TOOELE.

HARVEST OF GRIM REAPER.

Death Claims Mrs. James Kirk and John G. Haggie.

Special Correspondence.

Tooele City, Tooele Co., Oct. 9.—The funeral services over the remains of Mrs. Mary Kirk, wife of James Kirk of this city, who died last Thursday, were held here yesterday. The speakers were Elders H. B. Haines, Moroni England and Elder Haslam of Salt Lake City, all speaking in the highest terms of praise of the departed, and words of comfort and encouragement to the bereaved husband and children. Mrs. Kirk was born in Oldbury, Worcestershire, Eng., in April, 1831, was baptized into the Church when 10 years old. She emigrated to Utah with her parents in 1848, and married the following year. She was a true and faithful Latter-day Saint, an active worker in the Relief society of this ward, and a devoted wife and mother. She is the mother of 10 children, nine of whom survive her. The death of Elder John G. Haggie, which occurred here yesterday, from old age and general debility, removes one of our oldest and most faithful members. Elder Haggie was born at Hazelhead, Aberdeenshire, Scotland, March 5, 1820; joined the Church in 1850; emigrated to Utah in 1853, and settled first in Kaysville, but removed to Tooele City in 1858. In May, 1860, he married Martha B. Smith. He was the father of 15 children, nine of whom, as well as his wife, are left to mourn his departure. He was a true and faithful Latter-day Saint, ever active in the discharge of every duty he was called on to perform.

SPRING CITY.

PASSING OF A PIONEER.

Death of Patriarch Redick N. Allred, Nauvoo Veteran and Church Stalwart.

Special Correspondence.

Spring City, Sanpete Co., Oct. 11.—Patriarch Redick N. Allred died yesterday at his home in Chester, in this county, after an illness of about three years. Col. Allred was one of the stalwart veterans of the Church. He was born in Bedford county, Tennessee, Feb. 21, 1822, and was baptized in 1833. Early in the year 1840 he removed to Nauvoo, Ill., where he remained with the Saints until their expulsion in 1846. While living in Nauvoo he married Lucy Hoyt, who survives him. Col. Allred served in the "Mormon" Battalion, and after his discharge returned to Council Bluffs, Iowa, in 1847. He came to Utah in 1849 and located in Salt Lake county. In the year 1852 he went to the Sandwich Islands, where he labored for three years as a missionary. Upon his return home he removed to Kaysville, where he remained until the "move" in 1858, when he went to Nephi, remaining there one year, and then came to Spring City, making his home here in the fall of 1859. Since that time his home has been at Spring City and Chester, he having served as Bishop of the Chester ward for a number of years. After his release as Bishop, he was ordained a Patriarch, and until his infirmities prevented, was active in the discharge of all the duties of his calling.

As a pioneer, Col. Allred won the respect and esteem of all. He was a leader among men. During the Indian wars he took an active and prominent part in suppressing hostilities. In all his labors his integrity to the truth, his humility and purity of life, and his obedience to proper authority, were characteristics of his nature that exacted the respect and admiration of all. He leaves a numerous posterity, all of whom are proud of the life record of their father. The funeral will be held in the Spring City meetinghouse tomorrow, Thursday, at 12 o'clock noon.

The contractors have completed the carpenter work on the roof and tower of the new meetinghouse. The painters expect to begin their work next week.

The Republicans will hold their caucus for the nomination of city officers on Saturday night.

Presidential Election Will Make No Change.

No matter which candidate is elected, Foley's Honey and Tar will remain the people's favorite remedy for coughs, colds and incipient consumption. It cures colds quickly and prevents pneumonia. A. J. Nusbaum, Batesville, Ind., writes: "I suffered for three months with a severe cold. A druggist prepared me some medicine, and a physician prescribed for me, yet I did not improve. I then tried Foley's Honey and Tar and eight doses cured me." Sold by F. J. Hill Drug Co.

NEPHI.

BONANZA DRY FARM CROP.

Big Lamb Shipments—Stock Coming Down from Mountains.

Special Correspondence.

Nephi, Juab Co., Oct. 13.—Stock is coming down from the mountains daily, including the sheep, which are being driven westward to the winter range.

Ord Bros. of this place recently purchased several thousand head of lambs from Mr. Grover of Nephi. Part of the lambs will be shipped east this week, the balance will be fed here, and shipped later.

Wm. Orme has just shipped his lamb crop to Tucker Bros. of Colorado.

John H. Dahlen of the Murray Meat & Livestock company, Salt Lake City, was in town this week receiving several carloads of sheep.

Most of the grain and hay harvest is over with, and the yield has been good. Dry land on the ridge south of here has produced as high as 38 bushels of wheat per acre.

Farmers are busy plowing and planting fall grain.

Hollister's Rocky Mountain Tea is positive, never nauseates or upsets the stomach. Cleanses andn purifies the entire system. A great blessing to suffering humanity. 35 cents, Tea or Tablets. Ask your druggist.

MORONI.

SUDDEN DEATH OF C. KEMP.

A Veteran and Pioneer of 74—Principal J. M. Christensen Honored.

Special Correspondence.

Moroni, Sanpete Co., Oct. 13.—A very nice time was enjoyed by the teachers, patrons and pupils of the district schools last night, in the tabernacle, to do honor to Principal James M. Christensen, Jr., who has been associated with the schools for the past 12 years, during which time he has earned for himself an enviable reputation. He is now severing his connection with the schools to assume the position of cashier of the new bank being established here. A good program of songs, speeches, and instrumental music was well rendered, during which Charles Despain, in a well worded speech, presented a valuable watch to Mr. Christensen as a token of the love and esteem in which he is held by the teachers and pupils of the district schools.

Miss Charlotte Hardy, a second year student of the B. Y. university, has passed the crisis in a severe attack of typhoid fever, from which she has suffered for nearly four weeks.

SUDDEN DEATH OF VETERAN.

Word just comes that Charles Kemp, one of the pioneer settlers of this city, was unexpectedly found dead in his bed when called to breakfast by members of his family, this morning. His sudden demise was a great shock to his many friends, as he returned from the recent conference in Salt Lake City but yesterday, apparently in his usual health. Deceased was the son of John and Ann Kemp, born at Ashton-under-Lyne, Lancashire, England, Oct. 28, 1831; baptized Dec. 29, 1848, and emigrated to Utah in 1853, settling at Nephi, where he resided until the spring of 1859, when he came here with the first settlers of Moroni, where he shared in the trials and privations endured by those sturdy pioneers, through failure of crops, grasshoppers, Indian wars, and many other troubles met and overcome by frontier settlers in those early days. He was an honored member of the High Priests' quorum, a good Latter-day Saint, firm in his testimony to the truth of the Gospel, an honored citizen. Two sons and six daughters survive him, two wives and four children having preceeded him to the great beyond.

Farmers are busy securing their beet crops, which, it is thought, will be somewhat better than expected.

No mercury, no minerals, no danger in Hollister's Rocky Mountain Tea. The greatest family tonic known. Brings good health to all who use it. 35 cents, Tea or Tablets. Ask your druggist.

LA GRANDE, ORE.

FINE RUN OF SUGAR FACTORY

Prosperous and Thriving Community—Great Yield of Grain.

Special Correspondence.

La Grande, Union Co., Or., Oct. 5.—The quarterly conference passed into history and made another nice memory. Elders Hyrum M. Smith and Louis A. Kelsch were present.

The convention of the Y. M. and Y. L. M. I. A. was held here a few days ago. We had as visitors from Salt Lake, Elder Moses W. Taylor and Sister Mattie H. Tingey.

The other evening the members of the La Grande ward made a splendid hit by surprising the Bishop, George Stoddard. A handsome present of a set of Church works was made this noted gentleman. A program was given after which refreshments were served and a general good time had. The "Mormon" quartet made music for those present, such as is seldom heard.

SUGAR FACTORY RUN.

The sugar factory is running better this season than at any time in the past. The beets are good and the factory people contemplate a good run. While we have suffered with the general drouth, this section has suffered perhaps less than any other within many miles. The wheat crop is generally good. Much has yielded 50 bushels per acre and some few places as high as 60 bushels per acre. It is stated by one who claims to know that this valley will average 33 bushels per acre. It is estimated that this valley yielded 1,000,000 bushels of small grain this year.

Immigration continues to come this way. Many from Idaho and some from Utah and Montana. To see is to know, to know is to move here.

The fall grain is coming up and looks exceptionally well, and the prospects for a heavy yield are so far very good. There is no place in the west that can excell this section for fall grain. It requires absolutely no attention further than to plant and harvest.

Bishop John A. Abbott of Cove had a very narrow escape of losing his life. He was riding on a large log, which had been loaded on to a wagon. The load was too great for the team to handle, and it began to run down the hill faster than the Bishop thought was good, so he jumped off, and slid down the hill until his foot was caught under the wheel and his heel cut off absolutely. Had he slipped just a little farther he would have been no more. He is doing well, and we hope will soon be at his post.

The long-talked-of "Belt Line" will be built yet this fall. We are reliably informed that active work will begin within two weeks. This will prove of great worth to the east end of the valley. The tonnage is great and can hardly be handled by team.

Consumptives Made Comfortable.

Incipient consumption is cured by Foley's Honey and Tar, but we do not hold out false hopes to consumptives by claiming that it will cure this dread disease in the advanced stages; but if the lungs are not too far gone Foley's Honey and Tar will effect a cure, as it stops the racking cough and soothes the inflamed air passages giving them a chance to heal and even in the advanced stages it always gives comfort and relief. A. A. Herren, of Finch, Ark., writes: "Foley's Honey and Tar is the best preparation for coughs and lung trouble. I know that it has cured consumption in the first stages." Sold by F. J. Hill Drug Co.

"DRUNKENNESS"

CIGARETTE AND TOBACCO HABITS CURED BY

TRIB

Each package contains a full four weeks' treatment and GUARANTEE a cure in every case. Price, $12.50.

"TRIB" cleans the entire system. The examination of the bath water after a few days' treatment will at once convince you of this fact.

T. F. Ledger, 319 Seneca Street, Seattle, Wash., writes:

"You ask me what I think of "TRIB." Well, it is the greatest discovery for cleaning out poison blood and system on earth. I took it with the idea that if it cleared the system of tobacco and alcohol poison, it also would do the same thing to blood poison of which I have been a sufferer for years, and I can truthfully say it has served the purpose after spending hundreds of dollars on worthless advertised remedies for blood poison as well as a cure for tobacco and liquor habits. Inquiries cheerfully answered if stamp is enclosed.

It is our belief that no remedy upon the market today will come nearer leaving your system after treatment as pure and clean as that of a new born babe, as "TRIB" will. A trail will at once convince you that "TRIB" is all we claim for it.

BOWLING SEASON IS IN FULL SWING.

Business Men and Tuxedos Started the Balls Rolling Last Night.

THE FORMER WERE VICTORIOUS

First of a Series of Contests for the Championship of Salt Lake—Good Scores Made.

The Palace alleys accommodated a large crowd of enthusiastic howlers last night when the opening of the local bowling season took place with a contest between the Business Men and the Tuxedos.

It was 8:15 when the first ball was rolled down the alley. Then the contest waged fiercely, the Business Men finally securing two out of three games, giving them the lead over the other league teams.

Zimmerman and Talamantes were the first to send the balls spinning down the alleys and each team scored a spare. The first strike of the evening was made by a Business Man, C. S. Williams. G. Smith performed a like feat for the Tuxedos.

The Business Men had a safe lead at the end of the first game but the Tuxedos got busy and captured the second game. The third and last was taken by the Business Men. The final score was 2,607 as against 2,534. Considering it was the first game of the season, the scores are regarded as being pretty good.

The man to make the highest average was A. W. Smith of the winning team. His average was 205. The single high score goes to Forbes, who made 213 for the first game.

This evening the Crescents and Senators will line up for the second game of the season.

A detailed score of last night's games follows:

DENVER IS STRONG.

Has a Formidable Defense That Will Make Victory Difficult to Win.

Cummings field has not seen a real old football struggle in which the winning team could figure its winnings only in small margins, and in which there was fighting for every yard gained, in several years, and the feeling that Utah should find some team near enough to her class to make the struggle interesting is growing steadily. Saturday next, perhaps, the best opportunity of this season will be afforded to see such a game. From the latest "dope" obtainable Denver appears to have the best team of its history. The strength of the team is in its line, where is also the weakness of the Utah team. "We need heavy men for the line," has been Maddock's cry from the start, and now the question of why Hennessey, Nebeker and a number of other men quit the squad is assuming the shape of a positive demand for their return.

If Utah does anything to Denver it will be because her backfield is speedy enough to keep the ball in Utah's hands and allow her to play her brilliant offensive style for the whole time. On the other hand, if the team is forced extensively to the defensive, the light Utah line may afford a means of allowing Denver to break Utah's chances of playing the season through without being scored against.

Saturday last Denver played Colorado College a nothing to nothing game, while Wyoming suffered a defeat from the School of Mines at Golden, almost as heavy as that meted out to them by Utah, the score being 28 to 0, as compared to Utah's score of 31 to 0.

Maddock's squad this afternoon will line up for scrimmage against the soldiers, and tomorrow afternoon All Hallows will play them a scrimmage game. These two heavy practises, with lighter signal practise Thursday and Friday will constitute the work of the team preparatory to the big game Saturday.

Pacific Coast League.

Los Angeles, Oct. 16.—In a featureless, uninteresting game, Los Angeles today defeated Tacoma. Nagle and Fitzgerald allowed five hits each, but the former had the better of it, keeping them scattered. Both were wild at times, Nagle giving six bases on balls and Fitzgerald five.

Score:	R.	H.	E.
Los Angeles	4	5	1
Tacoma	1	5	1

Batteries—Nagle and Eager; Fitzgerald and Hogan.

Umpire—Perrine.

Players Rewarded.

Philadelphia, Oct. 16.—As a reward for winning the American baseball league championship pennant, the eighteen players of the Philadelphia club were today presented by President Shibe of that club with $5,131.16 to be divided equally among the men. This is the amount of the Philadelphia club's portion of the receipts for the first four games of the world's championship series with the New York National league club. The Philadelphia players also received $6,840.46 as their portion of the receipts of the world's series allotted to them by the national commission.

DAVE BARRY'S ANSWER.

Good Story on Fighting Irishman as Told by Jimmy Britt.

Here is a story told by Jimmy Britt on Dave Barry, the fighting Irishman, who was knocked out by Mike Schreck at the Salt Palace last July:

"You've all heard of Dave Barry, the California scrapper. Well, Barry is not particularly well educated, but he is an Irishman and possesses the regulation Irish wit. While he was working his way up in the fighting game he was pounding iron at the Union Iron Works in Frisco. When not actually engaged in a scrap he was wrestling with the iron at the foundry.

"As Barry gained in reputation as a scrapper he wanted to shake the iron business. In fact, after each fight Barry was more reluctant to go back to the foundry. He finally got so mixed up in the game that he was of little use at the foundry. Whenever he could he would sneak out into the foundry yard, select a lilac, cool spot and smoke his pipe.

"While he was enjoying his 'stickey' one morning Irving M. Scott, the millionaire proprietor of the iron works, happened along. He saw Barry sitting there and accosted him something like this:

"'What are you doing there?'

"'Oh, I'm havin' a bit of a rest,' replied the Irishman.

"Mr. Scott was nonplussed at the frank answer and he sent the following hot shot at him:

"'Do you know who I am?'

"'Indade, I don't,' replied Barry.

"'Well, I'm Mr. Irving M. Scott.'

"Barry held out his hand.

"'The millionaire proprietor of these works,' continued Mr. Scott.

"Barry grabbed Scott's hand before the millionaire could draw back.

"'Well, I'm glad to mate yez,' he said. 'I'm Misther Barry, the pug.'"
