

"Practical Science."

Under the above heading, the St. Croix Courier, of Stephen, N. B., in referring to the analysis of Dr. Pierce's Golden Medical Discovery and Sage's Catarrh Remedy, recently made by Prof. Chandler, of New York, and others, says: "Nothing was discovered which we think objectionable, and the published analysis should increase, rather than retard, their sale. To us, it seems a little unjust to call a man a quack, simply because he seeks to reap as much pecuniary reward as other classes of inventors." The English press is conservative, yet after a careful examination of all the evidence, it not only endorses but recommends the Family Medicines manufactured by Dr. Pierce. No remedies ever offered the afflicted give such perfect satisfaction as Dr. Pierce's Golden Medical Discovery and Dr. Sage's Catarrh Remedy.

By Universal Accord,

AYER'S CATHARTIC PILLS are the best of all purgatives for family use. They are the product of long, laborious, and successful chemical investigation, and their extensive use, by Physicians in their practice, and by all civilized nations, proves them the best and most effectual purgative Pill that medical science can devise. Being purely vegetable no harm can arise from their use. In intrinsic value and curative powers no other Pills can be compared with them, and every person, knowing their virtues, will employ them, when needed. They keep the system in perfect order, and maintain in healthy action the whole machinery of life. Mild, searching and effectual, they are specially adapted to the needs of the digestive apparatus, derangements of which they prevent and cure, if timely taken. They are the best and safest physic to employ for children and weakened constitutions, where a mild, but effectual cathartic is required. For Sale by all dealers. dsw 1 w

Address, HOWARD SEBREE, SALT LAKE CITY

PERSONS under the operations of Fellows' Hopophosphites should examine their blood under the microscope from time to time, and mark the increase of red and active particles and diminution of the white or dead ones; these observations are interesting and instructive.

THE scarcity of Diamonds, Gold and Silver, and the difficulties met with in securing them, is a sure indication of their value.

Thus it is with a valuable medicine: Dr. Aug. Kaiser's Celebrated German Pulmonic Elixir, through the jealousy of rivals, has met with the most bitter opposition, and apparently almost insurmountable obstacles have been thrown in its way; but its opponents might as well try to change the course of the sun, sweep back the ocean with a broom or put out a prairie fire with a tear.

For the cure of Throat and Lung diseases, such as Coughs, Colds, Consumption and Bronchial Affections, it is unequalled. Its cures are truly magical. Ask your Druggist for it. The genuine bears the Prussian Coat of Arms, the facsimile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. Trial bottle, 25 cents.

For sale, wholesale and retail, by the Z. C. M. I. Drug Department and Moore Allen & Co., Salt Lake City.
