OUR OWN STATE.

fifty teachers came from Cache, and nearly the same number gathered from the various parts of Boxelder county. The institute meetings have been held in the beautiful and commodious rooms of the First ward meeting house, through the courtesy of Bishop McMaster. Prof. Frank B. Cooper, Supt. of schools of Salt Lake City, more than filled the teachers' expectation in his talks and lectures on the various professional and inspirational topics which he has treated. His talks grew in interest, and the teachers have drawn from them much that will help, inspire, and give renewed courage to go on in their oftimes arduous labors. Mrs. Horne has been of especial help to the primary teachers, giving of her extended experience to them. Monday evening she delivered an illustrated lecture on Houshold Decorations to a large audience in the tabernacle. Deputy State Supt. of Public Instruction, Prof. W. G. Roylance has been in attendence part of the time and has given to the teachers some of his unconventional ideas on education.

Tuesday evening the teachers gathered for a good social time and to get acquainted. After a short extemporaneous program had been rendered the teachers adjourned to the lower room of the building, where they found a long table loaded with a bounteous supply of Brigham's famous fruits—melons, peaches, etc. The Brigham military band discoursed sweet music and the teachers ate melons. Then the partition wall of strangeness came tumbling down and everybody soon become acquainted with everybody else.

Wednesday evening Prof. Cooper gave a most interesting lecture in the tabernacle to an audience of parents and teachers.

The Third ward of this city has conducted a very successful bazar in the opera house during the past week.

PAYSON.

"Smallpox" is Still Prevalent—Reservoirs Appreciated This Season.

Special Correspondence.

Payson, Utah Co., Aug. 24.—Albert Allspach, the fourteen-year-old son of Fred Allspach, who was operated on for appendicitis last week, is recovering very rapidly. His escape from death seems almost miraculous, as it was a severe case.

'SMALLPOX" STILL PREVALENT.

There are still several cases of "smallpox" in town, and it is feared that it may cause much trouble during the coming winter, as it has been so mild in most cases that people have taken little pains to prevent its spread, the quarantine regulations having been largely ignored.

RESERVOIRS APPRECIATED.

Payson is beginning to sense the value of her reservoirs in the canyon now that they are nearly dry and the streams are deminishing almost to nothing. We have not suffered greatly from drouth, but it is very evident now that crops here would have been almost a failure without the reservoir water.

The R. G. W. baseball team defeated our local team here yesterday in a match game. Scort 6 to 10.

EUREKA.

Democrats Elect Delegates to State Convention by Ballot.

Special Correspondence.

Eureka, Aug. 26.—The Democrats of Eureka held an election yesterday and named the following delegates to their State convention at Salt Lake City: John T. Harrington, Frank H. Holzheimer, L. C. Doty, Dan Martin, Arthur M. Bowen, George W. Riter and Dan B. Cronin.

A mass meeting of the party was held Thursday night, at which it was unanimously decided to try the new method of electing delegates by ballot, and sixteen nominations were placed on the ticket, seven to be voted for with above result. The polls were open from 3 to 8 p. m. The plan worked perfectly, and will no doubt be the custom here in the future. The only qualifications required of those who voted were that they were Democrats, and qualified to vote at the November election.

Dave Mills, Chas. Hulsh, Tom Haynes and Francis Hanson, who have been to the Yellowstone National Park on a pleasure trip of three months, returned home yesterday.

Miss Mary Helen Spilman, a sister of C. F. Spilman, the manager of the Tintic mines, returned yesterday to her home at Crawfordsville, Ind., after a two months' visit with her brother.

VERMILLION.

Death of Richard S. Zufelt—Crops are Short.

Special Correspondence.

Vermilion, Sevier Co., Aug. 24.—After about a year's suffering with paralysis Richard S. Zufelt passed away on the 23rd of this month. He was 38 years old; the first day of last April, and leaves a wife and seven children, who have the sympathy of the community.

The crops are short here this year on account of the drouth. All the water in the Vermilion wouldn't fill two furrows.

The hum of the thresher is being heard, but it cannot eat any lucern seed this year on account of grasshoppers taking it in this place.

BLOOMINGTON.

Fair Grain Crop—Rain and Flood on Rio Virgin.

Special Correspondence.

Bloomington, Washington Co., Aug. 22.—Threshing is done and most of the grain turned out very fair, but the drouth caused some of the grain to shrink.

We had a nice rain here on the 13th that made the verdure brighten up considerably. A big flood came down the Rio Virgin, and many ditches and canals are in a bad condition. Our canal was not damaged much and we have the water in again.

ORANGEVILLE.

Will Arbitrate the Water Question—Funeral of Samuel Jewkes.

Special Correspondence.

Orangeville, Emery Co., Aug. 24.—We have recently had three extraordinary meetings here. On Sunday, the 19th, Stake Presidents R. C. Miller and J. H. Pace, in company with Apostles J. H. Smith and A. H. Lund held meeting at Castle Dale in the afternoon. In the evening they spoke to the best filled house of interested listeners that has assembled in Orangeville for a long time.

WILL ARBITRATE THE WATER QUESTION.

The brethren were requested to remain a short time after the meeting, when Elder Smith explained that there was impending trouble between the people of Orangeville and Castle Dale over the irrigating waters. A committee of ten representative men from Orangeville were chosen to meet with a like number selected at Castle Dale with the Apostles to talk over the matter and try to settle it peaceably. Accordingly they met at about 9 a. m. Monday in the meeting house at Castle Dale, Apostle Smith presiding. The meeting resulted in an agreement to have a friendly suit at law to determine title to the waters. A committee consisting of J. K. Reed, J. W. Killian and Orange Sealey where appointed by the voice of the meeting to bring about this friendly suit, and to petition the court to appoint Apostles Smith and Lund and President R. C. Miller arbitrators in the case.

FUNERAL OF SAMUEL JEWKES.

Yesterday the people of Orangeville assembled to pay their last respects to Elder Samuel Jewkes, who died the night of the 20th. Brother Jewkes was 77 years old and has been an energetic pioneer and leading spirit as a Sunday school worker, choir leader, mill builder and operator, etc. A goodly number of his old friends from Huntington and Castle Dale were present at the funeral services, several of whom spoke briefly of the faithful labors and sterling qualities of the deceased.

PARIS, IDAHO.

Magnificent Academy Building—Favor Ladies in School Affairs.

Special Correspondence.

Paris, Bear Lake Co., Idaho, Aug. 24.—This is a thriving town of two thousand inhabitants, the majority of whom are Latter-day Saints. That those of the class named are enterprising is being practically demonstrated in the erection of a magnificent academy on the hill west of town. A more suitable location could not have been chozen. It is expected that the building will be completed in time to hold school in it this winter.

Teachers' examination is being held today under the direction of Bear Lake's very efficient lady county superintendent, Mrs. Annie Osmond, who, by the way, is a native of Utah.

Idaho has shown the ladies more consideration than Utah in the division of the public offices. Here, of the twenty-three counties, eighteen have lady superintendents, and the State superintendent of schools is a lady.

HAILEY, IDAHO.

Prosecutions in the Interest of Timber Reserves.

Hailey, Ida., Aug. 23.—James Huston, special agent United States land department, arrived in town yesterday, coming from Fremont and Bingham counties. He reports that action has been begun against Eccles, Spencer & Co. of Fremont county for $13,000 for violation of the timber laws, and another against the St. Anthony Railroad company of same county for $20,000.

Mr. Huston is now investigating the origin of the forest fires near this place. He says the department has been caused much trouble by the wanton destruction of the forests, the result of carelessness or viciousness on the part of persons building fires on the public domain. The department is now exerting itself to bring such guilty parties to justice. Mr. Huston is much in earnest, and if he is able to secure the proper evidence, prosecutions will surely follow.

ROCK SPRINGS, WYOMING.

Heavy Rain and Slight Frost—Mine Work Booming.

Special Correspondence.

Rocksprings, Wyo., Aug. 23.—We had a heavy fall of rain here on the 21st, the heaviest fall of rain we have had for a long time and on the morning of the 22nd we had a slight frost. Today it is very cold with high wind from the northwest.

Sweetwater mine No. 2 is now working steady with prospects of working there from now until spring. At present there are employed in and outside of the mine 223 men; Sweetwater Coal Company is making preparations to double the output of coal so they will need double the number of men they have at present.

A new Union Pacific depot is in course of erection, when completed it will be the best between Omaha and Ogden.

Story of a Slave.

To be bound hand and foot for years by the chains of disease is the worst form of slavery. George D. After using two bottles of Electric Bitters she is wonderfully improved and able to do her own work." This supreme remedy for female diseases quickly cures nervousness, sleeplessness, melancholy, headache, backache, fainting and dizzy spells. It is a godsend to weak, sickly, run-down people. Cure guaranteed. Only 50c. Sold by Z. C. M. I. Drug Dept.
