REGISTRATION WORK

Wilson and Deputies Open an Office and Get Ready for Business.

LOCATED IN THE GALENA BLOCK,

At No. 166 State Street—First Names Registered This Afternoon—Field Canvass Begins Tomorrow.

Chief Registrar E. W. Wilson, of Salt Lake county, was on the street again this morning after a brief illness. He spent the most of the day in the office which has just been opened in the Galena block, No. 166 State street, where he gave instructions to his force of deputies, who recorded the first names of voters for the coming election, this afternoon.

The house to house canvass will begin tomorrow morning and continue until under the law the time for such work shall have expired. The deputies who will take to the field, by precincts, are as follows:

First—Harry Sinale, D. S. Goffin, Thomas Hall, H. M. H. Laird.

Second—Thomas F. Howell, J. F. Crowley, G. R. Binkley, C. A. Cardquist.

Third—Joseph Bull Jr., J. Heiverson, Theodore M. Grow, John B. Bold.

Fourth—Orson Allen, P. O. Hodman, Milando Pratt.

Fifth—J. C. Irvine, Stephen Tyree, D. L. Levy.

These were will represent the various precincts in the office, as chief of the precinct, are as follows:

First—Angus M. Cannon Jr.

Second—Charles F. Kimball.

Third—George E. Wallace.

Fourth—Jesse Seaman Jr.

Fifth—W. H. Lee.

The registrar were his afternoon discussing the question as to who was entitled to the distinction of receiving the first name for woman voter. At press time it was still a disputed proposition with slim chances of a settlement tonight.

All of the official correspondence to registration officers have a note appended which by way of excite attention, gives them to understand that there is no immediate prospect for monetary remuneration for their work.

This puzzle will, which is also responsible for the exclusion the Utah Commission from all responsibility, is in the following language: "Those being appointed to be in charge of these offices, persons will understand that future action by Congress or Legislature."

OF THE FIRST TREE.

A Piece to be Used in the Utah State Table.

The following letters are self explanatory:

August 1st, 1895.

President Woodruff:

My Dear Sir:—Mr. J. B. Wilson is preparing a table for use in signing the first bill to be enacted into law in our glorious new State of Utah. He will explain in detail to you his plan, also the progress he has thus far made towards the accomplishment of his purpose. He is informed that you are in possession of a portion of the first tree planted and grown in our Territory and is desirous that Utah's part of the table should be from that tree. I have the honor to request, should it be in consonance with your views and you can part with so much of your sacred relic, that you furnish me Mr. Wilson's requirement for Utah's contribution.

Very respectfully,
Your obedient servant,
(Signed) CARLOS W. WEST.

Office of the First Presidency of the Church of Jesus Christ of Latter-day Saints.

Salt Lake City, Utah,
August 3, 1895.

To His Excellency, Governor Caleb W. West:

My Dear Sir:—Mr. Wilson presented your letter yesterday, and it afforded me much pleasure to be enabled to grant that gentleman's request. The piece of tree in my possession was more than sufficient for our purpose, and he returned me that which is did not touch.

Very respectfully yours,
WILFORD WOODRUFF.

The Mayor has also signed the appropriation of $1,200 to be paid in the compromise settlement to the parties living along the east shore of the Utah lake. This frees the city from any in any suit for damages resulting from the east, cause of by the water being raised above the compromise point by plank being placed in the dam at the head of the river.

Boy Window Opening.

The boy window opening law went into effect at 12 o'clock last night with not the Mayor's signature. It has been passed lately.

Why All This Secrecy?

The second set of bills for the proposed new city hall have been opened and that in a very secret manner. All newspaper reporters were excluded and given to understand by Officers, chairman of the committee, that information would be divulged at the council meeting tonight.

It is strange that so much hidden work is carried on in connection with the opening of bids, as the public have a perfect right to know what the municipal officials are doing.

Sugar Falls a Little.

A change in the price of city granulated sugar has taken place. The drop is 5 cents with the market inclined downward. The price now stands at $5.60 per 100 pounds retail and $5.50 wholesale. The drop is attributed to the presence of new sugar in the market, and to about a month the Utah product will come itself, which will have a tendency to send the price still wave.

Funeral Tomorrow.

The relatives of Colonel Frank Taylor, the man who fell dead yesterday at the Walker house steps, have been heard from, and the funeral has been arranged for tomorrow afternoon, at 4 o'clock, at Evans's undertaking parlors.

OGDEN.

OGDEN, UTAH, AUGUST 5, 1895.

Arrested for Burglary.

Clarence C. Webster and Joseph Stoms, two young men, were arrested by Detective Powder, at Castle Rock, for being concerned with the burglary of the Lyman Normalite Institute. Both are well known residents of Ogden.

Notes.

Mr. Lowenstein's residence on Adams corner was burglarized Sunday evening.

The funeral services over the remains of Samuel Higginbotham were held in the Third ward meeting house yesterday afternoon.

Sunday, about noon, Samuel Higginbotham died. His death was sudden and was caused by heart failure. He was in Ogden canyon when he died.

The enumerators of the school census for Ogden have made their report to Clerk Mason which shows 2,332 boys and 2,330 girls of school age—an increase of school population of 302.

Two large barns belonging to Lyman Green at Fife city were destroyed by fire on Sunday, they contained about 100 tons of hay, farm machinery, buggy and several sets of harness, all of which were destroyed. Some little insurance was carried on the property destroyed.

Elder Miles Jones died on Sunday quite suddenly. He was a few days previous to his death chopping wood, when he felt pains in the region of the heart. Everything that could be was done to give him relief but he continued to get worse until death. The funeral services were held at 2 p.m. today in the Tabernacle.

Warren G. Crotts has entered suit to recover $5,176.38 from H. C. Baker. The complaint alleges that Baker agreed to pay plaintiff $600.50, for certain property conveyed to him and take care of two mortgages inclosed on the property. This the defendant, it is alleged, refused to do, and the property was sold, for $18,000 instead of the full amount due on the mortgage, $23,347. For the deficiency and $600 the plaintiff seeks judgment.

Sunday afternoon, at the Third ward meeting house, was held the funeral service over the remains of Elder Joel A. Wright. The deceased was born at Clinton, Connecticut, August 11th, 1805, was baptized at Clinton by Elder Pulsipher in 1840, and emigrated to Utah in 1852. He has resided in Ogden since 1874. Brother Wright's death was as sudden as his death, full of old age. He died peacefully, leaving numerous relatives behind. He leaves a host of relatives and friends.

2649 Persons Suffering From Rheumatism Call for a Free Sample of Munyon's Guaranteed Cure.

The Results From Each Case Will be Published by the Tribune as the Investigation Goes on.

Distribution Continued Tuesday Morning, Beginning at 9 O'Clock at the Tribune Office.

Monday from 3 a. m. to 6 p. m. the Tribune office was crowded with citizens of Salt Lake and surrounding towns who wished to obtain a free sample of Munyon's Rheumatic cure.

The throng was composed of people from all the walks of life, the banker, minister, merchant and farmer, one of a number of persons who came to obtain relief from this dread disease. During the day scores of people were seen on the streets, in the stores, cars and offices, men and women carefully examining the little dose of the wonderful little pellets, lest fear that they should miss one hour of the forty-eight, in which time Munyon's Rheumatic cure is guaranteed to cure.

Professor Munyon's representative was seen at the Hotel Knutsford yesterday, and in answer to a reporter's inquiry, said: "We have no doubt. We have not in the realm of the real, having passed through the most searching investigations in Boston, Baltimore, Philadelphia, New York, Washington, Pittsburg, Cleveland, St. Louis, Rochester, Buffalo, Toledo, Chicago, St. Paul, Minneapolis, Omaha, Omaha, Kansas City, Denver and Denver, made by the leading papers in those cities, and in no case have we failed to cure one from 24 out of every 100 who used the medicine as directed. Go, yes," he remarked, "this company put up a cure for every disease just as efficacious as this one, and by the time this investigation is finished we expect to have at least 10,000 people in Salt Lake City convinced of the merits of Munyon's."

Munyon's Homes are now formally different from those met by the regular school of homeopathy. There is no experimenting, no guess work, no guiding, no hit or miss. If you have a certain Munyon can cure.
