LAST NIGHT'S COUNCIL.

New List of Election Judges Appointed to Fill Vacancies.

PROPOSITION TO PENSION A FIREMAN.

Granting of Pioneer Square to a Railroad Company Revoked—Salaries of Firemen—Miscellaneous.

The City Council met in regular session last night, transacted considerable routine business and then adjourned to Saturday night. It was expected that the Warm Springs lease would be acted on but no report was received from the city attorney. The proposition to place Fireman William Gilbert on the retired pension list, at a salary of $22.50 per month, was called up by Councilman Wilcomb and after much discussion, during which a number of personalities were indulged in, the matter went over for two weeks. Councilman Le Prohon's resolution to revoke the grant of Pioneer square to the Utah & Pacific Improvement company passed, four members voting against it, and in favor of the ordinance going to the committee on municipal laws to see that it was properly drawn. Councilman Wilcomb introduced a bill for an ordinance to increase the salaries of the members of the fire department. A motion to refer and another to suspend the rules and pass the ordinance failed to their object.

STUDIES REGIONS.

Councilman O'Meara, chairman of the committee on elections, submitted the names of citizens to act as precinct judges in place of those who declined or resigned. Among the number was John Stubbs who stepped aside for Undertaker C. A. Carlquist. The changes made are as follows:

District No. 4—George Olsen, in place of James Hansen, declined.

District No. 5—Thomas W. Eardley, vice C. B. Rockwalter, declined.

District No. 13—John Bell, vice A. H. Nash, declined.

District No. 14—H. B. Burton, vice Charles Valentine, who is out of the district, and C. A. Carlquist, in place of John Stubbs, declined.

District No. 17—Wallace Fenton, vice A. G. Gaston, declined.

District No. 18—E. E. Hamer, vice W. J. Poulton, declined.

District No. 19—William Thorn, vice D. H. Wells, declined.

District No. 20—Frank Foster, vice S. T. Whitaker, declined; John C. De Kalb, vice A. L. Jacobs, declined; Walter L. Price, vice Charles Hyde, declined.

District No. 26—R. M. Tuttle, vice Joseph Bond, declined.

District No. 29—George B. Wallace, vice J. H. Burns, declined.

District No. 32—John A. Mayne, vice D. S. Murray, declined.

District No. 42—S. VanHouten, vice W. W. Calder, declined.

District No. 46—W. L. Pickard, vice E. W. Carter, declined.

District No. 47—Charles Miller, vice Charles F. Johnson, declined.

District No. 48—E. H. Peterson, vice John L. Dye, who is out of the district, and George P. Costigan Jr., vice George L. Woodford, declined.

District No. 50—Morris Lenzi, vice M. J. O'Meara, declined.

District No. 51—D. E. Moore, vice Frank Platt, who is out of the city.

District No. 52—J. F. Goddard, vice Martin Lorenzo, declined.

BILLY GILBERT'S PENSION.

The petition of Fireman Billy Gilbert, asking that he be placed on the retired pension list, and which had been referred to the finance committee, was called up by Councilman Wilcomb, who made a motion to take it out of the committee's hands and also wanted to place some of the members on the "spot." Councilman Rossiter explained that he and colleagues had not had sufficient time to give the question the consideration it deserved, but in two weeks longer. Reference to the threat to put him on "spot" he regretted that he should be so misunderstood, for every committee is voted on, and when he did his best to vote for somebody else he had to accept congratulations and was not afraid of being "spotted" when he votes against Councilman Wilcomb's motion. Councilman Wilcomb replied and the motion finally prevailed by Councilman Wilcomb withdrawing his motion to take the matter out of the finance committee's hands.

THE GRANT REVOKED.

Councilman Le Prohon's resolution to revoke the grant of Pioneer square to the city to the Utah & Pacific Improvement company for the purpose of building a depot, when the position of building at least 25 miles of railroad to Deer Creek or 7 miles further with a branch, came on for final discussion. Councilman Rossiter of Cullmore ward, said the resolution referred to the committee on municipal laws. Councilman O'Meara found reference to the committee on public works. The motion to amend the grant carried.

SALARY OF FIREMEN.

Councilman Wilcomb introduced a bill for an ordinance relating to the salaries of the members of the fire department, which he was in favor of the consideration of at once. The proposed salaries is as follows:

Chief engineer, assistant chief, $35 each; foremen, $25; assistant foreman of fire alarm, $20; secretary and operator, $20; engineers, $18 per month.

Firemen (including drivers, pipeman, hydrantman, etc.), first three months' service, $40; second three months' service, $45; third three months' service, $50; fourth three months' service, $55; after one year, $60.

Councilman Wilcomb wanted the rules and regulations suspended and the ordinance passed forthwith.

Some objection was present and on being lerked to each exhibited that his best man were having the department in mind in the matter of salaries which were certainly alluring and handicapping the department.

Who voted to suspend the rules and pass the ordinance was yea and nay.

MISCELLANEOUS.

Property Tenant and a number of north ward citizens asked for a sidewalk to be laid the south side of South street from H. S. Wilcox's. The petition stated that the Salt Lake Street Railroad company would extend the track if the city would grade the street and have it referred to the committee on street for the next meeting.

Councilmen Wilcomb and Sity, others asked that an electric light be placed in Wilford Court. Referred to committee on improvements.

Sarah B. Wilcox, petitioned, the council to extend the sidewalk on F. street, between First and Second streets, S. F. Sidwell and W. S. Wilcox, petitioners, to extend from a point north 100 feet south. Referred to committee on sidewalks.

John G. Wilcomb at an early day will ask South Side Street be widened 100 feet to grade and not in accordance with plan. Referred to the committee on streets.

Adjourned until Saturday night.
