BICYCLE SEASON CLOSES TONIGHT

On Account of Rain the Twenty-Four Hour Motor Paced Race is Called Off.

TONIGHT'S PROGRAM.

Motorcycle race between Whittler and Samuelson, best two in three at two miles, Samuelson to have one lap handicap.

Match race, French style "Whiskers" vs. Crebs.

One mile handicap, professional.

Two mile lap, professional.

Five mile open, amateur.

Rain checks given out last night are good for this evening.

In vain did Manager Harry Heagren of the saucer track try to dry the boards last night so the 24-four hour motor paced race could be started, but the rain had done its work and it was impossible to run the big race. The event was therefore called off and the announcement made that, with the close of this evening's program, the season of 1909 would end.

SPRINTS AND SPILLS.

Sprint races were run last evening but they were marked by "spills" as the track was slippery and it was impossible for the riders to hold the track. While there were many tumbles no one was injured.

In the mile handicap, professional, Iver Lawson tried hard to win and succeeded in catching the bunch but could not go around them. Crebs carried off first money. Saxon Williams made an attempt to break his record in the two-thirds of a mile but the laps were called wrong.

There was an exciting finish in the five-mile lap, amateur, between McCormack, Taylor and Wright. On the final sprint the "Burglar" passed Taylor and fought it out with Wright, winning by a narrow margin.

The finish of the two-mile open, professional, saw Iver Lawson finish with one of his old-time bursts of speed, winning handily. The summary:

One-mile handicap, professional—Crego (80), Palmer (75), Bardgett (70), Carslake (60). Time, 1:49.

Five-mile open lap amateur—McCormack, Wright, Taylor, Diefenbacher, Brodbeck. Time, 10:45 1-5.

Two-mile open lap professional—Lawson, Pye, Schneil, Wells. Time, 1:31.

LAWSON AND WRIGHT.

Iver Lawson and Phil Wright finish the season leaders in their respective class. Lawson is the professional champion and Wright is boss of the amateurs. To date the standing of the riders follows:

MADDOCK WILL REMAIN WITH "U" UNTIL JUNE.

Coach Joe Maddock of the University of Utah has made the football squad and all the students happy by the announcement that he has consented to remain here until June of next year. Wednesday he will line up his gridiron huskies and start them training for the season, which is almost here. Maddock says it is too early to make predictions but he feels confident of rounding up a team that will more than hold its own against any of the elevens matched to play Utah.

The season begins next month, the schedule being as follows:

IMPORTANT BASEBALL MEETING THIS WEEK.

Washington, Sept. 6.—The board of directors of the Washington American league baseball team early this week will hold one of the most important meetings of the season here to consider many questions vitally affecting the local club's future. Chief among the subjects to be decided is whether Joe Cantillon is to be retained as manager of the team next season. Other things in connection with the club's affairs are to be straightened out by President Noyes and his associates.

NAT CARTMELL, WHO IS SHOWING HIS HEELS TO ENGLISH CRACKS.

The recent exploits of Nat Cartmell, the former crack sprinter of the University of Pennsylvania, who has been in England since last summer, has caused considerable gossip among the followers of athletics in this country. When he went abroad last year with the Olympic team Cartmell was picked to win several short distance events, but he failed. Since then he has improved wonderfully and is now showing his heels to the English cracks. Recently in a 200 meter event he defeated Reggie Walker, the South African speed marvel. Cartmell is now competing in England as a member of the Birchfield Harriers. As far as competition in the United States is concerned, he has disqualified himself, as he has violated the general rules of the A. A. U.

GOLF CHAMPIONSHIP TOURNAMENT STARTS.

Chicago, Sept. 5.—Golfers who will compete in the national amateur golf championship tournament which starts over the links of the Chicago Golf club at Wheaton tomorrow found the course in much better condition today than it had been all week and many good scores were made in practise games.

The best was made by Mason Phelps of Midlothian, who, in a fall-ball match with Ned Sawyer of Wheaton as his partner, and playing against G. E. Watson of Westbrook, and Fred Herreroff of Ekwanok, made 18 holes in 72 strokes, 38 out and 34 in. This is 10 under bogey for the course.

Sawyer made a 79 in this match, and Herreshoff, who, with Chandler Egan of Exmour, is regarded as a likely finalist, made a 77. Phelps and Sawyer won the match, their best ball score being 68.

Bob Gardner of Hinsdale, Yale pole vaulter, and Kenneth Edwards of Midlothian, won a best ball match in the afternoon against W. J. Travis and Tom Sherman, of Utica, one up. The medal scores were: Edwards, 77; Gardner, 78; Travis, 79, and Sherman, 77.

ENTRIES COMING IN FOR A. A. U. CONTESTS.

New York, Sept. 6.—Entries from the leading athletes of the country are being received for the annual games of the National Amateur Athletic union, which will take place in Madison Square Garden Oct. 1-3. It is considered that these indoor championships will be participated in by more and better known athletes than ever before. Barlow S. Weeks, chairman of the championship committee, reports that active interest is being taken in the meeting.

"YOUNG GRIFFO" IN JAIL.

Chicago, Sept. 6.—Alfred Griffo, known as "Young Griffo," a well-known pugilist, is in jail at the Harrison street station, and is a physical wreck. Several days ago relatives of the former prize fighter wrote from Sydney, Australia, from which place Young Griffo came, and asked that he be arrested. They had learned that he had been drinking hard and was in need of medical attendance and wrote to investigate.

PRESIDENT PLAYS GOLF.

New York, Sept. 6.—In a golf match of 18 holes on the Myopia links between President Taft and Joseph A. Alschuler, the president holed out a brassie shot at a distance of 170 yards without apparently any difficulty.

YOUNG GIRL MAKES SWIMMING RECORD.

New York, Sept. 5.—Adeline Trapp, 20 years of age, today swam nine miles through the treacherous waters of Hell Gate from the foot of East Eighty-ninth street to Classon Point, L. I.

Accompanied by Priscilla Higgins, a girl about her own age, Miss Trapp swam in the wake of 40 sturdy swimmers of the Center live-saving corps, who were holding their annual endurance test.

Fifteen of the men swimmers were forced to give up before the finish, and Miss Higgins, after going most of the distance, was seized with cramps. Miss Trapp was in better condition than most of the men at the end of the long swim.

STEALS THIRD BASE: FALLS UNCONSCIOUS.

Chicago, Sept. 6.—The strain of stealing to third base and excitement attendantupon the play is believed to have overcome John Hoessang, who is now unconscious in a local hospital. He is a member of the Hamburg Amateur baseball team.

During a game yesterday he dashed from second to third base, just beating the ball which was thrown by the catcher of the opposing team. He was called safe but instead of rising lay unconscious on the ground. He was taken to the hospital, where his case has proved a puzzle, as an examination shows no signs of physical injury.

THREE GOOD GAMES.

Occidentals and Yampa Win—Z. C. M. I. and Heber Play to a Tie.

Three were three good ball games Saturday afternoon. The Payson team which has trimmed about everything in sight this season met a crushing defeat at the hands of the Yampa ball tossers, who won the game by a score of 9 to 2. The Payson boys were outclassed and at no time did they have a chance to win.

The game between the Z. C. M. I. team and Heber on the latter's diamond, resulted in a tie. Both teams played fast ball and when the game was called on account of darkness the score stood 5 to 5. The batteries were: Heber—Williams, pitcher; Nelson, catcher; Z. C. M. I.—Hannefield, pitcher; Scott, catcher.

In a fast and close game the Occidentals took the Eureka team into camp by a score of 8 to 3. Eureka might have won but for poog base running. The score by innings:

Occidentals 002 021 000—6	11	6	
Eureka 000 012 000—3	7	5

CONDITIONS AT MCKEES ROCKS TO BE INVESTIGATED

Washington, Sept. 6.—In some quarters it is thought probable there will be federal investigation into the condition of affairs at McKees Rocks, Pa., the scene of recent bloodshed and disorder growing out of the strike of the workmen employed by the Pressed Steel Car company.

Most of these workmen are said to be foreigners.

Secy. Nagel has received numerous requests to order an immediate inquiry. He is said to have the question under advisement and all papers relative to this matter have been forwarded to him at his summer home, Marion, Mass. Department officials declare that Secy. Nagel has full authority to make an investigation and give publicity to the facts ascertained.

JESSE JAMES' WIDOW BECOMES VERY RELIGIOUS.

New York, Sept. 5.—Mrs. Jesse James, widow of the notorious Missouri bandit, has been one of the most religious attendants at the National Evangelistic camp meeting at Ocean Grove, N. J. This fact became known when an ardent woman evangelist dropped dead before the audience of 2,000 persons, while leading the prayer. Among those who went to the stricken woman's assistance was Mrs. James and then for the first time it became known that the aged but enthusiastic little woman who had worked so conscientiously for the success of the camp meeting during the last few years was the widow of the much-dreaded Jesse James. Mrs. James has been living quietly at the religious resort and daily has led the large meetings in song and prayer. At the "love feast," which is a regular part of the daily program, Mrs. James has recited her personal testimony, telling of the great relief which her religious belief has brought her.

HELD-UP BY THREE MEN THEN FATALLY SHOT.

Chicago, Sept. 6.—Frank P. Arnold was probably fatally shot last night after being held up by three men near Washington park, and a mysterious woman is being sought as a possible principal in the case.

When persons in the park heard the one shot fired at 11 o'clock and ran toward the place where Arnold lay, they saw a well-dressed woman in white bending over him. She fled as they approached, but is said to have called the police by telephone.

Although Arnold said that one of the hold-up men shot him, he is known to have been with a woman answering the description of the missing one, before the shooting. What part she played in the affair, if any, Arnold refused to say and his silence has induced the police to believe that she may be able to explain some discrepancies in Arnold's story.

POPULATION IN 1910 WILL BE 95,000,000.

New York, Sept. 6.—Statisticians who are eminently qualified to form estimates believe that the United States census to be taken next year will show a population of between 90,000,000 and 95,000,000 persons. They would not be surprised if the figures ran as high as 100,000,000. The department of agriculture estimates that the number of farms has increased from 4,564,641 in 1890 to 6,100,000 in 1908; the total acreage has increased from 623,000,000 in 1890, to over 1,000,000,000 in 1908, and that the capital of the farmers in form of lands, buildings, improvements, livestock, implements and machinery is now computed at $28,000,000,000, which represents an increase of 75 or 80 per cent over 1890.

EAST INDIANS INTRODUCE THE GAME OF LYNCHING.

Madras, Sept. 6.—Villagers at the Villa Noves are said yesterday to have lynched a law student named Manrique, aged 17 years, son of a member of the cortes, because he killed a dog.

Manrique was bicycling when a dog sprang at him. He had a revolver and shot and killed the animal. Peasants hearing the shot rushed from their houses and chased Manrique, stoning him. He probably would have escaped but a stone hit him on the head and knocked him from his wheel.

His assailants then seized him and dragged him back to where the dog's carcass lay and beat him to death, leaving his body in the road.
