BOYS STEALING FRUIT.

Quite an interesting incident occurred at Eighth street and Wasatch avenue Friday when a gang of city boys, ranging in age from 10 to 15 years, raided Peter Clark Terrill's orchard, which lies adjacent to the Lincoln school. The boys had gathered a quantity of fruit, Terrill's orchard being on the south side of the school, and were in the act of leaving the premises when Mr. Terrill came upon them. The boys had gone to the orchard for the purpose of eating their fill of fruit, and had not thought of carrying away any of the fruit, but when they were stopped by the owner they were scared and ran for home, and some of them, it is said, were so much frightened that they ran all the way home. The boys did not know what they should do. Mr. Terrill, understanding the situation, gave the boys a good fatherly talking to, and contributed them severely for their offense. He said that he did not want to see any more of them in his orchard, and that if they did they would be guilty of such action again. This, with the exception of a good scare, was all the punishment the boys received for their offense. Mr. Terrill, with the exception of the public business in the Bulletin.

SECOND WARD Y. M. MUTUAL.

Last evening joint session was held in the second ward meeting house, and a very interesting program was rendered, consisting of the inauguration of the Y. M. M.
