Card of Thanks.

Through a letter from Leipzig in Saxony, the parents of Brother Peter Fournel, who died in the Twentieth ward on September 27th, this year, wish to express to the Bishop and the Saints of the Twentieth ward, as also to all others who rendered their kind services during the sickness, death and funeral of the departed, their deep-felt thanks, and they wish that the Lord may reward them, inasmuch as distance makes it impossible for the parents to express their grateful feelings personally.

Seventies' Meeting.

The Tenth quorum of Seventies will hold their regular monthly meeting at the Ninth ward meeting house tomorrow, Thursday, November 8, at 7:30 o'clock. Some of the first presidency of Seventies will be in present. Full attendance is desired.

The Next House.

WASHINGTON, Nov. 7.—Chairman Faulkner gives the Republicans 2[illegible] members of the House, the Democrats 142, the Populists 6, doubtful 8. By states, this would give the Democrats 12, the Republicans 27, the Populists 1 and doubtful 3—Colorado, Idaho and Wyoming.

Montana Goes With the Rest.

HELENA, Mont., Nov. 7.—Chairman Lant states that Hartman, Republican, for Congress, and Hunt, Republican, for associate justice, are undoubtedly elected. He claims the legislature is Republican by fifteen on joint ballot.

"Silver" Bland Defeated.

JEFFERSON CITY, Mo., Nov. 7.—Dick Bland is defeated for Congress in the Eighth district.

New Jersey Solid.

JERSEY CITY, N. J., Nov. 7.—Chairman Wooley of the Republican county committee claims the election of McEwen, Republican, to Congress, over Col. Stevens, Democrat, by a majority of 800. If verified this will give the Republicans the entire New Jersey delegation.

Planting the Standard.

All hail Columbus! Behold the great navigator as he lands. The perils of the deep are past! The clouds of fear have vanished. The night of gloom has ended. In the heavens the sun of success shines resplendent. Morning has dawned.

Imperiously the banner of haughty Spain greets the daylight. Upon its fluttering folds are inscribed the destinies of a new world. Its gleaming surface marks a long advance in the evolution of the human race. It tells a story of prophecy unequalled, of development unapproached in the fullness of recorded time. It crowns with triumph the efforts of genius.

The World's Fair contained no finer statute of the great discoverer than this colossal figure. It commanded from its pedestal, the eastern entrance to the Administration building. The majesty of its dimensions, the vigor and aggressiveness of its expression and the artistic finish of its composition made it admired as a genuine sculptural triumph.

Another Standard Proudly Displayed

at the Fair was that of

Dr. Price's Cream Baking Powder

A Standard of Excellence for Forty Years.

It was the standard of unequalled strength, perfect purity and wholesome results. The award to Dr Price's of highest honors at the Fair furnishes conclusive evidence of its superiority over all other baking powders.

SCANDINAVIAN NEWS BUDGET.

(Prepared from Special Correspondence for the DESERET NEWS.)

SWEDEN.

The new magnificent cathedral of Skara was dedicated Friday, Oct. 26, in the presence of the king, the archbishop and a large number of prominent clergymen.

Mrs. S. Lindberg, of Stockholm, celebrated her 100th birthday. She is in good health, and looks to be not older than 75 years.

C. A. Allstrom, a wealthy real estate owner of Stockholm, has mysteriously disappeared. Foul play is suspected.

A. Anderson, of Knillorp, the former congressman from the southern Visholo district, died at the age of 74 years.

As the rivers of Sweden are rich in waterfalls, water power constitutes the motive element in a large number of works especially within the mining districts, and the water motors, both waterwheels and turbines, have technically and economically gained a high degree of perfection. Among the workshops, where the manufacture of water motors is made a specialty, may be mentioned the Arboga engineering works; the Soderhamn engineering works; the Karlstad foundry, and others.

NORWAY.

The Fredrikstad election district was conquered by the conservatives.

The steamer "Agne" was wrecked off Kristiansand. The crew was saved.

The new cure for diphtheria has been tried with great success at the Ullevold hospital.

The party of the right has won a splendid victory in the Smaalenenes election district.

DENMARK.

C. Rimestad, a prominent lawyer of Copenhagen, died at the age of 84 years. R. had been a member of the Danish Folketing.

Small-pox is raging epidemically at Aarhus.

The party of the right has a small majority in the Danish Folketing.

Dr. Tuderning, the managing editor of the Copenhagen *Advertiseren*, was arrested the other day accused of blackmailing. By threatening to publish some damaging facts as to the moral conduct of the wife of a Danish merchant he tried to obtain 5,000 kroner from her husband. For some reason, however, the scheme did not work, and T. was arrested.

A lodging house for the homeless will probably soon be built in Copenhagen.

A bill has been introduced in the Folketing by the government asking for a yearly allowance to the Princes Waldemar and Christian. The bill will probably be defeated.
