TRIED TO STOP HARRY PULLIAM

Efforts Made to Prevent Him From Going Away.

HE IS GIVEN A VACATION.

Made Ill by Constant Worry Over Baseball Row Between Various Club Bosses.

Chicago, Feb. 19.—The Record-Herald in a new item today says that when President Harry Pulliam of the National league, who has been granted an indefinite leave of absence on account of ill-health, tried to leave for his train last night, Garry Herman, Ban Johnson, John E. Brush and other friends attempted to hide his baggage and overcoat and other impediments. They pleaded with him to stay but he insisted on leaving and jumped into a cab without overcoat or baggage.

"The cabman," continues the Record-Herald, "had been instructed to drive slowly so that Pulliam would miss his train. He discovered the situation, jumped out of the cab and started to run for the Alton station. Whether he had his train or not, nobody knew. He did not return and considerable anxiety for him in his present state of mind was felt. There did not seem a possible chance for him to reach the depot on foot in the short space of time left."

GIVEN A VACATION.

Chicago, Feb. 18.—Factional strife in the National league was removed at the closing session of the magnates today, when President Harry C. Pulliam was granted an indefinite leave of absence at his own request that he might recover from the nervous strain to which he has been subjected for some time. John A. Heydler, secretary and treasurer, will act as president during Pulliam's absence.

The disagreements of President Pulliam with certain National league magnates provided material for most of the discussion during the closing hours and, while the league president was up to his proposed intention of remaining away from the meeting because he was weary of the conflict, the league representatives spoke of him as an efficient executive and voted unanimously to grant him an indefinite leave of basence.

President Charles W. Murphy of the Chicago National League club apologized in open meeting to President Johnson of the American league, who was present at the session on invitation for the purpose of telling what he knew of the attempted bribing of Umpires Klem and Johnston during the closing series in New York National clubs. The entire bribery problem proved to be so difficult of handling that it was decided that the statements of the umpires and all evidence in the hands of the special committee be turned down to the national commission for such action as they may determine.

MAY PROBE SCANDAL.

Chairman Hermann of the committee may call a meeting of the commanding powers of baseball tomorrow to get to the bottom of the scandal, but he expressed himself as undecided.

The information imparted by Ban Johnson to the National league magnates was kept secret for the time being.

It was after Mr. Johnson addressed the National league magnates that President Murphy apologized for whatever he had said in the past concerning the American league executive.

Johnson bowed his acknowledgments, and he was voted the thanks of the magnates for his efforts in behalf of the national game.

The ticket complication during the championship series in Chicago between the home team and Detroit was discussed and it was decided that the matter be investigated more fully by President Murphy and the chairman of the national committee. In handling the problem of tickets the magnates brought woe to the players by adopting the rule that no passes be issued to the latter, either to the home grounds or while they are at other cities. Provision will be made for the issuing of passes to the wives of the players.

CLUBS TO BE LIMITED.

The directors also decided to do away with the practice of giving "free ladies' days" in any of the National league ball parks.

The proposed amendment to the national agreement was ratified by the league.

Clubs will be limited in the major leagues to 25 players between May 15 and Aug. 20, and 35 players after the latter date mentioned. The Class AA leagues will be limited to 16 and 25 on the same arrangement as regards dates. It was decided that the dates of postponed games shall be fixed by the home team on the day of postponement. When "double-headers" are arranged according to this plan the umpires must be notified by the home clubs in order that they may be on hand without delay.

In the resolution granting President Pulliam a leave of absence the magnates expressed the hope that he would return to his duties fully restored in health.

"During his absence," the resolution set forth, "he will be relieved of all responsibility, and John A. Heydler, now secretary and treasurer, is hereby appointed acting president, with full authority in the office, which carries representation on the national commission."

In the statement issued by President Pulliam before the meeting he expressed the hope that baseball would not meet the fate that has overtaken horse racing throughout the country and announced that some of the magnates were inclined to "kill the goose that laid the golden egg."

It was when this statement was made public and President Pulliam failed to appear that a conference was held, and the president asked that he be granted a leave of absence. It is probable that he will go to California next Monday.

The national commission at its next meeting will act on the request of President Murphy to be permitted to pay a $10,000 bonus to his players, as per the promise made before the close of last season's championship series.

President Comiskey announced that Fred Parent, the Chicago American league shortstop, had signed a contract for the season of 1909 and that plans are almost completed for the California training trip.

MOTHER'S FRIEND

THE BRADFIELD REGULATOR CO. Atlanta, Ga.

SAYS ENGLISH HORSES ARE THE VERY BEST

New York, Feb. 18.—The American thoroughbreds which went abroad last fall to win some of the coming English turf classics are doomed to defeat. The unbeaten Colin and Priscillian, the peerless Ballot, the stout-hearted Fair Play and the Derby eligible, Sir Martin, haven't a look in. That's the impression one gets in a talk with C. A. Mills, the English turfman, who is in the country for a short stay.

Mr. Mills is a friend of King Edward, is well known to the big men on the turf, and has at various times been racing representative abroad of Messrs. Lorillard, Keene and Whitney. In conversation Mr. Mills intimated very strongly that a victory for Colin, Ballot or the rest of the American-bred horses on their first starts abroad will surprise all Europe. To use Mills' own words, "It will be a tall accomplishment if any of them win at the first asking."

Mr. Mills didn't say this disparagingly, but rather for the reason that the horses are not likely to be properly acclimatized. He explained that some horses come to hand very easily and early and others do not. He said it was only natural to include the American horses, particularly Sir Martin, among the later. The Madden bred colt was sent over at a bad time, long after the shipment of the Keene and Belmont representatives.

As for making the American horses top weight in the first of the English stakes, the great jubilee, on May 8, and forcing them to give weight to Llangurn and Your Majesty, two of the best horses in England, Mr. Mills said the English handicapper could do nothing else.

"You see," said the Englishman, "your horses came over to us with reputations of being the best thoroughbreds on this side of the Atlantic. They accordingly are unknown quantities to us. They have beaten everything here and we over there don't know but that 'your horses, taken as a whole, ar better than ours. Your Colin and Priscillian are unbeaten, and I understand that Ballot was practically invincible in the handicap division.

Llangurn, the English horse, handicapped at the same weight as Priscillian, or fourth below Ballot, is, according to Mills, the best of the English stake winners. He ran third in the Derby and thereafter was undefeated, winning many rich stakes, among them the Prince Edward handicap and the champion stakes. He is owned by A. Barclay Walker. J. L. Joel's Your Majesty ranks next to Llangurn. He won the St. Leger and was the biggest money winner of last season.

Talking of Derby candidates, Mr. Mills says Bayardo, owned by Paine Cox, is the natural favorite. He has a lot of unbroken victories as a 2-year-old, and barring accidents is expected to continue his unbeaten career as a 3-year-old just as our own Colin did.

SALT LAKE TWIRLER DEMANDS MORE MONEY

Spokane, Feb. 18.—Manager Bob Brown of the Indians is still busy sending out and receiving contracts. Nearly a dozen have returned the Indian chieftain their signatures attached to the document that makes them the property of the Spokane Baseball club this year.

Only two players have objected to the terms of their contract, but one of these has finally come to terms. Jensen, the star southpaw of the season of 1907 and who won 15 out of 15 games to start the season of 1908, then lost 13 straight, is the only holdout. Jensen demands that a bonus of $25 a month, which was added to his salary last June when he was going so good, be put in this year's contract. He intimates, if he is refused, that he will play independent ball in Salt Lake City. Manager Brown thinks he is doing Jensen a favor in keeping the southpaw at the same salary he was drawing at the end of last season.

Jensen claimed he was given an additional contract by the Recreation company and that there was also transportation home from Seattle due him, promised but never paid, by Quinn. Brown conceded the latter point, but when he learned that the Recreation company had never given Jensen a contract for the extra salary he declined to pay it, and says if Jensen wants to go back to the bush that's Jensen's privilege.

BARNES IS LOBBYIST AND FIGHT PROMOTER

Spokane, Feb. 18.—John S. Barnes, the old Spokane baseball magnate, who is stated as manager of Boise in the inter-mountain league, has blossomed out as a lobbyist and a fight promoter. With Fred Merrill he has spent several weeks at Salem, plugging for a new bill to permit six-round boxing bouts and proposes to reopen the game in Portland. Says the Oregon Journal:

"Oregon's prize fight bill has a rocky road ahead of it, because the municipal association has organized to fight it; and by the time it gets before the legislature for passage it is expected that formidable opposition will be presented. Fred Merrill and John S. Barnes, at whose instigation it was introduced, spent most of last week at Salem, but the municipal association scouts were following them and expect to break down all their fences.

"Mr. Barnes is an experienced promoter of fights, having pulled them off in all parts of the world. He is known to all the fans here as a baseball man, but he has mixed up in every branch of sport. After giving Portland its first pennant winners in 1892 he became interested in boxing and wrestling. Just before the Boer war he was manager of one of the finest clubs in England, at Birmingham. When in the heyday of its career one of his boxers was killed by a solar plexus blow, and Mr. Barnes departed for Johannesburg, South Africa, until the memory of the accident should blow over. He had a successful club there, and drifted to Australia after its popularity waned. Next he went to Manila and finally to China, where he engaged in the theater business, until returning to America a month ago."

TO CONTEST AT SPOKANE.

Y. M. C. A. Wrestlers Arranging for Wrestling Matches.

Spokane, Feb. 18.—The Y. M. C. A. wrestling club of Salt Lake is arranging a dual meet with the S. A. A. C. team, to take place about March. The challenge was written by B. M. Burgess, the president of the club, to Cisco Bullivant, the wrestling instructor of the Spokane Athletic club.

The weights named for the meet are 125, 135, 145 and 158. Of these four weights, each club is to pick two. The four mat events are to be pulled off in Spokane about the first of the month. Arrangements are also being completed to have the instructors of the two clubs come together on the mat at the conclusion of the regular program.

Mr. Burgess states that meets are pending with the Seattle Athletic club, Multnomah Athletic club and the Denver Athletic club, to take place on the same trip. M. Yokel, the instructor of the club, is a good man on the mat, but would have his hands full trying with the instructors of the three northwest organizations.

ANOTHER MARATHONER.

Champion Distance Runner of Sweden Coming to America.

New York, Feb. 18.—John Swanberg, the champion distance runer of Sweden, is coming to America to race. Contrary to expectations, however, Swanberg is not coming as an amateur, but as an out and out "pro." Swanberg is out to run any man in the world from five miles to the traditional Marathon.

In the Athens 1906 Olympiad Swanberg finished second to Lieutenant Hawtrey of England in the five miles, and second to Will Sherring of Canada in the Marathon race. At London last summer the gritty Swede ran third in the five miles and eighth in the Marathon. Swanberg was taken violently ill with cramps in the middle of the latter race and was obliged to lie on the grass at the roadside for 27 minutes. Then he got up and staggered home eighth.

LONG AUTO RACE.

Speed Contest From Denver to City Of Mexico.

Denver, Feb. 18.—An endurance race for automobiles over a course of more than 1,800 miles, with Denver as the starting point and the finish at City of Mexico, is the project which has grown out of a meeting of motor enthusiasts now attending the local automobile show. Entries are already being received for the event, which is under the supervision of G. A. Wahlgreen. It is estimated that even the fastest machine will not be able to make the distance in less than 15 days, as at least 200 miles of the country thorugh which the contesting machines must travel is practically a desert. The race will be held some time in the fall and a pathfinder will go through the country early in the summer and route the course to be followed.

ON THE MAT.

Portland, Or., Feb. 18.—John Berg, known in the wrestling world as "Young Hackenschmidt," tonight lost his handicap match to Eddie O'Connell, when he failed to gain five falls from the latter in one hour of actual wrestling. Berg appeared to weigh about 175 to O'Connell's 150. Berg got the first fall in 3 minutes, the second in 12:20, the third in 24 minutes and the fourth in 15 minutes. The match was perhaps the best exhibition of wrestling ever seen here.

TEN PIN RECORD.

St. Louis, Feb. 18.—The Harkes of St. Louis equaled the world's record at 10-pins tonight, scoring 1,307 in league playing on alleys certified by the American Bowling Congress. The score was made by Charles Parr, 235; Louis Schroeder, 258; H. G. Mates, 234; F. Brockwindle, 229, and G. D. Denhard, 277. The Howard Majors of Chicago and the Palace club of St. Louis are the former title holders.

JOHNNIE COULON WINS.

New York, Feb. 18.—Johny Coulon, champion bantamweight of the world, had the better of John Daly of New York in a lively bout of 10 rounds before the Whirlwind Athletic club here tonight. Although no decision was rendered, Coulon easily demonstrated his superiority. Daly was bespattered with blood and showed that he had undergone a severe whipping.

HURDLE RECORDS BROKEN.

New Marks Set by Smithson of the Portland Multnomah Club.

San Francisco, Feb. 18.—Forrest Smithson, representing the Multnomah club of Portland, Or., broke world's records in the 60 yards high hurdles and 50 yards low hurdles at the indoor meet of the original Gaelic club here last night. He cleared the high sticks in 7 seconds, or one-fifth of a second better than the former record held by R. C. Northbridge of New York. He covered the low hurdles in 6 2-5 seconds beating the record made by A. A. Jordan of New York in 1907.

NEIL BESTS ENGLISHMAN.

New York, Feb. 18.—Frankie Neil, the ex-champion featherweight, had the better of it tonight in a 10-round bout with "Boyo" Driscoll, another British fighter, who made his first appearance here.

TO PLAY IN BOISE.

Boise, Feb. 18.—It now seems certain that the Idaho-Utah football game will be played in Boise next fall. Both teams are willing to come here. It is only a matter of a money guarantee to bring them, and this seems certain at this writing. Several public spirited citizens, not residents of Boise, have put up several hundred dollars. More is expected, will be forthcoming within a few days.

If possible, the date for the game will be Thanksgiving.

JOHN Y. SMITH SELLS.

Lincoln, Neb., Feb. 18.—Guy W. Greene today bought the half interest of his partner, John Y. Smith, in the Lincoln Western league baseball franchise and becomes sole owner of the club. Along with this announcement Greene said he had called off all negotiations looking to a sale or transfer of the club.

ON THE RACE TRACK.

At Oakland.

Oakland, Feb. 18.—A good card was offered at Emeryville today, with the Derby trial, at a mile and a sixteenth as the feature. High Private and Fanatic from the Forsythe stable ruled favorites. After Lighthouse and Madman tired, High Private drew away and won from Mac Ward, while Fanatic was third. Fine weather favored the racing, but the track was sloppy owing to the rain of the early morning. Favorites and well-played horses were successful.

The stewards of the Jockey club today ruled Frank Gossett, a bookmaker, and Guy Mack off the turf on a charge of bribing Jockey Sandy in May of last year. Sandy is reinstated with the recommendation that he be granted a license. Claude Williams, a stable employe, is denied the privileges of the track for approaching jockeys.

First race, three and a half furlongs, purse—Jack Drummond, 119 (Scovillo), 7 to 1, won; Naps Nick, 96 (McCarthy), 11 to 2, second; Alder Gulch, 109 (Tapiln), 7 to 1, third. Time—:41-5 seconds. Judge Henderson, Father Rogers, Mulhalla Clan, Sixteen, Grasame and Bay Streak finished as named.

Sixth race, six furlongs—Fordulc, 106 (Lee), 2 to 1, won; May Amelia, 103 (Gilbert), 5 to 1, second; Fancy, 98 (Anderson), 25 to 1, third. Time—1:16 1-5. Early Tide, Hector, Sainwa, Rather Royal and Pieplco finished as named.

At Los Angeles.

Los Angeles, Feb. 18.—A very ordinary card was run off at Santa Anita park today. The public, however, had a very profitable day, as six favorites were returned winners. The only first choice to meet defeat was Entre Nous, in the fourth event. The books were hard hit by the successful string of favorites. Results:

First race, selling, six furlongs—Miptias, 112 (Powers), 2 to 5, won; Third Rail, 101 (Page), 7 to 1, second, Velma C., 104 (Shriner) 26 to 1, third. Time—1:12 3-5. Pilon, Henry of Shenamerr, Light Comedy, Aragon and Saint Kilda also ran.

Third race, selling, five and a half furlongs—Lady Irma, 106 (Shilling), 9 to 10, won; Billy Rodeman, 104 (Howard), 3 to 1, second; Jane Swift, 108 (Kennedy) 4 to 1, third. Time—1:06 3-5. Worg and Play, All Alone, Uncle Jim, Free Knight the Bear and Semproni also ran.

NEW YORK FLOODED WITH BOGUS QUARTERS

New York, Feb. 19.—New York City is flooded with counterfeit quarters and dimes. So much of the small spurious silver is said to be in circulation that many corporations, especially the transportation companies, have issued warnings to cashiers and ticket sellers. Many of the coins have been seized by secret service agents, but so far they have been unable to trace the source of the supply, although indications are that they are being coined somewhere in Brooklyn. Restaurants, theaters, and other places where change is made quickly have been victimized, and one ticket seller on the "L" says that no less than $10 in bad quarters and dimes were offered to him during one evening recently. Women ticket sellers on the Brooklyn elevated have been victimized by the wholesale.

The coins pass readily upon superficial inspection, but the quarters are more deceiving than the dimes. The larger coins have the appearance of a genuine and have a fairly good ring, but their leaden character is detected in the feeling. The dimes are a trifle smaller than the legitimate coins and are dark and not quit ground.

DOG GUARDED DEAD MASTER.

Chicago, Feb. 19.—A large dog, formerly the companion of John Hillie, a bertnik, stood guard and held at bay three policemen yesterday when they attempted to separate him from the lifeless and frozen form of his master. A watchman was attracted to the shanty by the whining of the animal. He saw the outstretched form of a man on the floor and notified the police. The door was broken down, but the dog jumped at the policemen, forcing them to retreat. After a half hour of coaxing, the dog permitted them to take the body.

Abe Attell and Jem Driscoll Fight in New York Tonight

New York, Feb. 19.—Both little fighters claiming that they were ready to make the weight of 126 pounds, preparations were completed today for the fight at the National A. C. here tonight between Abe Attell, world's featherweight champion, and Jem Driscoll, the English featherweight champion, who has not lost a fight since his arrival in this country. The men have trained hard, and it is expected that the contest will be the best seen here for some time. Late last night the dispute over who should be referee had not been settled, but a compromis will be agreed upon before this evening. The betting today is 7 to 10 in favor of Driscoll. Several large wagers were recorded. There were several rumors that the police would interfere with the fight, but the promoters seemed to be little disturbed.
