FOURTH DISTRICT COURT.

A Good Deal of Work Done by Chief Justice Zane Yesterday—Grand Jury's Report.

Yesterday Judge Zane had a very busy day in the Fourth district court and a considerable amount of business was transacted.

The grand jury made its final report and was excused subject to call of the court. During the special session, which commenced on July 20th 20 cases were investigated. Of these, nine were under the United States laws, and the balance, 11, were brought under the territorial statutes.

There were twenty indictments found, four of which were United States cases and sixteen territorial. Nine cases were ignored and one was referred to the next grand jury.

In the case of Oscar E. Hill, formerly cashier of the Commercial National bank, four indictments were found—embezzlement, perjury, making false entries in the bank's books, and false statements to the officers of the bank. To each of these Hill plead not guilty when arraigned. An attempt was made by Captain Smith, attorney for the defendant, to have the bonds reduced from $10,000 to $10,000, but after argument Judge Zane thought $10,000 about right—$5000 on each of the first two counts, and on the remaining two the defendant is to be released on his own recognizance. He was given until tomorrow (Friday) to file a new bond, which will be given and approved before Commissioner Hulaniski.

The following cases were ignored by the grand jury: United States vs N. W. Nielson and Robert Murdock, charged with selling liquor to the Indians in Logan. People vs I. N. Simpson. People vs Wm. Edwards.

Martin Tribby, recently arrested for passing forged checks bearing the name of Charles Lindquist, was arraigned on the charge of forgery. He took the statutory time to plead. J. L. Lear was appointed by the court as his attorney.

M. McKenzie and Alice B. McKenzie plead not guilty to grand larceny.

Michael Russell, who it is said bought a span of horses at Morgan and gave a worthless check in payment, was arraigned on the charge of obtaining money by false pretences. He took the usual time to plead, and L. R. Rhodes was appointed to defend.

Edmund Wells and Frederick Slocum, arraigned on the charge of burglarizing the Putnam clothing store, plead guilty, and were sentenced to one year each in the penitentiary.

F. E. Wilson, the young fellow who hired a horse from Corey Bros.' livery stable, forgot to return it, and was captured in Idaho by Sheriff Bolkcom, plead guilty to the charge of grand larceny and was sentenced to two years in the penitentiary.

Robert Faulkner plead not guilty to fornication. He took the statutory time to plead.

Nellie Berlin took the time allowed to plead on the charge of grand larceny.

Robert Adams, charged with rape and robbery, alleged to have been committed July 6th, plead not guilty. His bond was fixed at $1000, which he was unable to give.

Jessie Browning plead guilty to burglarizing the Hyams Mercantile company's premises at Five Points, and was sentenced to one year in the penitentiary.

The case of Charles Crawford vs William Crawford et al. occupied the forenoon in the district court, on the motion to allow the receiver, Byron Hoskins, to borrow $5000 on the estate of William Crawford to meet running expenses. The motion was overruled, but an order was made permitting the receiver to sell enough of the personal property (about $200)—any amount to be used in payment of expenses already contracted. The suit will be heard by Judge Miner when he returns home, which will be about the 20th of August.

Ida B. Sandberg obtained a divorce from Peter Sandberg on the ground of failure to provide and cruelty.

Dull Times.

Everything remains very quiet at the police station. No arrest was made yesterday and the court machinery is getting rusty for want of work.

Board of Equalization.

The board of equalization for the county, city and territorial was in session yesterday and will continue for twelve days, thus giving everybody who wants to register a kick against excessive taxation a chance to do so.

PROVO, UTAH, AUGUST 3, 1893.

Wants a Divorce.

The complaint in a Heber divorce case was filed in the First District Court yesterday. Mary Young is the plaintiff and Irvin Young the defendant. The complaint alleges cruelty on the part of Mr. Young in throwing plaintiff down and scalding her with hot water, throwing a chunk of wood at her while a few months old babe was on her lap, etc. Besides the divorce, property and alimony are asked for, permission to resume her maiden name (Mary McDonald) and the custody of her six children.

Utah Sheep in Colorado.

Wm. Grant, the American Fork sheep man, left last night via the Rio Grande for western Colorado, where he has a bunch of sheep. He stated the sheep men had not been molested by the cowboys for some time. "There never was any war between the sheep and cattle men," Mr. Grant went on to explain. "We never got into the cattle country, but the cowboys seemed to be afraid we would. They would ride camp and scattered our sheep about, killing several hundred sheep. We would have sworn out complaints against them but there was so many cowboys in the country that there would have been no trouble on their part in proving an alibi. Our object in driving into Colorado was not so much for a range as to get near a market for our sheep, but in this we were not successful."

Notes Sold.

Six notes, aggregating in amount $525, were sold at auction yesterday by Deputy Marshal Berry, netting $91.50. The notes were sold on the suit of D. P. Temple against Rasmus Neilson.

Arrested for Adultery.

Samuel Carson of Camp Floyd, arrested by Deputy Marshals Berry and Henry, was yesterday arraigned before Commissioner Dudley on the charge of adultery. He waived preliminary examination and was bound over to await the action of the grand jury. Carson, it is alleged, has two wives, and he is now living with the second. About ten days ago his stepdaughter (his second wife was a widow when he married her) gave birth to a child, and Carson is accused of being its father.

SUNOL!

ROBERT BONNER
Superintending the shoeing of Sunol with the Putnam Nail.

PROSPECT HILL STOCK FARM,
FRANKLIN, VENANGO CO., PA., Feb. 16, 1893.
PUTNAM NAIL CO., Neponset, Mass.
GENTLEMEN:—Replying to your letter of the 6th inst., will state that I have used the Putnam Nail and shoes, with the result that I am now using them exclusively. I will use all the shoes you may send me, and will use all the Putnam Nails I can get hold of, from this time forward. Yours respectfully,
Chas. Marvin

The Putnam Nail is the only exclusively Hot-Forged and Hammer-Pointed nail.

Look in your smith's shoeing box, if the nails have smooth edges for the whole length they are the PUTNAM, for they are Hammer-Pointed and are not sheared.

The above picture, from a photo engraving by H. Bunger in the act of forging the nails in Putnam's Works, is the best representation of a horse's foot, showing the form of a well fitted shoe, and the nails, which must, with such stock, be forged at a heat ready for points, etc.

LOGAN.

LOGAN, UTAH, - AUG. 3, 1893.

A Sail at the Springs.

Mr. J. C. Rich has placed a nice sail boat on Bear Lake, so that visitors to the hot springs at the north of the lake may enjoy a boat ride without the labor heretofore necessary.

Serious Accident.

A young son of Mr. E. W. Symons was riding a horse in Logan canyon on Tuesday, by the side of a mule named Burr, who was coupled to a road cart. Burr suddenly missed his companion, and looking back saw that he had been thrown. He turned and went to the assistance of the boy, when he found someone else with his face and head mashed all over. He brought the lad to town, where he was examined by Dr. Ormsby, who discovered that the boy was suffering from a severe concussion of the brain. There were a number of wounds on the face but none very deep and one arm was disabled. His condition is said to be precarious.

At a Ripe old Age.

Lemuel Mallory, aged ninety-three and one of the earliest settlers in Cache county, died on Friday last at his residence in the Fifth ward. He joined the Church at a very early date, and was ordained an Elder at Nauvoo in 1840. He was personally acquainted with the Prophet Joseph, and assisted in the erection of the temples at Nauvoo and Kirtland. He lived and died a faithful Latter-day Saint.

The New Waterworks.

The new system of waterworks which is being put in is rapidly approaching completion. The trenching in the last block is nearly finished and the plumbers are rapidly following the excavators. Logan will be supplied with water taken directly from Logan river, one of the purest streams in the Territory, at a pressure of more than 140 pounds, at a cost of $40,000.

The Glee Club.

The Star Brass Glee Club left this morning for their trip to Paris, Idaho, where they are billed to appear on Saturday evening at a concert. The club is composed of twelve members, and includes such singers as B. C. Easton and J. M. Wilson. Their repertoire of music is extensive, and to hear them sing "Contraband in Arms," "The Sailor's Farewell," and the medley and evening songs is a great treat. B. C. Easton, J. M. Wilson and S. W. Hall are billed for solos.

Once Again.

The Logan & Bloomland canal has again broken its banks, not only endangering property situated near its banks, but leaving Logan without adequate protection against fire. The latter danger will be obviated by the new system.

The R. K. Thomas New Block.

Mr. R. K. Thomas of Salt Lake is visiting Logan in the interest of his business here. Since his arrival the foundation for the larger part of his new business block has been commenced. The building will be rapidly pushed to completion.

Died Violently Insane.

A young lady named Barrett died in the Fifth ward on Monday afternoon. She caught a severe cold last week that caused such derangement of the nervous system that she became violently insane, and died in that condition.

Owing to the Hard Times.

Workmen in the Pendelton shops are feeling discouraged. They have been working six days a week, and ten hours a day. Now they are reduced to five days of eight hours. Similar economy is being practiced in all departments.

An Unfortunate Affair.

Mrs. A. M. Baker, who resides on a ranch near Mendon, sustained a fracture of her left leg on Saturday last. She and her children were about to start to Mendon in a road cart. The horse started before Mrs. Baker was seated, and the wheel of the cart ran against a post. The lady was thrown violently to the ground, with the result stated above.

Remembered Their Leader.

On Monday the members of the recently disorganized opera house band presented their former leader, George W. Tentcher Jr., with a very handsome heavy solid gold medal as a testimonial of their esteem. Since the band disorganized they have received a very flattering offer of an engagement to play at the World's Fair.

Pearl Won It.

Much interest has been taken during the last week in the race that took place yesterday afternoon between Thatcher's "Lady Pearl" and Turner's "Pig" for $100 a side. It was a quarter-mile and resulted in a victory for Pearl. Considerable money changed hands.

Mandrake Pills have a value as a household remedy far beyond the power of language to describe. The family can hardly be true to itself that does not keep them on hand for use in emergencies.

MANDRAKE

is the only vegetable substitute for the dangerous mineral MERCURY, and while its action as a cathartic is fully equal, it possesses none of its serious effects.

In Constipation, Mandrake acts upon the bowels without depositing them in subsequent costiveness.
