MUNICIPAL MATTERS.

City Council Refuses to Pay a Fancy Price for Street Lighting.

PEOPLE PAYING TOO MUCH NOW.

City Attorney Says that the Gas Company's Charges Are Not Only Excessive but Illegal.

The City Council at its meeting last night, Diehl presiding, refused to accede to the demands of the Salt Lake and Ogden Gas and Electric Light company for lighting the streets for another year. The matter was brought directly before the Council in the reading of the following communication which had been sent by the company to the committee on improvements:

Complying with your request for a bid for street lighting we herewith make you the following offer: To furnish you 2,000 candle power series arc light at the intersection of streets, [illegible] $11 each per month, [illegible] $10.50 each per month.

In connection therewith the following report was read and unanimously adopted:

Your committee, after due consideration, think that [illegible] per month, the amount charged in the last contract, is a fair price. We therefore recommend that the bid of said company be not accepted.

E. H. CALLISTER,
M. T. MULVEY,
W. F. O'MEARA.

PETITIONS AND COMMUNICATIONS.

Letters were referred and filed from Senator Cannon and Congressman Allen acknowledging the receipt of the resolutions of the Council concerning the Trans-Mississippi exposition at Omaha.

I. Barton and five others sent in a petition asking that the treasurer be instructed to take no further steps to collect sewer tax on Peach street until a committee is appointed to investigate the needs of the sewer. [illegible] the committee on sewerage.

The Utah and Pacific Improvement company notified the Council of its acceptance of the franchise granted it by the ordinance passed on March 31st, giving right of way to the company through certain streets. The acceptance was signed by George Q. Cannon, president, and Abraham H. Cannon, secretary of the company.

John W. Hill petitioned for the release of a tax sale without costs. The property involved is lots 47, 48 and 49, in block 9 of City Park subdivision of blocks 20, 21, 29 and 28. This was referred to the city attorney.

The Brigham Young Trust company asked for permission to connect their building on Commercial street with the main sewer on First South street. The building has been drained by a private pipe that has become clogged, and the sanitary inspector ordered a change made at once. On motion of Bockle, permission was granted.

The city recorder reported that no bids had been received for the lease of city lands near the penitentiary. Referred to the committee on public buildings and grounds.

ILLEGAL GAS CHARGES.

City Attorney McKay then submitted the following opinion on the gas question:

The New Light.

Now on exhibition at the Young's [illegible] (old Wasatch block) is attracting no little attention and crowds are there to witness each evening's exhibition. There is no question about the light being the best light known, [illegible]. A few states left, and the men who wishes to make money will investigate it [illegible] territory. Ladies and gentlemen invited.

The Weber Coal Co.

Sell coal by the sack, ton or carload, from the Wasatch and [illegible] mines at Coalville, [illegible] Office No. 104 S. Main Street. W. J. Montgomery, Agent. Tel. No. 144.

SEWER CLAIMS AGAIN.

The sewerage committee reported as follows on Holt & Sons' claims, which was discussed for a short time and adopted:

[illegible]

A PERSONAL CLASH.

A discussion arose as to what disposition to make of the report. Judge McKay responded that he would not give an opinion without consideration. The whole sewer business was something he did not understand. The contractors presented a claim for extras and some of the members of the sewer committee declared that the claim was unjust, still the amount passed over the Mayor's veto.

Bockle then demanded that the city attorney name the member who said the contractors were not entitled to anything and voted for it.

Judge McKay arose and said, "This member was Mr. Bockle himself."

Bockle then sprang to his feet and said that he had no recollection of such a conversation with the judge and thought that he must have a very fertile imagination to make such insinuating remarks.

MISCELLANEOUS.

City Engineer Kelsey reported for the quarter ending March 31st: Receipts, $233.19; disbursements, [illegible]; disbursements by vouchers, [illegible].

C. F. Mulley, street supervisor, reported expenses for March, [illegible]; credits by waterworks, board of public works, [illegible]; net expenditures, [illegible].

J. H. Dailey, superintendent of waterworks, reported the pay roll and other expenses of March at [illegible].

John O. Malin, pound-keeper, reported for the quarter ending March 31st: Head impounded, [illegible]; head sold, [illegible]; charges on sale, [illegible]; amount received, $114[illegible].

Liquor licenses were granted to [illegible] Hasler, [illegible] & Co., 17 west Second South; J. Levy & Co., [illegible] south State; M. E. [illegible] & Co. [illegible] for the manufacture of malt liquors, for Salt Lake City Brewing company.

The committee on Jordan canal and irrigation reported on the claim of N. A. Nelson for damages to his property and his request that the Council construct drainage ditches to relieve his property from seepage. The committee recommended that the drains in question be not built, and that Nelson be paid the $100 previously appropriated in full of all claims he has upon the city. Nelson had previously refused to accept this amount. The report was adopted.

The committee on fire and police reported in favor of confirming the nomination of W. C. Stoney as police court clerk. Unanimously adopted.

The committee on joint building [illegible] reported that the State had appropriated $230.29 for the light service during the legislative session.

The committee on finance reported on the request for one additional desk sergeant, one more mounted officer and four additional patrolmen. The committee recommended the granting of the request as to one additional desk sergeant, but the refusal of it as to a mounted officer and four patrolmen.

O'Meara moved to amend the report by allowing two additional patrolmen for service at the depots, but the motion was lost and the report of the committee adopted.

Dale then [illegible] to the extras allowed the gravity sewer contractors. He introduced a resolution [illegible]

The resolution was lost by a vote 9 to 5.

O'Meara took the floor and denounced the retrenchment [illegible] which he said was a mere sham and a fake. He also stated that while the mayor urged economy in his message [illegible] extravagance. [illegible]

Bockle then arose and acknowledged that matters were drifting backwards and was sorry to admit that the remarks made by O'Meara were true.

Hewlett reported the new ordinance regulating plumbers' license. Referred to city attorney.

Dale moved to have $3,629.81 placed on the appropriation list payable to Judge Powers, Samantha Sullivan's attorney. Carried.

The Council then adjourned until the usual hour next Tuesday evening.

THE CITY'S CASH.

Municipal Receipts and Disbursements for the Month of March.

The following statement of the receipts and disbursements of the city's cash for March was presented to the City Council last night by Auditor Swan and referred to the committee on finance:

A SICK PERSON'S LIFE

Often depends on two men—the doctor and the druggist. When sickness comes, you send for a physician—the very best you can find. He writes a prescription, your recovery depends on that and something else. The something else is the druggist. A good druggist uses good, pure, fresh drugs. He has experienced men, who make no mistakes. He fills prescriptions just like the doctor wants them filled. No druggists, we believe, are more careful and competent than we are. If you bring prescriptions to be filled, we will give them the most careful attention. We will fill them right.

Our prices are moderate. The lowest [illegible] than the best elsewhere.
