THE STOCK EXCHANGE.

Bullets Very Quiet and the Calf was Parlor Though in a Hurry.

FIGURES WERE COMPARATIVELY GOOD.

Note that Gypsy Marion, Northern Light and Little Pittsburg Figured in Sales, and Take Know to Be a "Bloom."

There was no effort on Change today to press some settlement in Gypsy Marion, Northern Light, Dollar and Little Pittsburg, the increased Boston on these stocks was very plainly evident. Most people were very positive that these three mines were about at the stage of development where they will stand or fall on their own merits, and the chances for Northern Light were felt to be better than at any time since it left Pittsburg. And there was little Pittsburg, which sold at 29 cents in advance on the reception of an order yesterday on the floor, yielding up the gains and selling at 25 cents, which strength is a big force and left unchanged today.
