BUTTE TEAM WILL START TOMORROW

Reynolds and Bradford on Their Way for the Big Race.

HAVE FINE CHANCE TO WIN.

Bradford Thinks He Can Do Better On Smaller Course—Expenses Are Guaranteed.

Butte, Mont., April 2.—Wally Bradford and James M. Reynolds, the Butte team which won the six-day roller skating race at the Holland rink last week, will leave for Salt Lake next Saturday afternoon, to take part in the six-day race which starts there on Monday night.

The rink management has guaranteed the Butte team their entire expenses from Butte to Salt Lake and return, and if they can win the race they will be better off financially than after the race in this city. Both men are in good condition and anxious to skate in Salt Lake, and will set a mighty fast pace for the entire contest. The experience gained in the race just concluded will be of great advantage to the Butte men in the coming race.

The Salt Lake rink is smaller than the one in this city, and both Bradford and Reynolds figure this to their advantage, as Wally prefers a small rink and skates best under those conditions. The race will only be for 36 minutes every night, instead of 60 minutes, as in Butte, and either Reynolds or Bradford can keep on with the leaders for that length of time should one of them meet with an accident.

FIRST INTERCOLLEGIATE GAME ON TOMORROW

The first intercollegiate league game of the season will be played Saturday, April 3, on Cummings field at 2:30 p. m., between the U. and L. D. S. U. For an upsuing game, Saturday's contest promises to be an interesting one. The teams are very evenly matched each having about the same number of new men.

The U. men have made a good showing during the last two weeks of training, every day that the weather permitted they have gone thorugh vigorous practice. Yesterday a game with the Fort Douglas soldiers resulted in a score of 15 to 5 in favor of the U.

Among last year's stars are Capt. Tim Jones at first base, Larson, who is looked to with great hope, that he will fill Hauston's vacancy in the box, Muir, the little third baseman; Dyer and Spitko, the crack batsmen; Smith on second, was in the University nine three years ago, and is strong addition to this year's.

The new men Stevens, Banning, Sneddon and Horsfall, all have won honors in High school baseball, and are not novices at the game in any sense.

The U. will line up: Stevens, catch; Larson; pitch; ones, first base; Smith, second base; Muir, third base; Lewis, shortstop; Dye, Banning, Sneddon, right field; Spitko, center field; Horsfall, left field.

BILLIARD GAMES.

New York, April 1.—By far the most exciting game of the professional championship 18.2 balkline tournament was played tonight when George Sutton of Chicago defeated George F. Slosson, after an uphill game.

Ora C. Morningstar of this city, who has a clean score of five games won to his credit, will meet Slosson tomorrow night in the last scheduled game in the tournament for the championship.

WALSH VS WESTON.

Boston, April 1.—Sergeant Johnson Walsh of the United States army, the long distance walker, who arrived in Boston today after having completed a walk from Boston to San Francisco and return, a distance of over 7,700 miles in 136 days, started late in the afternoon, after a few hours' rest, to repeat the performance.

Walsh left Boston on Aug. 12, 1908, and arrived in San Francisco Oct. 23, according to his statement. He said he lost 50 pounds, but felt strong and would make the present trip in competition with Edward Payson Weston, who started from New York last week.

Walsh is 37 years old.

PLENTY OF PASSES.

Indianapolis April 1.—Thomas W. Broley of North Vernon, who as a member of the recent legislature, introduced the bill which permits Sunday baseball in Indiana, was asked today:

"Have you got a pass?"

In reply Mr. Broley pulled from an inside pocket a card which he said would enroll him to any baseball game in the United States. It bore the names of the presidents of more than 1,000 baseball organizations.

Atlanta, April 1.—The standing of the teams in the six-day bicycle race tonight, the end of the fourth day's racing, was:

Root and Fogler, Walthour and Collins, Cameron and Mitten, Williams and Mackay, 609 miles, 11 laps; Wylie and Bardgett, 609 miles, 10 laps.

PETE SULLIVAN WINS.

Lawrence, Mass., April 1.—Pete Sullivan of Salt Lake easily defeated B. Wilson, champion of Canada, after 12 rounds of fast fighting here today. A crowd of 1,500 people witnessed the contest. It was Sullivan's fight all the way through.

MEET AT DENVER.

Chicago, April 1.—John Condon, the race track magnate, announced today that he had agreed to manage a 30-day race meeting at Denver at the request of the Overland Jockey club. The meeting will begin June 9 and continue until July 23. The Colorado derby will be the big stake feature of the meet. Conditions and prizes for the meeting are to be announced within 30 days.

STILL AFTER JONES.

Chicago, April 1.—President Chas. Comiskey of the Chicago American league team, who reached home today from the Pacific coast, repudiated the report that Fielder Jones had definitely declined to play with the Chicago team this coming season. He declared that Jones had promised to come back if there was any possible way for him to arrange his business interests in Portland.

"I have not give up hopes of getting Jones back," said Comiskey.

SPORTING NOTES.

Coach Radenoch of the R. Y. C. basketball team has answered the challenge issued by the U. for another game as follows: "In an issue of your paper several days ago a challenge appeared from the Y. M. C. A. to the R. Y. C. for a basketball game. As the R. Y. C. has defeated the Y. M. C. A. twice in match games during the past season, there was no reason for playing another game."

Willard Bean has completed arrangements for his new athletic club at the Salt Palace and announces the gym is open. He has got together a number of clever boxers and wrestlers in the amateur ranks and will give a series of interesting exhibitions. The opening show will take place on Friday evening, April 9.

The Boosters' club of Logan is taking steps to organize a county baseball league. The town is not strong enough to support a team in a big league, but it is believed a county league will prove a great success. The committee appointed to take charge of the matter is composed of the following: D. H. Thomas, chairman; Robert Morton, M. Thatcher, Jr., F. W. Brock, Edmund Spencer, Harry Stoney, L. Linnartz, P. D. Thatcher, John H. Wilson, George Dunbar and John Bankhead.

E. E. Pickering, who is building a five-lap bicycle race track at Los Angeles, is in the city picking up pointers on the game. Upon his arrival here he had an interview with Manager Harry Heagren of the Salt Palace track, and it is possible some arrangement will be made between them whereby the two tracks can be run in conjunction. Pickering and Heagren are now working out a plan which they think will greatly benefit both tracks. The Los Angeles man will remain here several days. He says he expects the track to be finished by April 25.

That thousands of trout are lost annually by running through irrigation ditches was demonstrated beyond doubt last evening by Deputy Game Wardens Bingley and Barratt. They were on hand at the draining of one of the big ditches running out of the Big Cottonwood. After working hard all day they managed to put back into the stream about 500 fine large trout. Bingley says that at least 5,000 smaller trout would die when the water runs low, as the trout get into small holes and places where the wardens can not catch them. All this could be avoided if the law which provides for screens to be placed on the ditches were enforced.

READY FOR THE MARATHON DERBY

Six Runners in Splendid form For the Long Race.

IT WILL BE WORTH $10,000.

Longboat, Indian; Dorando, Italian; Schrubb, Englishman; Hayes and Others in Readiness for Start.

New York, April 2.—Everything is in readiness for the $10,000 Marathon derby at the Polo grounds tomorrow afternoon. The five lap track is in excellent condition, which means that unless there is a principally heavy rain it will be ship-shape for the 26-mile run.

Each of the six runners—Longboat, the Indian; Dorando, the Italian; Shrubb, the Englishman; Hayes, the little New Yorker, who won the English Marathon; St. Yves, the new French arrival, and Maloney, the Brooklyn Boy, are in the pink of condition and ready for battle. Each man will have a training tent by the track-side, 60 yards apart. Over each will fly the flag of the runner's native country. As the Polo grounds is used primarily as a baseball field, a description of how the scene will look tomorrow may be best given as follows:

Hayes will have his camp at the homeplate with an American flag fluttering in the breeze, while Longboat will take his stimulants and be rubbed down in a tent at firstbase over which will fly a combination British and Canadian flag. In right field the Frenchman will have his quarters. Shrubb will be looked after in center field. His emblem, of course, will be the English flag alone. Dorando will be in left field with an Italian flag above his quarters. Maloney with the Irish flag over his tent will also be in left field. The gates of the Polo grounds will be thrown open to the spectators.

TO MAKE HUSBANDS GOOD.

Bayonne, N. J., April 2.—In an effort to keep their husbands from playing poker and other games of chance, wives in a section of this city have organized the "Bayonne Women's Anti-Gambling society." They conducted their first raid yesterday and succeeded in obtaining evidence to cause the arrest of a saloonkeeper, who was held in $500 bail to await the action of the grand jury.

The best place to dance is at the Odeon Socials.

Tuesday, Thursday and Saturday Evenings.

TYLER AND WYTHE.

To Place Monuments and Marks Over Their Graves.

Washington, April 2.—That President John Tyler and George Wythe, the latter one of the signers of the Declaration of Independence should have suitable markers at their graves is the belief of Representative Lamb of Virginia.

Accordingly he has introduced a bill appropriating $10,000 for the erection of a monument in the Hollywood cemetery at Richmond, Va., where the body of President Tyler lies buried, and another appropriating $1,000 for the erection of some suitable marker on the spot in the St. John's cemetery at the same place where the body of Wythe is buried.

GIRL KIDNAPED.

Georgia Foreign Colony is Much Wrought Up Over Case.

Birmingham, Ala., April 2.—Ensley's foreign colony is greatly wrought up over the abduction of pretty Anilla Pietrezyk, the daughter of Paul Pietrezyk, a well known blind Pole, of that city. The girl has been missing for four days, and Will Bostek, a Pole, is held in jail charged with being implicated in the crime. Bostek, steadfastly refuses to talk, however, and the parents of the girl are almost distracted at the failure to get any information about her.

WHOSE IN THIS NECKLACE?

New York, April 2.—A $4,000 pearl necklace is locked in the safe of a big Broadway department store today awaiting identification by the owner. It was picked up on the floor of the store yesterday and is supposed to be the property of Mrs. Maurice Schweitzer, wife of a wholesale merchant of San Francisco.

Mrs. Schweitzer lost her pearl necklace while shopping and visited the store where the jewels were found. She is confident that the necklace is hers, but was unable to establish a complete claim before the store closed yesterday.

Mr. and Mrs. Schweitzer with their children have just returned from Europe and stopped in the city before proceeding to the coast.
