Lorenzo Jackson and forty other residents in the Fifth ward asked for a fire alarm box in the neighborhood of Thirty-first street and Adams avenue. Referred to the fire committee.

The new fire ordinance, practically the same as formerly in force, passed three readings and became law. The police ordinance caused much trouble, the council being equally divided on the subject of having or not having a captain of police. The matter was taken up in committee of the whole, where it was discussed at length, and no agreement being arrived at the council adjourned till Tuesday evening. An ordinance was passed prescribing the duties of the city marshal, as reported yesterday.

Council adjourned at 10:30 for one day.

The adjourned meeting of the council convened at 8 p. m. Six members were present, and it was feared that the result of the consideration of the police ordinance would be the same as on Monday night when it was killed by a 3 to 3 vote on insertion of a captain of police.

Williams moved to strike out captain of police. The motion was lost, Mr. Shaw changing his vote in favor of having a captain. The ordinance then quickly passed its three readings and will become law on being signed by the mayor. The police force will be increased one man.

Halverson Bros., on application, were granted a plumber's license.

WEST WEBER.

Death of Mrs. Sarah Etherington—Spring Work Delayed.

Special Correspondence.

West Weber, Weber Co., March 20.—It had been previously arranged that on March 19 the people of this ward should celebrate the organization of the Relief Society. A fine program had been prepared, but on the morning of that day sister Sarah Etherington, who had been ailing for about a week, breathed her last at 4 a. m. It was at once decided to postpone the celebration.

Sister Etherington was the daughter of John and Elizabeth Wheeler, she was born in Gravely, Cambridgeshire, England, Oct. 21, 1826. She came to America with her parents in 1840. Stayed two years in Ohio. Then they moved to Council Bluffs, Iowa, coming to Utah in 1852, and located in Slaterville, Weber county. She was married to Thomas Etherington in 1853. Moved from Slaterville to West Weber in 1866. Twenty years ago she was called to be a counselor in the presidency of the Relief Society, which position she held with honor and credit to herself up to her death. A more even-tempered, kind-hearted woman would be hard to find.

The funeral services were held Monday at 11 a. m. in the meeting house, being one of the largest funerals ever held here. Consoling remarks were made by a number of speakers, each in turn bearing testimony of her many good qualities. She leaves a husband, nine children and about forty grand-children, and a host of friends to mourn her loss.

LATE SPRING.

The prospect is we will be late with our spring work, as we have had no moisture to speak of since the month, and still it comes once and rain nearly every day, with plenty of cold and bad roads. Almost double the amount of spring seeds will be put in this year.

The "News" comes to hand regularly with a large list of subscribers that ever before, showing that the people appreciate a good newspaper.

PAULINE YOUNG SEEKS DIVORCE.

Provo, March 21.—Pauline Young of Spanish Fork, has commenced suit for divorce against Andrew Young on the grounds of cruelty, failure to provide and habitual drunkenness. Plaintiff asks for her attorney's fees, costs and general relief.

In the case of Hand Sanford vs Cyrus O. Sanford, defendant's attorney has filed notice that on March 27th he will move to strike out on the ground that the court ordered defendant to pay $25, in lieu of costs for which order there is no authority in law.

Woodruff, Rich Co., March 21.—The period of stress of the winter has visited us during this month. It has been many years since the snow occupied the present depth.

The stake Priesthood meeting was held in this place on Saturday, the 11th of this month. The attendance was very good, and the instructions paid to the wants of the people in good praise.

Elder Chas. J. Call arrived home from his mission to the Southern States on Tuesday, March 14th. A reception was given him on Wednesday evening, the word home being filled with goodness and hospitality.

On Sunday evening, Elder Call gave an interesting account of his labors while in Virginia.

Elders Cyril Tinney and Wm. J. Cox have received appointments to missions, and will start for their fields of labor in May.

Judge Hart made the following orders yesterday afternoon: Jane A. Jorgenson was appointed administratrix of the estate of Theodore Jorgenson, deceased.

The case of Smithfield City against Lewis Hyde Park and Smithfield Canal company; Defense allowed to file an amended answer. Order that sixteen jurors be drawn Saturday for April term of court.

GUNNISON.

John Sanderson Accidentally Shot and Seriously Injured—Relief Society Anniversary.

Special Correspondence.

Gunnison, Sanpete Co., March 21.—John, the 15-year-old son of J. A. and Hulda Sanderson, was accidentally shot in the face Sunday afternoon, while his parents were at church. It seems that while visiting at his uncle, August Anderson's home, a son of the latter opened a shotgun and was in the act of getting his cartridges. A loaded gun was kept in the mantelpiece of the parents home ready for use. He took the weapon out and to show young Sanderson how easily he could handle it, handed it to him. The young lad took it and, unknowingly looked again at the gun when it went off and the charge lodged in his face. The weapon was a double-barrel short-gun, one half of which was loaded with shot, the other half with powder. Luckily, it was the latter which was discharged, as the accident might have proved fatal. As it, the boy has a badly swollen face which is very painful, and it is feared the sight of the right eye is totally destroyed. The injured boy is under the care of Dr. A. Jenks and will probably soon recover.

RELIEF SOCIETY ANNIVERSARY.

In commemoration of the 68th anniversary of the first organization of the Relief Society by the Prophet Joseph Smith, the members of the local organization had a day of rejoicing on last Friday, the 17th. Their hall was handsomely decorated for the occasion, and an excellent program rendered, consisting of speeches and recitations by the older members of the society.

President Helena Madsen presided, and in her opening address referred to special reference to her predecessors in office, viz.: Orilla Nielsen, Lydia A. Fairbanks, Sarah Ann Ashby (the last one deceased), the former being too feeble to be present.

Elders Hyrum Nielsen spoke interestingly upon the true objects of the Relief Society.

"Women of the Old Folks at Home," was a very appropriate song beautifully rendered by Miss Flora Madsen, and joined in by the survivor after the program. Tables had to be spread three times to accommodate the people, and the good things of the land were enjoyed well into the afternoon.

At night a dance was given in which the young and middle-aged mingled happily till the midnight hour, when plenty was retired.

A similar anniversary was held on the same day at the Centerfield ward.

The Sunbeam Dancing class held an enjoyable social at Miss Laura Christensen's on Monday night.

Andrew Peterson, a missionary from Manti, delivered a very interesting discourse at last Sunday's meeting.
