THIRD ANNUAL CONVENTION.

Local Fire Insurance Agents Will Meet at Detroit on Friday.

The third annual convention of the National Association of Local Fire Insurance agents will be held at Home Cadillac, Detroit, Mich., on July 15th and 16th, inst. It is expected that there will be a large attendance of local agents from every section of the country and that much good will result, not only for the personal benefit of the agents, but also for the comfort of the general public. A great number of interesting addresses will be delivered by men who are thoroughly acquainted with the business, and as the officials have promised special rates, a very large attendance will doubtless be on hand.

Fine Choice of Lilies.

Perhaps the prettiest and most magnificent flower grown in these parts this season, is one raised in the garden of J. J. Dayton Jr. on Fifth East street between Tenth and Eleventh South. The specimen is of the Lilium Auratum variety and was raised from bulbs by a friend of Mr. Dayton resident in the Hawaiian Islands. The flower measures 10 inches across and each flower is given up to 12 blossoms. It is a delightfully fragrant smell. Mr. Dayton takes great pides in the cultivation of this plant and hopes to have quite a lot of them next season.

WEDGWOOD IN HOSPITAL

The Unnerved Man Prom Obliged to Seek Proper Treatment.

NEWS FROM UTAH'S WOUNDED BOY.

Senator Cannon Sends Genuine Information from the South. Superintendent Rose a Hero.

Mrs. E. A. Wedgwood left here for San Francisco to see her sick husband, Lieut. Wedgwood, who is down with typhoid fever at the Lane Hospital, San Francisco. Mrs. Wedgwood noticed the concerning news yesterday and immediately set about preparing to leave her post of duty at Governor Rudolph's side. While her travelling the business was done, Mrs. Wedgwood confided to a friend of mine that her husband had been ill for some time, and it was thought the malady which was attacking him was typhoid fever. Lieut. Wedgwood kept to his post of duty, however, and kept on with his work until he was so weakened that he could no longer stand the pressure of the hospital. The state Guards of the Soldiers' Home, who embrace quite a large number of men who were in the service, certainly hope for the speedy recovery.

NEWS FROM THE WOUNDED.

Governor Wells has received the following dispatch, which contains good news as to the condition of Corporal Cannon who was wounded at Santiago:

"Atlanta, Ga., July 11. Hon. Gov. Heber M. Wells: Our friend and Lieut. Lane are at Fort McPherson, doing well, and the following enlisted men of the Twenty-fourth, mustered out on the 9th of July: Corporal of early recruitment, Pat Keyes, Alex. Morrow, Charles Harris, D. W. Roberts, Charles Jones, Henry Moore, Thomas Davis, M. H. Ellis, Richard Henderson, Joseph Dabney, Henry Hughes and Charles F. Peck.

"Capt. Stewart and Lieut. Reilly, who remained at Tampa, are improving and will soon be well. Sergeant Ballard, who is absent of company C and Hughes of G, are also at Tampa, not seriously sick.

"Col. Lucien and Lieut. Lane remained at Siboney, but are now probably starting for home.

"Lieut. Lane saw Lieut. Carney and Amesse after they were mortally hurt. They died like heroes.

"The foregoing is all the information obtainable here about infantry in the Twenty-fourth. No other officer was killed or wounded, but many of the names not practicable were reported killed or missing.

"The Twenty-fourth was a reserve regiment of a reserve brigade, and was thrown up the hill to a most desperate charge. Its loss was therefore very heavy. Its officers were conspicuous for gallantry. The wounded officers and men here are proud of their hurts and are anxious to return to the fight. Major General Kent. He is well and full of fight.

"Lieut. and Mrs. Brent are together tended at the edge of the jungle. Brent sustained himself superbly. He told Lyon he was not seriously hurt. Brent is now probably acting horse-ward."

NOW LIEUT. WINKLER.

Company H, N. G. U., last night held an election for second lieutenant and after consideration of a struggle between First Sergeant Oscar Winkler and Dr. J. A. Hendricks, the latter decided on the third ballot after the doctor had withdrawn in favor of his opponent.

Col. Willard Young has gone to Fort Sheridan, near Chicago, where he expects to be joined by his family accompanied him to Chicago.

Private Thomas Adamson, Frank Herrick and Thomas Varley, company A, N. G. U., have been made corporals.

On Thursday evening the Signal corps will elect a junior first lieutenant.

The appointments have been made in company H, N. G. U.: Corporal Ralph Lamb to be sergeant, Privates Jesse Durrant, John Hunter, J. L. Carlson and George Kimbles to be corporals.

The Red Cross ladies will hold a social meeting at the Ladies' Literary club house at 8 o'clock this evening and the members of the executive board will meet at 7.

The wife of Lieut. Lane of the Twenty-fourth infantry has telegraphed her husband to take a furlough for a month's rest. Her request is much more in accordance of a quiet character than his wounds.

Funeral of Hans P. Hansen.

The funeral services over the remains of the late Hans Peter Hansen, a native of Sorkholm, Denmark, were held in the Second ward meeting house yesterday Monday, July 11. A large number of friends attended. Words of comfort were spoken, and the sterling worth and generous nature of the deceased were testified to by Elders Daniel Peterson, James H. Johnson, P. H. Hansen, Wm. Hart, Jos. F. Petersen, Andrew Jensen, Peter Nielsen and Frederick Petersen.

Brigham's Strawberry Field.

Brigham Engler: Brigham City's strawberry field this season has been immense. From days as high as 8,000 quarts of berries were shipped from the Brigham station. The rush season, which always lasts about a fortnight, lasts forty days. During that period the shipments averaged 50 boxes daily, or about 2,000 quarts. This is 1,000 cases of 10,000 quarts or the amount of nearly 10,000 crates. At 2 cents per quart the shipments by rail amounts to $200, and shipments by team amount to $100, which will make over $300 for one season. Brigham's total strawberry crop this season will reach close to 200,000 quarts.
