Nearly Quarter Million—The city treasury was enriched by $241,000 yesterday—tax receipts. This will be distributed among the various funds. Overdrafts will be met as far as the money lasts and after that—everybody guess.

Auditor McNitt Returns—A. R. McNitt, auditor of claims of the Short Line, has returned from a business trip to Omaha, where he attended a meeting of the claims auditors of the Harriman lines. He spent a pleasant Thanksgiving with his brother at Council Bluffs.

Italian Buried Today—John Massa, the Italian stabbed to death Saturday night by Joseph Molaners at Mercur, will be buried today. Interment will be in Calvary cemetery at 2 o'clock. Dominic Azaola, was also injured in the rough free for all fight which secured.

Irrigation in Idaho—A prominent feature of the forthcoming issue of the Christmas News, which has been prepared with great pains and expense by this paper, will be "Irrigation in Idaho." The subject has been covered in a most complete and interesting manner by Reber Q. Hale of Boise, will be fully illustrated.

Improvement in Bank—Zions Savings Bank & Trust company has commenced making improvements in its banking rooms. These include the removal of the central desks that took up so much of the space desired for lobby purposes, and the substitution of heavy glass plate around the lobby where people having business to do with the bank, may write.

Woodmen Elect Officers—Excelsior camp No. 10,882, Modern Woodmen of America, elected officers last night as follows: A. D. McGuire, venerable consul; C. L. Dals, advisor; J. W. Ewin, clerk; G. Fail, banker; C. Fowler, escort; J. W. Riches, watchman; D. S. Tall, sentry; A. Levy, J. A. Sprague and Dr. Townsend, physicians.

Chickenpox at Marysvale—Marysvale, Piute county, is excited over 27 cases of chickenpox, resulting in closing the local schools. This was announced to the state board of health in last evening's mail, and Inspector Clark leaves for Marysvale today, to investigate. There is no practising physician in that immediate vicinity.

Musicians File Articles—The Salt Lake Federated musicians filed articles of incorporation in the office of the county clerk yesterday. The following officers are named: C. L. Berry, president; W. E. Simms, vice president; L. A. Matthews, secretary; Lorenzo Sharp, treasurer; S. A. Abbott, Chris Jesperson, H. A. Mercur, Fred Midgley and J. P. Fanning, directors.

Debating Teams Selected—Two of the teams to compete in the interclass debating series at the state university, have been selected. The freshmen will be presented by H. E. Woolley and J. E. Pixton, with Hugo Anderson as alternate. The sophomore debaters are D. Cummings and E. Johnson. These two teams will meet soon in the first of the interclass debates.

Dugan was suffering terribly and begged his nurses to end his life. David Tobin, the other man who suffered from the premature blast, is dying. He is in a raging delirium.

Exciting Game—Miss Sherman, daughter of Hoyt Sherman of this city, who attended the Yale-Princeton football game, describes the contest as almost prostrating in its nervous effects, so exciting was it. She says that at the second half when the Yale team reappeared on the field, it was practically a new team, although no change had been made in its personnel, and the way the blues went through the orange and black was terribly exciting to the entire body of 72,000 spectators. Miss Sherman was visiting with her brother Roger, who is a junior in the academical department.

Women are Disgusted—The American Womans' club met with Mrs. Joseph Cohen yesterday afternoon and beside listening to A. T. Shroeder, of anti-Mormon notoriety, tell how hard a time he has interesting the east, discussed the indifference shown towards the expectoration ordinance in this city. The city has an ordinance making it a misdemeanor to expectorate on public walks and other public places, but the law has not been enforced or obeyed for a long time. Women are becoming disgusted and the club yesterday appointed a committee comprising Mrs. G. H. Roybould, Mrs. William Passler and Mrs. M. S. Parker to draft a petition and present it to the city council at its next session.

FIRST BATTERY IS MUSTERED IN

Event Last Evening a Highly Successful Military Affair.

WM. C. WEBB IS CAPTAIN.

Expected Happened in Election—Forty Men Now in Company—Record Of Commanding Officer.

The mustering in last night of the new First light battery, Utah National Guard, was as successful a military event as could be desired by local military enthusiasts. Forty men were mustered in, before a large attendance of other guardsmen and friends; and when this was completed, the election for officers was held, resulting in the choice for captain of William C. Webb; senior first lieutenant, Fred Smith; junior first lieutenant, George Worthen; senior second lieutenant, Alex. R. Thomas; junior second lieutenant, Max Brown. In the case of Capt. Webb and Lieut. Thomas, the expected happened; the rest were not so sure.

RECRUITS MUSTERED IN.

Among the recruits mustered in were, Frank Manning, Peter M. Knapp, V. W. Earls, M. Breeden, E. E. Scott, Walter E. Brooke, E. I. Pannetier, J. A. Cowan, Russell E. Cordell, R. A. Meade, R. B. Porter, Herman Worthen, Lynn Smith, William Cox, Walter J. Beele, Tucher Steward, Lester Barton, R. A. Young, G. B. Caufield, M. J. Gerritse, O. D. Hiller, E. Gelb, Roy Billings, Paul W. Billings, G. H. Einhause Dr. F. L. Gower, E. W. Bolling, H. R. Fry, D. S. Dean, R. Obuchon, William F. Strather, H. O. Young, H. F. Fry Harold Swift and E. Tracy.

OFFICERS ADDRESS GUARD.

The mustering in was under the supervision of Adjt. Gen. A. E. Wedgwood, who made a short address on the duties of a soldier. He was followed by Col. Plummer of the First infantry, who congratulated the boys on the success of the first official step in the organization of the new artillery command. The new battery is composed of active young men from 20 to 35 years of age, many of whom have previously seen military service. They are enthusiastic in the reorganization of the battery; they propose to increase the roster to 75 men, and when the next encampment comes 'round, to have a full complement of horses and equipment.

When the battery is complete, it will consist of 133 officers and men, 65 horses, four guns with caissons and battery wagon.

RECORD OF CAPT. WEBB.

The new commanding officer entered the service of the state as a second lieutenant of infantry in 1894, was made first lieutenant in 1895, and a captain in 1897. He resigned in 1898 to go to the Philippines as second lieutenant of battery A, Richard W. Young, captain. The lieutenant served with credit in the islands for two years, and on his return became first lieutenant in the home battery, and was afterwards captain, resigning three years ago. He was also made commandant of cadets at the high school, and for some time has been adjutant of the First infantry. After Capt. Webb left the battery, there was a reorganization, and new officers; but the course of the command did not run at all smooth, and matters came to such a pass that it fell to pieces for lack of homogeneity, and presently was not. It is now revived under much more promising and permanent auspices.

AGREEABLY SURPRISED.

Many sufferers from rheumatism have been agreeably surprised at the prompt relief afforded by applying Chamberlain's Pain Balm. It makes sleep and rest possible. For sale by all druggists.

BEFORE JUDGE DIEHL.

Regular Grind in Police Court—O'Neil Is Discharged.

There was a large crowd of petty offenders before Judge Diehl yesterday afternoon when the regular city grind was called. Seven or eight were Sunday drunks, despite the statement that saloons were closed on the Sabbath, and each was assessed the usual sum of $5 or five days.

Three men charged with vagrancy were hauled before the court to answer to the charge of begging and loafing about the streets at "late and unusual hours of the night." Frank Schnell was apparently too tired to stand trial so he pleaded guilty and took thirty days with good grace. Edward Wilmot said he had nothing to say except "guilty" and he too was assessed $30 or 30 days.

The case of James O'Niel, however, was different. He said:

"I should say I'm not guilty. Not on yer life."

"Are you ready for trial?" asked Judge Diehl.

"Ready for trial!" exclaimed O'Neil, "of course I am but I don't suppose there will be much of a trial." And he was right. There was not much of a trial. The arresting officer said that he saw O'Neil on the streets. But because the officer saw the man on the streets it did not necessarily follow that O'Neil was a vagrant and he was promptly discharged on motion of the prosecution.

Fred Silver, the man arrested on the charge of stealing from Salvation Army contribution boxes, pleaded not guilty to the charge of petit larceny and the case was set for Wednesday afternoon for trial.

William Arnold, an ex-alleged pugilist who was arrested some time ago on the charge of battery upon Claude Russell, with H. Gleason, were arraigned on the charge of disturbing the peace. Arnold said he was guilty, and admitted that he engaged in a fight, but declared he did not start it. He will be sentenced this afternoon. Gleason pleaded not guilty and is now being tried.

THE BEST DOCTOR.

Rev. B. C. Horton, Sulphur Springs, Tex., writes, July 19th, 1902: "I have used in my family Ballard's Snow Liniment and Horehound Syrup, and they have proved certainly satisfactory. The liniment is the best we have ever used for headache and pains. The cough syrup has been our doctor for the last eight years." Sold by Z. C. M. I. Drug Dept. B

CULMER ART EXHIBIT.

Notable Collection of Paintings Now Being Shown at Artist's Studio.

From 2 to 5 o'clock during the afternoon of this week the Culmer art studio at 18 east First South street is open to the public for Mr. Culmer's annual December exhibit.

This year there are on display a number of new offerings, "A Storm in the Rockies" forming the center of a large and interesting group. This painting takes one of the largest mountains in its setting of minor crags and ridges, with a sweep of clouds above its crest, and a torrent rushing down its side, the atmospheric coloration being such as would suggest an approaching storm. Other notable paintings in the collection are "The Ruined Mesa," the "Temple of Om," "Monument Valley," "Lake Tahoe" and "Afterglow in the Mountains." The pictures are the result of a trip to the southern Utah desert lands, and another trip into the Tetons.

A HOME MADE HAPPY BY CHAMBERLAIN'S COUGH REMEDY.

About two months ago our baby girl had measles which settled on her lungs and at last resulted in a severe attack of bronchitis. We had two doctors but no relief was obtained. Everybody thought she would die. I went to eight different stores to find a certain remedy which had been recommended to me and failed to get it, when one of the storekeepers insisted that I try Chamberlain's Cough Remedy. I did so and our baby is alive and well today.—Geo. W. Spence, Holly Springs, N. C. Chamberlain's Cough Remedy always cures and is pleasant and safe to take. For sale by all druggists.

BACK FROM MOAPA.

D. M. Landreth has returned from an eight days' trip through Moapa, Nev. He reports times very good down there, in all lines of industry—agricultural, mining, etc. Ore is being hauled in from St. Thomas assaying 50 per cent copper, and costing $18 per ton to haul. The market garden people appear to be doing specially well, anticipating a big winter market with Salt Lake. The railroad company has a large force of men at work riprapping the line through the Meadow Valley Wash so as to avoid a repetition of the unpleasant consequences of the washouts last spring when the road was put out of commission for so long.

WHAT'S

worth doing is worth doing well. If you wish to be cured of Rheumatism, use Ballard's Snow Liniment and you will be "well cured." A positive cure for Sprains, Neuralgia, Bruises, Contracted Muscles and all the ills that flesh is heir to. A. G. M. Williams, Navasota, Texas, writes: "I have used Snow Liniment for sprained ankle and it gave the best of satisfaction. I always keep it in the house." Sold by Z. C. M. I. Drug Dept. B

DEATH OF MRS. ANDREWS.

Thrilling Experience in Cottonwood Canyon Results Fatally.

Mrs. Edward Andrews, who fell in Big Cottonwood creek last spring, has died in Pomona, Cal. Mrs. Andrews left Tuesday for Los Angeles believing she would be benefitted by a change of climate and surroundings. Her thrilling experience in the canyon had shattered her health. When she reached Pomona she was so ill she was taken from the train and placed in the Pomona valley hospital but she became worse rapidly dying Sunday afternoon. Mrs. Andrews was accompanied by Mrs. J. E. White and Mrs. White will bring the body home. Mrs. Andrews was 60 years of age. She leaves four sons, George Edward, A. W., H. M. and Raymond. She had lived in Salt Lake 32 years. Her home was at 159 east Seventh South street.

Public speakers are frequently interrupted by people coughing. This would not happen if Foley's Honey and Tar were taken, as it cures coughs and colds and prevents pneumonia and consumption. SUIT IS FILED.

Miss Evans Wants $50,000 Damages For Her Injured Feelings.

The announcement promised by the law firm of Powers & Marioneaux materialized yesterday afternoon when Miss Edith Evans, now a nurse at the Murray general hospital, filed suit for breach of promise against Dr. William McEnery. The girl asks for $50,000 damages, alleging that in June, 1900, Dr. McEnery promised to marry the girl, but has failed and refused to do so. Miss Evans, in the complaint, is described as having been hurt and pained deeply at the doctor's marrying Mrs. Henrietta McLaughlin, widow of the late David C. McLaughlin of Park City. This took place Oct. 4, 1904. Further than this the complaint says little and tells no details of the romantic story already told by Miss Evans. Report had it that more than one charge was to have been made and this may account for conciseness of the papers already filed. Dr. McEnery is in San Francisco, whither he went immediately after relinquishing absolute guardianship over Miss Isable Lois McLaughlin, his step-daughter.

DANGER IN ASKING ADVICE.

When you have a cough or cold do not ask some one what is good for it, as there is danger in taking some unknown preparation. Foley's Honey and Tar cures coughs, colds and prevents pneumonia. The genuine is in a yellow package. Refuse substitutes. For sale by F. J. Hill Drug Co. "The never substitutors."

FOREIGNERS STILL GOING.

Seventy Line Up for Their Pay at Street Railway Office.

Nearly 70 Greeks and Italians lined up yesterday afternoon before the window of the paymaster of the Utah Light & Railway company, where they were paid off and discharged from the construction gangs of the company; and Supt. Hunt announces his decided preference hereafter for American labor instead of what the shores of the Mediterranean can furnish. Any citizen who has noticed how these people "work" on the tracks, has come to the conclusion without hesitancy, that southern European labor is not worth over one-quarter that of the American. There is no difficulty at present in securing all the "white" labor desired in all departments, the only trouble being that when higher wages are offered elsewhere, this class of labor always drifts in that direction, and can not be counted on as a permanency. The foreigners are drifting out of the country, many returning to their native land.

Orino Laxative Fruit Syrup, the new Laxative, stimulates, but does not irritate. It is the best Laxative. Guaranteed or your money back. For sale by F. J. Hill. "The never substitutors."
