# BIG DAY FOR FOOTBALL.

## Y. M. C. A. and High School Carry Off the Honors.

Number Boys Hold the Royal Cherry Colored Lotus—Tennies Up Alongside Their Victorious—

The time from 10 o'clock to 4 yesterday was devoted exclusively to football enthusiasts and those of Salt Lake's population who were athletically inclined. Four games were played: Y. M. C. A. vs University of Utah, High School vs Logan Agricultural College, Tennie Cyclones vs H. S. Juniors and Switzer vs Bryant Schools.

The prevailing tone made things decidedly juicy under foot, and begrimed classic profiles taking the order of decoration for the competing clubs who played their hardest despite the unfavorable conditions which prohibited tricky play in any successful extent. Unpleasant wrangling, snuggling and accidents were conspicuous by their absence and altogether it was a harmonious day of sports.

BRYANT'S SCHEME.

Both teams lined up on the velvet lit at the corner of Fourth East and Eighth West at 10:30 a. m. and the game was witnessed by a vociferous crowd of some 300 partisans. The Summer boys had somewhat the heavier team, owing to which fact they were enabled to score 12 to 0 by the end of time. Both sides indulged in fancy plays, the interference and punting being if anything above the average usually put up by the juveniles.

CYCLONES VS H. S. JUNIORS.

At 1:00 the Newsboys and the H. S. Juniors on the Fort Douglas campus. The first half developed the fact that both teams were evenly matched, although three more minutes grace, barring accidents, would have resulted in a touchdown for the literary pedlers. The game was a hot one and it was open to conjecture whether the game was proceeding under Londonprize ring rules or just simply free for all. In the second half there was blood on the moon. Simpson, Sears, O'Brien, Mankin, Barker et al indulged in a lusty old time. Sears got over the line twice, the second touchdown resulting in a finely kicked goal. The cyclones came out of the melee victors to the tune of 10 to 0, whereupon there was a mad scramble down town after the free turkey repast.

HIGH SCHOOL VS LOGAN A. C.

Society turned out in force to witness the game between the two leading light weight teams of Utah. The crowd of some 600 people with a contingent of the fair sex made the welkin ring with their rival slogans. Brown red and black enthusiastic "rooter" would start the chorus:

"O, no, O my, Wah's we black the A. C. eye!

"O no, O my, the Logan farmers will be pie. Wow!"

Which would be immediately followed by the minority with:

"Rough and tough, tough and tough, you back the farmers and you'll get enough."

George Downey was an impartial referee with Shoup umpire, Moore timekeeper, and two Logan linemen. High School got the ball and Odell made a good drive. Porter and Allen indulged in some good work which eventually landed the ball over the line after five minutes play. A weak kick for goal was made by Odell. The boys lined up again in battle array and a good solid veneer of mud, and resumed hostilities. Upon the A. C. regaining the ball Wilson made a pretty run of twenty yards, but was neatly downed by Odell, whereupon the ball changed hands for some minutes. Porter essayed to break for the line, but Longhan nailed him. The first half terminated in a beautiful run by Hompstead (who is a new man for the H. S. Team) with a good interference by Porter. The last half was of the give and take order, the score remaining the same in favor of H. S. 4 to 0.

Y. M. C. A. VS U. OF U.

The game was called an hour later than advertised time. A big crowd witnessed and interfered with the progress of the game, by an unwieldy crowding over the ground despite the efforts of the police. Y. M. C. A. won the toss and took the east goal. Taylor for the Y. M. C. A. was the star player of the day. Murphy, the High school owner, played a good game despite his having played in one game in the morning. Allen, Price, O'Brien, Cross and Lyndberg materially helped things along for the Christians, while Ensign, Neptune, Stringfellow and Varian did yeoman service for the U. of U., but the latter were outplayed by their opponents. Taylor made a good run of sixty yards being caught by Kimball on a hair-raising tackle three yards from home. The first touch down was secured by Allen, a few minutes after the start, which was converted into a goal. In the second half Lindgren indulged in some some good punting, Taylor got in his work, however, and secured a third touch down, then Rishel backed the center for another, for U. of U. working in the mud like Trojans, but were outplayed, leaving the score at call of time at Y. M. C. A. 10, U. of U. 0.

## EDUCATIONAL ITEMS.

Superintendent Millspaugh in Pocatello—How Thanksgiving Was Spent.

Superintendent Moriah Hall of Weber county is in the city today.

Superintendent Millspaugh is in Pocatello, Idaho, whither he has gone to deliver a lecture.

Principal W. J. McCoy of the Ogden school, spent Thanksgiving in Ogden, returning this morning.

J. E. McKnight, of the Fremont school is spending a few days in the Junction city.

A meeting of the Salt Lake County Teachers' association is to be held at the University tomorrow.

A meeting to organize a State Teachers' association is called by Commissioner Lewis to meet at Ogden on Dec. 26, 27 and 28th.

The Ogden schools under superintendent Allison are progressing nicely.

A meeting will be held at Toll chorus this evening to compile a literary organization.

The teachers and pupils of the city are enjoying the Thanksgiving recess very considerately given by the Board of Education.

Thanksgiving exercises were generally observed on Wednesday afternoon by appropriate exercises. One of the prominent and interesting features of exercises was the large number of artistic drawings executed by pupils, and which were a fine reflection upon the efficiency in drawing under Prof. Augsburg.

The Unity club had an excellent program of exercises on Wednesday evening.

### Another "Tired Taxpayer."

To the Editor:

In the communication of your correspondent, "A Tired Taxpayer," I notice the enormousness of the assessments levied upon the people, to the tune of over $20,000. But we might have added: Health commissioner, $1,200; health commissioner's clerk, $900; sanitary inspector, $1,200; food inspector, $1,000; meat inspector, $1,200; etc., etc.

If the taxpayers who have to meet this expense did not look after their own health and inspect their own food and meat when buying, the benefit received from this additional army of officials seeking their life blood would be small, very small indeed.

TIRED.

A MORE THAN TIRED TAXPAYER.

### The School Election.

S. R. Westerfield was rescued by the Republicans of the Second precinct on Wednesday night. Mr. Westerfield's nomination was a quick piece of work, and was over with in less than thirty minutes. H. H. Button acted as chairman and Thomas Hull as secretary. G. W. Moyer nominated Mr. Westerfield, and as there was no other candidates he went through by acclamation.

The Democrats of the First precinct with the Republicans of the Third and Fifth will meet to nominate candidates tonight.

## THANKSGIVING AT INFIRMARY.

The County Officials Prepare, and Have Rendered, an Interesting Program for their Guests.

The county authorities, bearing in mind that yesterday was Thanksgiving and that on such a day all humanities in America at least, looked for something out of the ordinary, and being mindful of the fact that they had wards under their care who could appreciate something good when it was offered them, prepared a roll of exercises which was carried out at the county infirmary under the direction of Harry Joseph, the county surveyor.

At 1 o'clock all were called together in the assembly room and the program commenced. The initial number was an address by Dr. Uhler, which was replete with words calculated to cheer up the sorrowing hearts, and make those who were in somewhat unfortunate circumstances, forget the dark hours of life, and make the most of their present condition. Next in order was a vocal selection by the Misses Moser and Ulrich. Morris, and Messrs. R. J. Thomas, Karl Rossel and Will Christopherson, accompanied on the organ by Prof. Evan Stephens. Mrs. C. Louise Bryden then favored with a recitation in her usual characteristic style, after which Selections Christopherson offered a few closing remarks. Thus terminated an affair which was greatly appreciated by those now housed at the county infirmary, and which was referred to in the peerless walls at the Orphans' Home, commencing at the hour of 2.

## AMUSEMENTS.

Charles E. Shilling's minstrels occupied the Theater on Wednesday and Thursday evenings to appreciative audiences. The company is not very large, but the members are undoubtedly picked with much care. The program is well varied and the interest is therefore kept up throughout. Messrs. Law Spencer and Charles Schilling are very clever minstrels and Messrs. Sampis, Birnes, Lonier and Hammons are good singers; Carroll and Nealy are "great knockabouts," but their performance, although in many respects clever, was generally too grotesque to be enjoyable. The Japanese equilibrist, Kitko, and the sextette, Le Roe, give wonderful performances in their lines.

AT THE GRAND.

There was a crowded house at the Grand last night. A change of Papes goes again this evening and tomorrow.

### Millard Stake Conference.

The regular quarterly conference of Millard Stake will be held in Fillmore Sunday and Monday, Nov. 24th and 25th. We were favored with the presence of Elders John H. Smith and J. G. Kimball, of the general authorities, which added much of the pleasure, which was very harmonious and edifying. and was listened to by a large and appreciative audience. A short synopsis of the sermons could not begin to do them justice.

The reports of the temporal and spiritual condition of the wards were good, harmony and good feelings existing among the laboring Priesthood, and all the associations in good working order except those of the Young men. The Sabbath schools were reported by Superintendent Judson Grant as being in a much improved condition. Elder C. Anderson reported the High Priests quorum and said the members of that quorum were on the load at home, and quite a number of them had performed faithful missions in foreign lands. The members of the Stake presidency also reported, and spoke upon the general duties of the Saints.

The general and local authorities were presented by Elder C. Anderson and unanimously sustained.

The choir under the leadership of Elder William Preston did excellent singing, and the selections were appropriately appropriate.

C. ANDERSON,
Stake Clerk.

## A Great Blessing

My wife and I have found in Hood's Sarsaparilla. She had rheumatism very severely, with ankles and legs badly swollen, and hardly able to get up and down stairs without help. Many other remedies failed, but Hood's Sarsaparilla entirely cured her. It was only shortly after that I was taken with the same complaint, affecting my limbs and hips, so I just tried the same medicine with the same result. My wife and children take Hood's Sarsaparilla whenever they feel the need of a medicine and it immediately makes them feel better.

"I would like to add my testimony to that of others who have used Ayer's Pills, and to say that I have taken them for many years, and always derived the best results from their use. For stomach and liver troubles, and for the cure of headache caused by these derangements, Ayer's Pills cannot be equaled.

When my friends ask me what is the best remedy for disorders of the stomach, liver, or bowels, my invariable answer is, Ayer's Pills. Taken in season, they will break up a cold, prevent la grippe, check fever, and regulate the digestive organs.
