THE SEMI-WEEKLY NEWS

The Great Country Paper of the West.

Issued Mondays and Thursdays and Contains All the Cream of the Daily and Saturday News.

LOCAL BRIEFS.

Will Ask for Improvement—The Fifteenth District Improvement club will hold a meeting on the evening of Monday, Sept. 23, at which time the city council will be petitioned to better the condition of side-walks, crossings and drainage in the vicinity of the homes of the club's members.

Team Backs Into Car—A hay rack backed into an Ashton line street car last evening, smashing the windows along one side, injuring the conductor slightly and throwing bits of glass on a number of passengers. The accident was caused by the team becoming balky and unmanageable.

Manager Secrist Here—C. M. Secrist, general manager of the Pacific express, the Harriman refrigerator concern, is in Salt Lake. He says the scheme of operating a refrigerator service is proving a complete success on the Harriman lines. In the neighborhood of 6,000 freight cars of the high-class type are being kept in motion by the Pacific company.

Appropriates $24,000—At the meeting of the board of examiners yesterday, $24,000 was appropriated from state funds for the support of six state institutions. The amounts go to defray the general expenses of the Agricultural college, Utah State school for the deaf and blind, University of Utah, State Industrial school, state mental hospital, and the state prison.

Condition Not Reassuring—Reports from Indianapolis as to the condition of Detective Matt Rhodes, who is under treatment there for cancer, are not reassuring to his friends. Frank Rhodes has been called to his father's bedside, to be present at a serious operation to be performed. The patient's weakened state of health renders the ordeal a trying and dangerous one.

Young Tramp in City—Russel Scholte of Lebannon, Ind., is at the Newhouse home. The youngster "beat his way" clear from his home to Salt Lake. He visited Cincinnati, Kansas City, and other places where he worked for meals while resting up between long rides on freight trains. He will be given a place at the Newhouse home and an opportunity to get along without further trouble if he so desires.

Veterans Come in 1909—Salt Lake is to get the national encampment of Spanish war veterans in 1909. This is the good news brought home by A. N. Jarvis, commander of the Utah department who has just returned from Cedar Point, Ohio. Boston got this year's encampment. Louis B. Eddy, commander of the E. A. Wedgewood camp in Salt Lake, was elected to fill a place on the national council of administration.

Articles Filed—The John R. Barnes company of Kaysville filed articles of incorporation with the secretary of state yesterday. The capital stock is in 700 shares of the value of $100 each. The officers of the company are: John R. Barnes, president; John G. M. Barnes, vice president; Martha E. Barnes, secretary and treasurer. The business of the company will be to deal in general merchandise with the principal place of business in Kaysville.

Gypsies Captured—Three gypsies named John, Thomas and Alex Williams, are under bonds in the sum of $150 each for resisting Officer Mauss of Murray. The men had traded a lead poisoned and worthless horse to Ralph O'Connell, of the McDonald livery stables at Murray, and when the officer went to get the animal, under authority of law, the men drew weapons on him, and when he went for re-enforcements, the gypsies made their escape. They were afterwards located in this city.

CO. H. HOLDS RECEPTION.

Company H., N. G. U., winner of the John C. Cutler cup and the title of governor's guard because of superior ability at Camp Leonard Wood last month held a reception last evening in honor of First Lieutenant Elbert D. Thomas who, accompanied by his wife, leaves to fill a mission in Japan tomorrow. The reception was largely a general jollification gathering to celebrate the victories of the company. A big affair will be held some time this winter in honor of Gov. Cutler.

The medals offered for the best drilled squad were presented to privates Clark, Earl, Cannon, Wilson, Thomas, Oberg and Young. A silver medal is to be hung up by Quartermaster Sergeant Dean Daynes to be competed for by the privates in company H at the end of each quarter. Company H is letting nothing go by that might further its proficiency, as Capt. Bassett and his men are practising at target shooting on the range daily.

HEALTH IN THE CANAL ZONE.

The high wages paid make it a mighty temptation to our young artisans to join in the force of skilled workmen needed to construct the Panama Canal. Many are restrained, however, by the fear of fevers and malaria. It is the knowing ones—those who have used Electric Bitters, who go there without this fear, well knowing they are safe from malarious influences with Electric Bitters on hand. Cures blood poison too, biliousness, weakness and all stomach, liver and kidney troubles. Guaranteed by Z. C. M. I. Drug Store, 112-114 So. Main Street, druggists, 50c.

TWO MARSH BOYS SHOOT DON MORGAN

Tragedy at Cokeville Results in Killing of One of the Murderers.

THE OTHER ONE IS IN JAIL.

Story of Downward Career of Two Utah Lads, Who Drifted From Path of Right.

The men who shot young Don Morgan at Cokeville, Wyoming, were not named Bates, as believed at that time, but one of them had gone by that name the most of his life, and the mistake was one easily made. The real name of the boys is Marsh. William and Herbert. The first named is dead, having been shot to death by an enraged ranch man soon after the Marshes had shot Morgan, and Herbert is in jail at Evanston, awaiting trial on a charge of attempting murder and highway robbery.

William Marsh was 25 years of age, and was born in Salt Lake City. His brother, two years younger, was born in Sanpete county. The mother of the boys separated from their father soon after the birth of Herbert. She remarried, and in 1889 died at the old Deseret hospital. The father of the boys did not enjoy a good reputation, and although the sons seemed to start out well in life, they drifted into bad company and began to go the downward way.

HAD GOOD HOME.

William Marsh was raised in one of the southern counties of this state, while Herbert lived for some years in the family of his mother's sister, Mrs. Samuel Bates, of 953 West South Temple street, this city. He had a good home and was well thought of by his foster parents. When 17 or 18 years of age he joined the United States navy, but subsequently deserted, as did his brother William, who had enlisted in the Twenty-ninth infantry.

DRINK BAD WHISKY.

The boys had by this time become shiftless and worthless. They drifted to Cokeville, drank bad whisky, and then came the shooting of Don Morgan, followed by the death of William Marsh an hour or two later. J. S. Branson was the ranchman whose horses the pair tried to steal. He shot the elder brother dead and captured the younger one. The latter barely escaped lynching at Cokeville, and was taken to Evanston for safe keeping.

THE TOUCH THAT HEALS.

Is the touch of Bucklen's Arnica Salve. It's the happiest combination of Arnica flowers and healing balsams ever compounded. No matter how old the sore or ulcer is, this Salve will cure it. For burns, scalds, cuts, wounds or piles, it has no equal. Guaranteed by Z. C. M. I. Drug Store, 112-114 So. Main Street, druggiste, 25c.

PURCHASE BRANCH HOUSE.

Murray Capitalists Take Over Property Of Utah Independent Co.

The Murray branch of the Utah Implement company has been purchased by a company of local Murray capitalists, headed by T. W. Dimond and Henry Thayne, and the institution will hereafter be known as the Murray Implement company. Mr. Dimond is one of the old substantial citizens of Murray, while Mr. Thayne has been a salesman in the employ of the Utah Implement company for years. The property purchased includes the block at the corner of State and Vine stress, covering about 50-foot frontage on both streets.

HOW TO AVOID APPENDICITIS.

Most victims of appendicitis are those who are habitually constipated. Orino Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels, and restores the natural action of the bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. For sale by F. J. Hill Drug Co., "The Never Substitutors."

TROUBLE FOR FRAZIER.

City Food Inspector Threatened With All Kinds of Dire Punishments.

A letter threatening all sorts of terrible punishments has been received by Walter Frazier, city food inspector. The letter is unsigned and reads:

Ogden, Sept. 15.

Walter J. Frazier, City Food Inspector, Salt Lake City.

Dear Sir: I notice by Sunday's issue of The Tribune that you are trying your best to injure the McWhirter boys by having them arrested on some frivolous charge; trying, I suppose, to make yourself a very large gentlemen with some of the McWhirter boys' enemies. I wish to notify you, sir, that a covering of tar and feathers would be far too mild a dose for you or any one else who would try to injure a couple of men like the McWhirters. They have certainly been punished enough, and for a person such as you are to try and raise your standing in the estimation of a few dirty toughs who robbed and stole $10,000 from the boys, you are certainly making yourself very small in the estimation of the public at large by trying to make capital for yourself or a party by such dirty, contemptible methods. Yours respectfully,

A READER OF THE TRIBUNE AND A VOTER IN SALT LAKE.

P. S.—I also voted the American ticket two years ago.

LOST AND FOUND.

Lost, between 9:30 p. m., yesterday and noon today, a bilious attack, with nausea and sick headache. This loss was occasioned by finding at Z. C. M. I. Drug Store, 112-114 So. Main Street, a box of Dr. King's New Life Pills Guaranteed for biliousness, malaria and jaundice, 25c.

WRIT IS GRANTED.

Order Issued Preventing Collection of Money on a Durand Judgment.

Judge Ritchie in the Third district court yesterday allowed an order granting a writ of prohibition directed against Justice C. F. Durand of Murray preventing him from collecting money on a judgment entered in the latter's court against R. J. Robinson, which was claimed to have been procured by T. E. Laing in irregular proceedings allowed by the court.

TRIBUTE TO MR. OLIVER.

Indiana papers just at hand contain interesting accounts of the tribute paid to James Oliver, the venerable founder of the Oliver Plow Works, Southbend, Ind. On Aug. 28, Mr. Oliver reached his eighty-fourth birthday. The occasion was taken advantage of by 40 of his old employes to call on him and tender him their personal congratulations and good wishes. Among other tributes, Mr. Oliver received an immense boquet of roses from Mr. Clement Studebaker.

Mr. Oliver came to America when a boy from Scotland and started in as a blacksmith apprentice. His long career of hard work and business ability resulted in the foundation of the big house which bears his name.

THE NEW PURE FOOD AND DRUG LAW.

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the National Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. For sale by F. J. Hill Drug Co., "The Never Substitutors."

CADETS START DRILLING.

The high school cadets lined up for first drill yesterday and of the 350 men on the campus 200 were freshmen. As soon as the sophomores had lined up on the old parade ground and registered they were dismissed; the freshmen were divided into four companies. The second year men who pass the highest examinations will be appointed sergeants or corporals. Maurice Stiefel has donated five cups; one will go to the best drilled man in each of the four companies and the fifth and larger cup will go to the best drilled company. Other prizes are being offered by various persons anxious to help the cadets attain proficiency. The cadets' coat collars will be an inch and a half high this winter—a half inch higher than they were last year.

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. For sale by F. J. Hill Drug Co., "The Never Substitutors."
