OBITUARY NOTES.

MADGARET ANN HANKINS GRIMAY.

Ogden, April 21, 1894.—I have been requested to furnish a few lines to add to the obituary of Sister Margaret Hanning Grimay. The functions which she belonged are widely known and, she deceased, are highly esteemed by all who knew them. She was the daughter of Henry W. and Margaret Gilbreath Hanning, and was born in Salt Lake City June, 1855. In 1871 the family removed to Hooper, in Weber county. At about the age of 18 she married and emigrated to this place, she became a member of R. and soon thereafter she became a member of a class, in which position she labored with much patience and she could in the pupils under her charge. She took delight in the law of the Lord, and strive to know it in the fear of her duty.

When, in 1878, the Primary Association was organized at Hooper, she was appointed first assistant to President Jane Wilson. She filled this trust with honor to herself and to the cause in which she presided over her in the state, on. In 1882, when she was called to wait upon every provision of the association, the pupils were the young people in that institution itself.

On the 5th of February, 1883, she was married to Oliver Berry, son of Bishop Oliver Berry. The trials of this union were not unknown, the young couple in some three months old. In 1886, they came here and took up their permanent residence in Ogden.

About two years ago she experienced a severe attack of la grippe. She never fully recovered from the malady which she leaves some time afterward with a complaint of diseases from which she, for many months, has endured the most intense physical sufferings. I can recall but very few who have suffered so severely. She endured all patiently and she and calmly.

She had strong faith in the ordinances for the healing of the sick, and was always benefited by the administration of the Elders. She had no fear of death, but she had great wishes to live for her and for the sake of her children. According to her earnest desire, her parents, husband and family held on to her and exercised all the faith they could for her recovery until it became evident that her work here was done, and she was "wanted on the other side." Her last words to me desired the Elders to believe in the Lord and ask Him to take her to Himself. Their petition was granted on the 19th inst. her spirit passed gently away to the paradise of God.

On the 21st inst. the obsequies were held in the First ward meeting house, which was filled to its capacity with friends, were many of whom had known her from her infancy, also, by whom she was much respected. Services were conducted by Elder H. H. Hansen. Choice remarks were made by Elders Joseph Hall, Elias Weber, Geo. E. Browning, Chas. Parker, W. W. Cook, C. F. Middleton and G. H. Hodges. All knew her well, and bore testimony that she was genuine, kind, virtuous, true, striving in the task, full of integrity, and always took delight in doing good and relieving the needs and sufferings of others. She possessed a comprehensive knowledge of her religion and always rendered an intelligent, willing obedience to its requirements.

An immense cortege followed her remains to the Ogden cemetery, where her grave was dedicated by Bishop C. Halsey. Yours truly, JOSEPH HALL.

SISTER MARY GREEN.

PAYSON, Emery county, Utah, April 25, 1894.—Mrs. Mary Green, wife of Bishop Frederick Green, of Payson, Emery county, Utah, born September 1, 1821, in Fairey, Dorsetshire, England. April 12, 1894, after a lingering sickness during more or less of the last ten years, from asthma.

Sister Green joined the Church in her native land in the year 1854, and with her husband emigrated to Zion in the year 1862, crossing the Plains in the Bennion company and suffering all the trials and hardships of that long and tedious journey without a single accident. They arrived in Salt Lake in September, 1862, and moved south to Sanpete, residing there until the fall of 1866, when they went to Alma, now known as Moroni, being called to do so by Apostle Orson Hyde. During the Indian war the inhabitants were abandoned and they returned to Spring City, Sanpete county, where Bishop Green served as first counselor to the president of the Relief Society and, one year 1882, when her husband being called to Castle Valley, she was called to be president of Relief Society, which office she filled with honor and credit. She was the president of the Relief Society of this place until recently, when owing to her ill health, she resigned the position.

The funeral was held on the 25th, and was the largest gathering of the kind we have ever had in this place, there being 18 wagons and buggies in the procession. The speakers were Elders C. G. Larsen, President of the Stake, who has known the deceased for the last 32 years; W. Taylor, as the High Priests of the ward, and Bishop Hunting, Green, and Cecil Dale, who all spoke of the good traits of Sister Green. Some time ago I heard a hymn sung and she has gone to sleep with some of them, having fought the good fight and proved faithful to the end. The grave was dedicated with all its contained by President C. G. Larsen.

Great sympathy is felt for Bishop Green in his sad bereavement, for has now lived beyond the allotted time of man, is feeble, and is not likely to endure much longer. W. TAYLOR.

A GOOD WOMAN GONE.

The beloved wife of Charles Pettingill died at Genoa, Utah county, March 19, at 10 o'clock p. m., of dropsy, aged 31 years, 3 months and 4 days. Born in Trumbull county, Ohio, December 15, 1862, baptized into the Church of Jesus Christ of Latter-day Saints March 12, 1881, at La Harpe, Hancock county, Illinois, from there she moved out of that state with her father's family to Iowa, where she was married April 5, 1883 to said the Plains in 1884. A husband and eight children survive her and six children are buried; she has thirty-five grandchildren and four great-grandchildren. Sister Pettingill was a true Latter-day Saint.

RACING MEN

Think twice before deciding to ride another wheel than the "Yellow Fellow". A man here wrote to his college mate in Ohio, who is now in the bicycle business, selling a wheel well known here but not the "Stearns," as to what wheel he should get for his last mount. His friend replied, saying, "Get the "Stearns," it is unquestionably the speediest and staunchest bicycle made today, and it there is a "Stearns" on the track and you are not on it you won't be in it." No man can drive an "ox wagon" to the front, and what will it matter to you, my boy, whether you have the good will or the ill will of the interested bicycle agent? What advice will you need as the spectator promoter of a man with a wheel to sell; the promoter of the man who got his "Stearns and better" by cracking up this wheel where you rig the other fellow as parading though it be the wheel that "Starts where fellows" is now doing in the races next May? Think over it and you will find the wheel to win, or at least you will have a fair chance to, that finds today interests (4a) World's records—the Stearns "Yellow Fellow."

"GENDRON"

Cycles, suitable for medium weight and heavy riders, the best wheel that can be made by one of the very highest reputation in the mechanical world, aided by one of the most perfectly equipped plants for the making of Cycles in the world. Only last year is not at hand. Thus the price will be $100 for the "GENDRONS" that sell for "GENDRONS" that sell for $125 last year.
