Do You Take A RIDE?

No more pleasant ride can be found anywhere than that to the suburbs Southeast of Salt Lake City. If you drive, ride home back, or use a bicycle, the nicely sprinkled roads afford continual pleasure. The popularity of the East Boulevard is attested by the hundreds of wheels and thousands of people that daily ride on it.

Why not combine business with pleasure? If you buy a home in Forest Dale, you can enjoy the ride to and from your residence that hundreds are anxious to take for pleasure alone.

What is more invigorating during these warm days than a ride on an open electric car? Try it early any morning or after your work in the evening; and then if you wish a home, buy in Forest Dale. By doing so you can enjoy the canyon breeze, and still be near your work. Can have water belonging to yourself piped to your door and still not pay city taxes. Can have the benefit of good schools, and of pleasant associations, and yet have none of the smoke and discomfort of residence in a city.

Inducements to build. Small payments and long time at low interest will be allowed desirable parties.

AN INTERESTING POINT.

Can a Person Convicted of Polygamy Serve as a Delegate?

That is the question put by Chairman Crane of Republican Territorial committee, in the form:

"SALT LAKE CITY, Sept. 19, 1894.

"Hon. J. H. Letcher, Chairman of Utah Commission:

"Dear Sir—First—Can a man serve as delegate to the Constitutional Convention of Utah if elected who has been convicted of polygamy or cohabitation of both, and served terms of imprisonment therefor, and who has never been pardoned by the President of the United States?

"Second—If convicted and punished as above suggested, and not specially pardoned by the President of the United States, since the Harrison amnesty proclamation restore him to the rights to serve as delegate to the Constitutional Convention elected?

"Please answer immediately.

"CHARLES CRANE,

"Chairman Republican Territorial Committee."

Chairman Letcher, of the Commission, has replied by citation of Chairman Crane to section 2 of the Enabling Act. He suggests also that he obtain the opinion of leading lawyers as to the construction of that act. Chairman Letcher will bring the matter before the next meeting of the Utah Commission.

The Enabling Act reads thus:

"Section 2—That all male citizens of the United States over the age of 21 years, who have resided in said Territory for one year next prior to such election, are hereby called and authorized to vote for and choose delegates to a convention to said Territory, such delegates shall possess the qualifications of such electors.

"Persons possessing the qualifications entitling them to vote for delegates under this act shall be entitled to vote on the ratification or rejection of the Constitution, under such rules and regulations as may be prescribed by the Constitution, or in conflict with this act." (Approved July 18, 1894.)

INVESTIGATION TO BEGIN.

Joint Building Accounts to be Audited by Robert Anderson.

The municipal finance committee with Councilmen Watson associated held a meeting late yesterday afternoon, which in all probability is only the of many that will have to be held before the task of auditing the accounts of the joint building committee is finished.

It was known that an expert bookkeeper was wanted, and there were many applications for the position. Nearly all posed as experts, but the committee decided that an expert of experts was necessary, and they accordingly decided to employ Mr. Robert Anderson. The committee also determined that the investigation they are about to begin must be thorough and complete, and that every bill, every item of expense incurred, from the sinking of the contract to the last piece of Interior finish work, will be required into. As a consequence, there are people uneasy enough to intimate that there already a spinking and a desire to corner up in certain quarters. But the investigation will proceed all the same. The committee will meet again tomorrow afternoon at 4 o'clock, and at that time Mr. Anderson will be given instructions as to the work before him.
