Special Correspondence.

Heber, Wasatch Co., Aug. 28.—For the past week we have had severe freezing weather, killing all tender vegetation. This is very early, this being the last week in August. The sun has been about the shortest summer in my recollection, if the video-year two months of cool cloudy weather, and in fact most of those months we had some frost.

Mr. Nick D. & H. G. right of way men, were here last week taking up the remainder of the railroad on right of way. In product Heber people that it nothing should interfere, in four weeks from Saturday last we should hear the whistle of the iron horse.

SUNDAY SERVICES.

Similar service in the Tabernacle, after devotional exercises, Deseret Ess. Lambert, superintendent of Sunday schools, gave a very interesting address, treating "money" on Sunday school work, urging the parents to call the attention of the school to the fact that it is being done for the youth of Zion.

Elder Robert Duke and Joe A. Hansen left Sunday to be the same mission to Canada.

CHILD OF LIGHTNING.

Yesterday about 1 o'clock a young child of Mr. Hansen, while playing in the yard, was struck by lightning and killed. It was a very severe shock and the child was in a state of unconsciousness. It is to be regretted that the child was the only one of the family who was in the house at the time. It is supposed that the child was struck while in the house, as the lightning came down the chimney, and the child was found in the house. The parents have the sympathy of the community in their bereavement.

ALPINE.

Interesting Social Picnic Held in Bennion's Grove.

Special Correspondence.

Alpine, Utah Co., Aug. 28.—A unique picnic was held yesterday in Bennion's grove at the mouth of Fort canyon. Notwithstanding the inclemency of the weather, there was a good attendance of about 75 people of all denominations from American Fork, Pleasant Grove and Alpine, with a few visitors from Salt Lake City. A short program was rendered in the bowery of singing and instrumental music and recitations. The speakers were Robert R. Bennion, who made quite a welcome address, and John Q. Cannon, who gave a very interesting address on the subject of "Our God and Our Friends." He said he was glad to meet all and to see all so happy, that "we are one in offering, and all brothers of the same family, and that it is good and pleasant for brethren to dwell together in unity."

Shortly after the noon hour a good basket lunch was enjoyed by all after which again a short but interesting program was carried out. Miss Sadie Alpine, who is about time since returned from a six months' visit to California, gave a very interesting account of her travels.

While the other people were enjoying the exhilarating cooling breeze, the young people were sprinkling over the hills. At 5 o'clock when the festivities ended, all were well satisfied with the company being so everybody enjoyed, that they could not remain longer. On this account, the day was a very successful one. No one seemed to be affected with Monopolitis, but any of the Kaysville Davises, for all were supporting themselves in their fullest capacity.

OUR NEIGHBORS.

ALMY, WYOMING.

Dynamiter Fires at No. 7 Mine Causes Heavy Losses.

Special Correspondence.

ALMY, Uinta Co., Wyo., Aug. 28.—At the No. 7 mine, Almy, the property of the Union Pacific Coal Company, a Mr. Brooks out in the wooden mine stood, about 2 p. m. on Monday. Present indications are that a dynamiter, who had been discharged from the mine a few days before, came back to the mine and placed a stick of dynamite in the wooden mine, which exploded at about 5 o'clock, and the results have to be seen to be realized. The entire mine is demolished, and the loss will be very heavy. The company is insured to some extent.

Mr. A. E. Bradley and family have left for Salt Lake City, where Mr. Bradley will go to work in the Union Pacific shops.

Mr. Bradley's departure causes quite a gap in the Almy Knights of Pythias lodge, of which he was a member and one of its most active members.

PARKER, IDAHO.

Thefts and Prosperity of Sugar Promoters—Crop Delayed Crops.

Special Correspondence.

Parker, Fremont Co., Ida., Aug. 25.—The Bannock and Independence stage was robbed near Dry Canyon, on the road between Parker and Ashton, on Tuesday night. The robber, who was masked, ordered the driver to throw out the mail sack, which he did, and then drove on. It is not known that anything else was taken from the stage, but it is supposed that the robber took the mail sack to some place in the canyon, and in the morning could return and rifle the sack. Thomas Bennion, postmaster at Parker, authorized to state that no valuable mail was in the sack.
