medical, like Dr. Pierce's Favorite Prescription directed to the cause would have removed the disease, dispelled all those distressing symptoms, and instilled complete health instead of prolonged misery.

As the only medicine for the weakness, irregularities and painful disorders peculiar to women, sold by druggists, under a positive guarantee that it will give satisfaction in every case, or money for it will be promptly refunded.

DR. PIERCE'S PELLETS regulate and cleanse the liver, stomach and bowels. One a dose. Sold by druggists. 25 cents a vial.

A FORM OF LA GRIPPE

Said to Have Broken Out Among the Indians and is Spreading Rapidly.

NEW ROCKFORD PEOPLE SLEPT ON THEIR ARMS.

Thousands of Indians Coming In to the Agency to General Brooke.

(By Telegraph to the News.)

THE INDIANS.

La Grippe Reported Among the Dancers.

MINNEAPOLIS, Dec. 12.—The *Tribune's* special from Pierre says: White Swan, head chief of the Minnekanju tribe of Sioux at Cheyenne Agency, came to the city today to secure counsel from the government authorities as to the best way to disarm Big Foot's band of Cherry Creek hostiles, stating that his entire tribe, 900 strong, were ready to assist. White Swan stands high in the esteem of the whites, being one of the most advanced and intelligent Indians. He wants the Messiah fetiche dispelled, stating that many ghost dancers are suffering and even dying now from a form of grippe, induced from dancing outdoors during the cold weather. As no agency physicians are allowed to go among them the disease is spreading rapidly.

A REPORT FROM GEN. BROOKE.

CHICAGO, Dec. 12.—General Miles today received a dispatch from General Brooke, at Pine Ridge, saying that from reports received he is of the opinion that Two Strikes and most of the other chiefs are coming in.

Sitting Bull and Kicking Bear, with a small following, went back into the Bad Lands.

There was quite a fight and some Indians were hurt.

He will try to get them into the agency, but they may get beyond reach.

MOVING NORTHWARD.

ST. PAUL, Dec. 12.—A *Pioneer Press*, Fort Keogh, Mont., special says: The two bands of disaffected Pine Ridge Indians, under Short Bull and Kicking Bear, are supposed to be united and moving northward with the intention of seeking the reservation in Northern Dakota or crossing into Canada. Fifty lodges and a band of stolen ponies are with them. Troops will leave early in the morning to head them off and deliver them as prisoners at Fort Lincoln.

SLEPT ON THEIR ARMS.

MINNEAPOLIS, Dec. 11.—The *Journal's* New Rockford, N. D., special says:

New Rockford people slept on their arms last night. A party of Sioux are camped near town and they kept up the ghost dance all night. The Indians stole flour from here until an armed guard was placed in the building. A few cattle were also killed. The settlers are coming in from all directions this morning.

INDIANS GONE INTO CAMP.

NEW ORLEANS, Dec. 12.—A special from Oklahoma City, Oklahoma, to the *Picayune* says: A courier rushed in this morning and reported that 1000 Indians had gone into camp three miles east of Choctaw City this morning. The inhabitants of that place were alarmed and flocked to Oklahoma City to ask the protection of the troops. Captain Steele has telegraphed to Washington.

HUNTED BY THE TROOPS.

WASHINGTON, Dec. 12.—General Schofield received a telegram this morning from Gen. Brooke, through Gen. Miles at Chicago, saying a few Indians in the Bad Lands had broken away and were moving north across the Cheyenne River, but troops are on their trail and he hoped to intercept them.

WANTED TO OBEY.

OMAHA, Dec. 12.—Nearly six hundred lodges or three thousand Sioux, including the bands of Two Strikes and Short Bull, are marching in from the Bad Lands to Pine Ridge agency in obedience to Gen. Brooke's orders and will report to him tonight, unless they are stampeded by fresh rumors.

SUMMONS.

In the District Court in and for the Third Judicial District of Utah Territory, County of Salt Lake.

LIZZIE PURMAN, Plaintiff,
vs. } Summons.
MACK S. PURMAN, Defendant.

The People of the Territory of Utah send Greeting:

To Mack S. Purman, Defendant.

YOU ARE HEREBY REQUIRED TO appear in an action brought against you by the above named plaintiff in the District Court of the Third Judicial District of the Territory of Utah, and to answer the complaint filed therein within ten days (exclusive of the day of service) after the service on you of this summons—if served within this county; or if served out of this county, but in this district, within twenty days; otherwise within forty days—or judgment by default will be taken against you according to the prayer of said complaint.

The said action is brought to have a decree of his Court dissolving the bonds of matrimony existing between plaintiff and defendant, and for such other and further relief in the premises as may be just and equitable. Above relief prayed for on the grounds that for more than three years last past defendant has failed to provide for plaintiff the common necessaries of life and having contributed at all to her support during that time; and that plaintiff and defendant have not lived together as husband and wife for more than three years last past.

And you are hereby notified that if you fail to appear and answer the said complaint as above required, the said plaintiff will apply to the Court for the relief demanded therein.

Witness the Hon. Charles S. Zane, Judge, and the Seal of the District Court of the Third Judicial District, in and for the Territory of Utah, this 15th day of November in the year of our Lord one thousand eight hundred and ninety.
