Denver Field and Farm: Cattle have been shipped out of Mohave county, Arizona, at a lively rate during the past two weeks. Ranchmen have sold about all the stock, strong enough to round up, to buyers from Colorado, Kansas, Wyoming, Montana and the Dakotas. The average price is said to have been about $[illegible] per head, which is $1 or $2 less than was paid for the same class of cattle last season. The railroad boys say that many of the cattle are so thin and weak that they can hardly walk up the chute into the car. It is feared that many will die before they reach their destination.

A yachting party consisting of E. A. J. [illegible], Captain F. Koster, James P. Devine and Frank A. Early next morning, when off Point Pinole, in San Pablo bay, with a strong ebb tide running and a heavy sea, young Coulter went forward to assist Captain [illegible] haul in the main sheet. The yacht heeled over and Coulter was thrown overboard. The yacht was brought about, in the meantime the painter of the yawl being cut and an attempt made to rescue Coulter. Owing to the strong tide and heavy sea and the inability of Coulter to swim, he sank before the yawl could reach him. He was about 25 years of age, a painter by trade, and resided in San Francisco.
