SAN FRANCISCO, July 7th, 1886.

I took a severe cold upon my chest and lungs and did not give it proper attention; it developed into bronchitis, and in the fall of the same year I was threatened with consumption. Physicians ordered me to a more congenial climate, and I came to San Francisco. Soon after my arrival I commenced taking Scott's Emulsion of Cod Liver Oil with Hypophosphites regularly three times a day. In ten weeks my avoirdupois went from 155 to 180 pounds and over; the cough meantime ceased.

DESERET EVENING NEWS.

Monday, April 7, 1890.

THE COMING WEEK.

What the Senate and House will be Required to Undertake.

CRUEL MURDER BY TRAMPS IN OHIO.

Twelve Negroes Drowned. — A Baptist Minister Goes Wrong.— A Lunatic's Crime.

[By Telegraph to the NEWS.]

The Week's Programme.

WASHINGTON, April 6.—In the Senate the Chinese enumerating bill comes up tomorrow, with Mitchell's amendments, intended to restore the bill to something like its purport when first received from the House. After this the discussion of the Montana case will be resumed. At the rate of progress made last week the case bids fair to go over into next week. It will give way for prompt consideration of the World's Fair bill, should the select committee make a report after its meeting on Thursday. The Administrative Customs bill stands next to the Montana contest.

Tomorrow will be District of Columbia day in the House. Naval matters will likely be discussed Tuesday. The committee on naval affairs has several measures of interest on the calendar, prominent among which are the McAdoo bill, to prohibit the enlistment of aliens in the navy. The naval appropriation bill is also in position favorable to speedy consideration.

About the middle of the week the election committee will take the floor and call up three contested election cases in order, namely: Posey vs. Parrett, Indiana; Bowen vs. Buchanan, Virginia, and Waddell vs. Wise, Virginia. On the first two cases, as the committee reported in favor of seating the democratic members, there is likely to be little discussion. In the case of Waddell vs. Wise there will be a triangular fight. The majority of the committee were for Waddell, the democratic minority for a new election and Wise for his own seat.

Confederate Decoration Day.

NEW ORLEANS, April 6.—Confederate decoration day attracted thousands of visitors to the cemeteries today. At the Army of Northern Virginia tomb, where the body of Jefferson Davis is interred, Confederate veterans placed a magnificent presidential chair of yellow immortelles, inscribed, "To our Chief."

Captain Roberts' Answer.

NEW YORK, April 6.—The *Adriatic* arrived today. Captain Roberts says the printed story about his action toward the *City of Paris* is not true. He laid by the *Paris* six hours, and, on a boat coming alongside, he informed the officer in charge that he would do all in his power to assist the disabled ship. He signaled to the *Aldergrate*, and with her proceeded to come up to the *Paris*, and informed Captain Watkins that he had spoken to the *Aldergrate*, who was willing to tow the *Paris* to Queenstown. He also offered to take off her passengers and leave them at Queenstown, not New York, as reported, and even stated to Captain Watkins that if absolutely necessary to save his life he would tow the *Paris* to Queenstown. Captain Watkins, learning that the *Aldergrate* would tow him, signaled, "Thanks, go ahead!" So he proceeded on his voyage.

Fell Over a Precipice.

GREENSBURG, Pa., April 6.—While Mark Steele, aged 19, and Sammy, a 7-year-old son of R. A. Dornon, of New Alexandria, were hauling rubbish to the river yesterday afternoon their horse backed the wagon in which they were seated over a precipice fifty feet high and they were hurled to the bottom. Young Dornon was killed and Steele internally injured. The wagon was smashed, but the horse escaped without much injury.

Explosion at a Lighthouse.

LONDON, April 6.—A fog signal prematurely exploded last night at the famous Bell Rock lighthouse, off the east coast of Scotland. The house was shattered by the explosion and the light extinguished for the first time since the lighthouse was built in 1811. After the explosion a passing steamer had a narrow escape from being wrecked on the reef, owing to the absence of the light.

The Water Rising.

ARKANSAS CITY, Ark., April 6.—The water is rising slowly here, caused by a crevasse in Boggy Bay Bayou. The government engineers have left for that point, and will endeavor to close it.

Their Game Over.

ST. PETERSBURG, April 6.—The student disorders are practically ended, the holidays having taken a majority of the students to the country. It has been decided that one of those will be expelled who was implicated in the disorders of 1888.

Russian Prisons Full.

LONDON, April 6.—A dispatch from St. Petersburg says the minister of education and Professor Mendeliff of the university have both resigned their positions, after having had a quarrel. The dispatch adds that the disorders among the students continue and the prisons are overflowing with inmates.

An Erring Minister.

CHARLOTTETOWN, April 6.—A committee of sixteen members of the Baptist Church in this city reported to the congregation their findings in charges preferred against Rev. Edward Whitman, late pastor of the church. The ex-pastor has been found guilty on the following accounts: Associating with young women under an assumed name, misappropriation of church funds and untruthfulness. Whitman was pastor of the church here for seven years and is now pastor of the large church at Joliet, Ills. He came here a few days ago to obtain a letter of dismissal which had been refused by the congregation until the charges were disposed of.

A Lunatic's Crime.

FAULKTON, S. D., April 6.—E. Eckhart, while afflicted with a religious mania, stabbed his two young sons with a bread knife and cut his wife's throat. All three are expected to die. Eckhart is under arrest. He says the Lord prompted him to do the murder.

Drowning of Twelve Negroes.

VICKSBURG, April 6.—Nineteen negroes, survivors of a large party of refugees which attempted to escape from the overflow of Bayou Eulaya on a raft, arrived on a steamer today. They reported that twelve women and children were drowned.

Murder by Tramps.

LIMA, O., April 6.—Conductor Gardner J. Tuckey of the Fort Wayne road was shot and mortally wounded this afternoon by tramps. As the train was pulling out of the city Tuckey noticed six tramps getting into a box car. He ordered them to get out, but they refused. Tuckey then went into the car, when one of them fired an ineffectual shot. The tramps then grappled with Tuckey and threw him out of the car on the other side. Tuckey climbed over the train and attempted to capture the man who fired the shot. Then two of them seized his arms, while another placed a revolver to his breast and fired, fatally wounding him. The tramps then ran out of town, but this afternoon the police caught four of them, one of whom was identified by Tuckey as the man who fired the shot. Intense excitement prevailed, and for a time it was thought the tramps would be lynched, but wiser counsel prevailed.

A Scrap of Paper Saves Her Life.

It was just an ordinary scrap wrapping paper, but it saved her life. She was in the last stages of consumption, told by physicians that she was incurable and could live only a short time; she weighed less than seventy pounds. On a piece of wrapping paper she read of Dr. King's New Discovery, and got a simple bottle; it helped her, she bought a large bottle, it helped her more, bought another and grew better fast, continued its use and is now strong, healthy, rosy, plump, weighing about 140 pounds. For further particulars send stamp to W. H. Cole, Druggist, Fort Smith. Trial Bottles of this wonderful Discovery Free at A. C. Smith & Co.'s Drug Store. 4

Dyspepsy.

This is what you ought to have in fact, you must have it, to fully enjoy life. Thousands are searching for it daily, and mourning because they find it not. Thousands upon thousands of dollars are spent annually by our people in the hope that they may attain this boon. And yet it may be had by all. We guarantee that Electric Bitters, if used according to directions and the use persisted in, will bring you Good Digestion and oust the demon Dyspepsia and install instead Espepsy. We recommend Electric Bitters for Dyspepsia and all diseases of Liver, Stomach and Kidneys. Sold at 50cts. and $1.00 per bottle at A. C. Smith & Co.'s Drug Store. 4

All these impurities and every trace of scrofula, salt rheum, or other disease may be expelled by taking Hood's Sarsaparilla, the best blood purifier ever produced. CHARTER OAK RANGES

OFFICE OF AN EXPERT!

Mrs. Mary H. Welch, Teacher of Domestic Economy at State University of Iowa.

"My deliberate judgment is that the oven of the Range, as compared with others, is not only more equally heated in every part—front as well as rear—but as a result of the superior ventilation the food placed therein is better cooked, while retaining a sweeter flavor, and a larger proportion of its best juices. I have found, also, that the consumption of fuel in this Range for a given amount of work, is much less than any other."

MRS. MARY H. WELCH.
