MINING, BUSINESS AND STOCKS.

PRICES ARE FAIRLY GOOD.

Columbus Consolidated Moves Up—Newhouse Reaches New Low Level.

PIOCHE ORE FOR FINK.

The Fink smelter which is doing experimental stunts at Arthur, near Garfield, will soon be tried out on ores from the Prince Consolidated mine at Pioche. It is understood that a car of ore from the Pioche mine will be shipped in within the next few days and the new smelter process will begin wringing the wealth out of it. On account of the iron in the Prince ore, it makes an ideal fluxing material and it is expected that it will be an excellent ore for the Fink smelter to operate upon.

Work at the Fink plant is progressing in a most satisfactory manner. Each day it is said sees some new improvement in the work. The mechanical end, it is said, has been the greatest hindrance. It is believed that within 30 days everything connected with the plant will be running like clock work.

MEETING FOR NEW EXCHANGE.

Members of the Utah Stock & Mining exchange, the new stock organization, will meet at 2 o'clock tomorrow afternoon for the purpose of electing a board of governors and such other officers as are necessary. Besides that the rules and by-laws of the organization will be gone over and passed upon. There is considerable work to be done before the organization is completed.

The rooms in the Atlas block are fast being whipped into shape to commence business and it will be a matter of but a short time before the new exchange will be in operation.

BOSTON & MONTANA ELECTION.

No business was transacted beyond the election of directors as follows: Sidney Chase, John D. Ryan, B. B. Thayer, David H. Hennessy and Andrew H. Grafton. PRICES ADVANCED, CLOSING WAS DULL

New York, April 30.—Prices of stocks advanced in the opening dealings today, the gains reaching a substantial fraction in a number of active issues. Canadian Pacific rose 1 and Union Pacific, Reading, Kansas & Texas and St. Louis & San Francisco second preferred large fractions. Dealings were very small.

Additional fractional advances were made before the reaction of a point in bad stopped. Specialties were prominent. American Smelting and Consolidated Gas rose 1½ and Wheeling & Lake Erie first preferred. Amalgamated Copper and Rocking Coal 1. American Beet Sugar preferred and United Railway & Investment preferred declined 1.

Bonds were firm.

Room traders singled out stocks here and there and put them up, but there was no corresponding movement in the general market which was neglected and sluggish. Atlantic Coast Line gained 1½. Westinghouse Electric 1¾. General Electric 2¾. St. Louis Southwestern preferred and Allis-Chalmers preferred 1½ and American Smelting preferred 1. Railway Steel Spring fell 1. Reading moved up again to its high price made at the opening, but there was no impression made on other stocks which grew duller as the session advanced. Louisville & Nashville hardened 1¼ and Delaware & Hudson 1.

The market closed irregular. Three classes of the Colorado Southern stocks rose 3 to 3½ and the Eries were strong, the first preferred gaining 2, the second preferred, Kansas and Texas, Lead, Virginia-Carolina Chemical and Smelting 1½. The general list continued sluggish and very dull.

PRODUCE.

Chicago, April 30.—Weather conditions were the dominatnt feature of trade in the wheat market today, and with rain and snow in the west and northwest bull leaders were enabled to force prices to a still higher level. Extremely low temperatures were reported in the Canadian northwest together with snow in many sections, while more rain and snow was reported throughout Minnesota and the Dakotas. Cables also favored the bulls, Liverpool being up 1⅛ to 1¼d. Prices here at the opening were unchanged to ⅜ higher with July at 1.11⅝ to 1.12⅛. Early in the day an active demand caused the price to rise to 1.12½.

The corn market was also bullishly affected by the continued wet weather and by an advance of ½d at Liverpool. May opened ¼@¼ lower to ⅛@⅜ higher at 70⅛ to 71⅜ and for a time held within that range.

Oats were firm because of the cold weather in the northwest. May opened ⅛ lower to ⅜ higher, at 56 to 56¼ and for a time held around the top figure.

Provisions were quiet and steady. Prices at the opening were 2½ lower to 2½@5 higher.

ARRANGES INVESTIGATION.

Attorney General Informs Senator Smoot That Commission Will Act.

(Special Correspondence.)

Washington, D. C., April 30.—Senator Smoot has been notified by Atty.-Gen. Wickersham that he had arranged with the interstate commerce commission to conduct an investigation of the alleged exorbitant freight rates and discriminations practised by interstate railroads upon which complaint has been filed by the jobbers and shippers of Utah. The investigation will be conducted jointly, a member of the interstate commerce commission and a representative of the department of justice being detailed to go to Utah and hold hearings with regard to the complaints.

The charges were contained in a memorial presented to President Taft and U. S. Dist. Atty. H. E. Booth last week. Senator Smoot held a consultation with Wade H. Ellis, acting attorney-general, and the matter was laid before the president and Atty.-Gen. Wickersham, with the result that a special investigation has been arranged.

AMUSEMENTS

Orpheum—Tonight will be the regular society night at the Orpheum. Several box parties have been arranged for and there is a heavy advance sale. Tomorrow afternoon after the performance the Teddy Bear, impersonated by Everett Scott, will hold a reception on the stage for the children.

* * *

Colonial—The Burgomaster is going to good business this week at the Colonial. The chorus is making a strong hit in the catchy music of the musical comedy while the principals are the recipients of frequent recalls.

* * *

Bungalow—The handsome stage settings incident to "Carmen," to say nothing of the good work of Miss Mary Hall and her associate players, are factors in drawing good houses at every performance. This week's offering is among the best put on at the Bungalow to date.

* * *

Grand—Another big audience greeted McEwen at the Grand last night. The engagement will close tomorrow night. A special candy matinee will be given tomorrow afternoon.

* * *

Music Festival—Sale of reserved seats will commence at the Clayton-Daynes music store tomorrow morning. Those holding the subscribers' season tickets, which have been purchased from singers or others, will have the preference of seats. They will be exchangeable for the very best seats in the tabernacle. Six musical organizations will take part—the Chicago Symphony orchestra, Tabernacle choir, Festival chorus, Choral society, Ladies' chorus and the Salt Lake Male chorus. It is expected that there will be a heavy demand for seats.
