TWO STOCKS IN DEMAND

Yesterday and Chloride Point Made in Evidence on the Exchange.

CAPTURED THE ENTIRE DAY'S BUSINESS.

Opinion of the Earlsboro Mine Encouraging—Important Mining Decision—News from Numerous Sources.

Yesterday was a day in which a remarkable feature was that of the Anacondas, which was fully overshadowed by the Chloride Point, which was in demand at a wide range of prices, and was the leading stock of the day, the total of 4,700 shares being sold, and placing the selling value at $1.

The day was one
