SPRINGVILLE.

HONORED PIONEER CALLED.

Mrs. Mary Wood Bagley Closes Eventful Career at 73.

Special Correspondence.

Springville, Utah Co., July 30.—Sunday, July 29 the funeral services over the remains of Mary Wood Bagley were held in the Latter-day Saints' meetinghouse. Mrs. Bagley was born in Decatur Co., Indiana, March 22, 1833. Her parents were Latter-day Saints

THE LATE MRS. MARY WOOD BAGLEY.

and moved with their family to Jackson county, Mo., in 1837. Here they passed through the trials and persecutions to which the Mormons were subjected and in 1839 were driven into Illinois and settled in Hancock county, but their home was burned over their heads and they were compelled to move to Nauvoo. When the saints left Nauvoo, Elder Wood moved his family to Iowa and here Mary met and married Daniel Bagley in 1845.

In 1853 Mr. and Mrs. Bagley started across the plains with ox teams and after three months and three days' travel, arrived in Salt Lake City and the same year settled in Grantsville, where they made their home until called by Prest. Brigham Young in 1865 to help settle the Dixie county.

In 1877 they were called from Dixie by Erastus Snow to help settle the country in Arizona. They lived in Arizona until 1895, when on account of Mr. Bagley's health, they were released and they moved to Springville, where they have made their home until the present time.

On May 1, 1906 Mrs. Bagley was taken ill with dropsy, from which she suffered greatly until death came to her relief July 27.

PARK CITY.

YOUTHFUL OFFENDERS JAILED.

Threw Red Pepper in Eyes and Mouths Of Little Boys.

Special Correspondence.

Park City, July 31.—Two vicious and incorrigible youths were in Judge Talton's court today, and received stiff jail sentences considering their age. The youngsters have caused the police no end of trouble, and if their present experience does not reform them they will be sent to the State Industrial school. The offenders, Willie Benney and John Abbey, aged 13 and 10 years, respectively, were arrested Saturday night on the charge of battery on the persons of two little boys named Maher. The two boys went to a place where some ranchers had been camping and procured a quantity of red pepper. They then caught the Maher boys and filled the eyes and mouths of the little fellows with the stuff. The Maher boys were badly burned, and suffered great pain. The judge ordered that the young culprits be confined in the city jail for five days.

The little 5-year-old daughter of Frank Hansen, Jr., fell from the porch of the residence yesterday and suffered a broken arm. The fracture was reduced and the child is resting as comfortably as could be expected.

Supt. Martin of the Park City public schools has just completed the school census of Park City. The census shows 575 girls and 580 boys, a total of 1,155 children of the school age. This number is just 17 less than shown by the census of 1905.

EUREKA.

DISTRICT COURT IN SESSION.

Many Foreigners Naturalized—Movement to Suppress Gambling.

Special Correspondence.

Eureka, Juab Co., July 30.—Judge Joshua Greenwood is in Eureka today holding a session of the district court. There are several cases to be disposed of but the main object in moving the court to Eureka was to allow a number of residents of this city to take out their naturalization papers without having to go to the trouble and expense of a trip to the county seat. About twenty-five Finlanders and Italians were admitted to citizenship today.

WOULD STOP GAMBLING.

A petition asking that Judge Greenwood call a special grand jury for the purpose of investigating gambling is now being circulated here by Udall and Berry. The petitioners call the attention of the judge to the fact that the gambling games are allowed to run openly in the several saloons and that the officers make no effort to check the evil. Attention is also called to the fact that the saloons are not closed on Sunday. Never in the history of Eureka have the saloons been closed upon Sundays and gambling has been conducted openly ever since the camp first sprang into existence.

INCREASE IN WAGES.

The increase in wages of the miners of Tintic goes into effect next Wednesday. After this date all miners will receive $3 per day, but the wages of the laborers or muckers will remain the same. Had this increase not been granted by the mine owners, a general strike would have undoubtedly been declared, and for this reason everyone here is feeling good to think that the trouble has been adjusted in a satisfactory manner for both sides. The strike rumors naturally had a bad effect upon business here, and now that the men have been granted the increase the district should take on renewed activity.

TREGONING FOR RECORDER.

William J. Tregoning has been appointed to the office of city recorder, a vacancy having occurred on account of the death of Mrs. Minnie Hanley. Mr. Tregoning will file his bond and take charge of the office on the 1st of August—next Wednesday.

ARRANGING FOR AMERICAN YACHTS

Representative of the Kaiser Has Entered Three for Races.

IS NOW AT LOS ANGELES.

Commander Hobbinghaus Gives Interesting Information on Program for International Events.

Los Angeles, July 31.—The Times today says:

One of the most prominent men in the international yachting world visited Los Angeles yesterday and left last night for Washington. This was Commander H. C. Hobbinghaus, the naval attache to the imperial German embassy at Washington.

He is the right hand man of the German emperor in all those arrangements for the contesting of American yachts in which his majesty has shown so much interest.

Commander Hobbinghaus has now another large international yachting affair in hand, and has completed arrangements for an annual tournament between three German and three American yachts. If these tournaments are sailed on the American side of the Atlantic all control of them will be in the hands of the eastern yacht club of Boston and Marblehead and when the Yankee craft compete in German waters the races will be under the auspices of the Imperial Kaiserlicher Yacht Club of Kiel.

Mr. Hobbinghaus said:

"For a long time his majesty has wished that there could be more yacht races between American and German yachts. Consequently, when Mr. Howard of the Eastern Yacht club mentioned some of the present ideas in Germany they were received with the greatest enthusiasm and it was afterward arranged that three German yachts should come across to race off Marblehead against three American yachts of the same size. This will be for a cup presented by the Eastern Yacht club. By the consent of the president the trophy will be the Roosevelt cup.

"Next year three American yachts will cross and race at Kiel for a cup to be presented by his majesty. Nine vessels have been built and raced in trial contests for the honor of being among the trio which will represent Germany at Marblehead and I think that about 18 are being prepared for test in America."

Eureka did it again at Park City yesterday, with Park City on the receiving end of a good trouncing. The score was 8 to 3. Graves was in the box with gilt-edged support and held Park City down, while the local team tried hard to fight its way out to victory. The Eureka fans are jubilant over the prospect of beating Salt Lake at the end of the week.

LOBSTERS OUT.

Ogden Baseball Team Will Play Its Last Game Tomorrow and Disband.

The Columbia club team at Ogden passed in a request for a coroner's jury yesterday, over the telephone to President Shepard of the State league. Dad Gimlin is he who declared the team a dead one, and wanted the other teams to come and "look see." Tomorrow, however, the team will play a match game with Salt Lake at Lagoon to prove how lively a corpse it is, and after that its members will be free to go where they will. Several are scheduled for Spokane where a desperate effort is being made to patch up a losing team.

The trouble between Gimlin and Dubel is said to be the cause of the rupture. Gimlin being very sore over the forfeiture of last week's games, and Dubel being very sore over the loss of players through the subterranean passages arranged by Gimlin. Murray may be asked to join the procession of the State leaguers to complete the season.

BIKE RACES TONIGHT.

This evening the festival of bike speed at the saucer track has as its principal feature a French style race between McFarland and Heady Hardy Downing. Hardy and Mac in an event of this kind try to go slower than each other till one of them suddenly takes a chance at a sneak for home, and the best sprinter wins.

If Heady Hardy had the "goods" in his heels he has in his head he would be a favorite, but as it is the piston-like action so often observed in Mac's riding, when he lets himself out, will count him as the crowd's choice for winner. Other events on the program are a three-mile lap race for professionals, a two-mile lap race for amateurs, a handicap event for professionals, and a mile open for amateurs. John Held will also be present and lead in the singing of "Come With Me Lucile."

LONGWOOD TENNIS.

Clothier Beaten by Behr, Who Will Meet Larned in Finals.

Boston, July 30.—Karl H. Behr of Yale defeated William K. Clothier of Philadelphia in the finals of the Longwood Cricket club tennis tournament today in straight sets, 6-1, 8-6, 6-4. Behr tomorrow will meet William A. Larned, the former national champion, and present holder of the Longwood cup, in the challenge round.

The Yale player caught the former Harvard expert off his game at the beginning of the match and try as he could, Clothier was unable to regain control of his strikes. Behr showed plainly the benefit of the hard work of last week and played today with a confidence and daring that carried his opponent off his feet.
