THE MAN

IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WHO, SEE BY EXAMINING THE MAP, THAT THE

CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST & THE WEST.

Its main line runs from Chicago to Council Bluffs, passing through Joliet, Ottawa, La Salle, Princeton, Moline, Rock Island, Davenport, West Liberty, Iowa City, Marengo, Brooklyn, Grinnell, Des Moines (the capital of Iowa), Stuart, Atlantic and Avoca; with branches from Bureau Junction to Peoria; Wilton Junction to Muscatine; Washington, Fairfield, Eldon, Belknap, Centreville, Princeton, Trenton, Gallatin, Cameron, Leavenworth, Atchison and Kansas City; Washington to Sigourney, Oskaloosa, and Knoxville; Keokuk to Farmington, Bonaparte, Bentonsport, Independence, Eldon, Ottumwa, Eddyville, Oskaloosa, Pella, Monroe, and Des Moines; Junction to Monroe; Des Moines to Indianola and Winterset; Atlantic to Lewis and Audubon; and Avoca to Harlan. This is positively the only road, which owns, and operates a through line from Chicago into the State of Kansas.

Through Express Passenger Trains, with Pullman Palace Cars attached, are run each way daily between CHICAGO and PEORIA, KANSAS CITY, COUNCIL BLUFFS, LEAVENWORTH and ATCHISON. Through cars are also run between Milwaukee and Kansas City, via the "Milwaukee and Rock Island Short Line."

The "Great Rock Island" is magnificently equipped. Its road bed is simply perfect, and its track is laid with steel rails.

While you are at your meals you will be the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of the magnificent Dining Cars that accompany all Through Express Trains. You get an entire meal, as good as is served in any first-class hotel, for seventy-five cents.

Appreciating the fact that a majority of the people prefer separate apartments for different purposes (and the immense passenger business of this line warranting it), we are pleased to announce that this Company runs *Pullman Palace Sleeping Cars for sleeping purposes, and Palace Dining Cars for eating purposes.*

PULLMAN PALACE CARS are run through to PEORIA, DES MOINES, COUNCIL BLUFFS, KANSAS CITY, ATCHISON, and LEAVENWORTH.

Tickets via this Line, known as the "Great Rock Island Route," are sold by all Ticket Agents in the United States and Canada.

Dr. Stinson's Asthma Remedy is unequaled as a positive Alterative and Cure for Asthma and Dyspepsia, and all their attendant evils. It does not merely afford temporary relief, but is a permanent cure. Mrs. B. F. Lee, of Belmore, O., says of it: "I am surprised at the speedy effect of your remedy. PERFECTION BAKING POWDER.

We respectfully call the attention of the Public to the following analysis:

Laboratory of the Health Department, Chicago, Aug. 5, 1880.

OSCAR DE WOLF, Commissioner of Health.

Dear Sir—I have made a very careful and elaborate chemical analysis of twenty-seven samples of baking powders received from the hands of Mr. Merkl, your clerk, and have the honor to report the following table of figures:

	Soluble Ash.	Insoluble Ash.	Total Ash.
PERFECTION,	29.00	0.06	29.06
DR. PRICE'S CREAM,	28.18	0.12	28.30
ROYAL,	28.10	0.12	28.22

A known and weighed quantity of baking powder was incinerated in a silver crucible until only a gray residue was left. This is the total ash. It was carefully removed to a glass vessel and treated carefully with hydrochloric acid and distilled water at the boiling point. What was left in that operation has been called a double ash, and that which did not dissolve ash. I hereby certify that I have every respect, R. G. PARKER, Chemist of the Health Department.

We have always claimed that the Perfection is the highest grade of baking powder that can be produced from cream tartar and soda. Respectfully,

SPRAGUES, WARNER & GRISWOLD, CHICAGO.

Correspondence.

PAROWAN, Nov. 22, 1881.

Editor Deseret News:

A few words in relation to the temporal and spiritual welfare of the people of this part of Iron County might not at this time be without interest to a number of the readers of the NEWS. Our mercantile and manufacturing institution, which includes the Co-op. store, tannery, shoe shop, harness shop, cabinet shop, steam sawmill, etc., has done a fine business the past year, and on the first Monday of the present month the officers of the company declared a dividend of 30 per cent. Dry goods have been sold very reasonably, many articles cheaper than they could be bought at retail in Salt Lake City. Your humble servant was present, by invitation at a board meeting of the directors, when it was decided to still further reduce the price of goods and wares. One gentleman of extended knowledge in business matters who, like myself, was present by invitation, remarked that no other institution in the Territory had such talent to manage it at so low a price. A majority of the board were of the same mind, for they voted an advance of wages to the superintendent, Bro. Charles Adams, and to the head clerk and secretary. Bro. M. Richards, Jr., 50 cents per day, which not at that, but at a subsequent meeting of the directors, they refused to accept, stating that they were doing very well with the wages they were getting, and would wait awhile. I recommended this course to the brethren named, they are honest humble men making no pretensions to great financial ability, yet they are very capable and manage well. This is the kind of ability we want to take care of our institutions in Zion, not that kind that President Taylor referred to a few years ago that took all the wool and part of the hide to repay it for its wonderful talent, neither do we want too large dividends. This thing must be watched and guarded also, that justice may be done to all parties concerned. Let the spirit in which our temporal institutions were started by President Brigham Young be carried out by all persons connected with them, and feel that they are laboring for the cause and people of the Saints, and for all who love and desire the right; let us do this in the fear of the Lord, and the masses will be blest and comforted, and God our father will prosper us in the land unless this spirit is manifested by those who control our different institutions high pretentions otherwise will end in no good among the Latter-day Saints.

Brother William Adams presides over and watches with care, the Mercantile & Manufacturing Institution of this place; the other directors are Wm. C. Mitchell, Edward Dalton, John E. Dalley and Richard R. Robinson.

On the 14th inst., at a meeting of the stockholders of the Parowan Co-operative Cattle Herd, called for that purpose, a dividend of 29 per cent was declared. The directors of the cattle herd are Stephen S. Barton, Simon Tapham, Wm. H. Holgood, Niels Rasmussen and Wm. Dalley.

I believe the Saints of the Parowan Stake of Zion are improving in faith and good works. Some who have been out of the Church for years have returned within the past year. They confessed their faults, and the brethren and sisters restored them to their fellowship again. They seem to feel much better now, and it is to be hoped they will continue in well doing and redeem themselves from the failures of the past.

Thomas Jefferson Jones who assumed the presidency of this Stake in March last, is fast gaining the good will and respect of everybody. He seems to be a prompt, straightforward man.

The erection of a woolen factory is still being agitated. Books are open for subscriptions, and a committee appointed to canvass the county of Iron.

Peace and good will prevail, and the general health of the people is excellent.

Respectfully, etc.,

WM. C. MOUNTAIN.

Castaway.

A SKELETON FOUND IN THE SOLITUDE OF THE DESERT.

A few days ago, while traveling over the dazzling expanse of the American Desert, about 50 feet from the surveyed line of the Salt Lake & Western Railroad, about 15 miles from Fish Springs, between the south end of Dugway Mountain and the north end of the Fish Spring Range, I came unexpectedly across a strange object. On close inspection, I found it to be the remains of a young man.

The sudden discovery had a very startling effect upon myself and my companions who soon gathered around the lonely spot where lay the last of the mortal coil of a human being who must have perished in dreadful agonies, tortured by hunger and driven to despair by thirst. The once fine frame of the man was bleached to a snowy whiteness, as were the clothes found on and about the skeleton. In the coat we found besides numerous papers and letters, a tooth brush, a shaving-glass, lead pencil, razor, and quite a number of pocket trinkets.

On unfolding the papers which were rendered quite brittle by exposure and age, and the writing on which, partly in lead pencil, partly in ink, was almost illegible, we came across piteous appeals of the wretched castaway in the inhospitable solitude, tender summons for succor in his helpless destitution. Some of these cries from the depths of misery appeared to be directed to the address of a lady, presumably his wife. Her name was given as "Jane Badger, Fairplay, P. O., Grant County, Wis."

Some of the writing conveys the impression that the one who penned it was then laboring under the ban of that fearful mental derangement which is brought on by the torments of unquenched thirst and general privation, combined with the horrors of being thrown far away from all civilization.

One of the papers is a receipted bill and bears the only date furnishing a possible clue to the discovery of the identity of the victim of isolation. It is the year 1863, which indicates that the remains must have lain there nearly a score of years, "unknown, unwept, unsung."
