AS TO COURT EXPENSES.

Statement For 1894-5 Presented By Territorial Auditor Caine,

At District Attorney Judd's Request—A Large Deficiency Is To Be Seen Therefrom.

The appropriation of $95,000, made by the Legislature for the payment of jurors, witnesses and phonographic reporters during the years 1894-5 will show a deficiency of over $[illegible] at the end of the latter year.

Territorial Au. Caine, in a special report to United States District Attorney Judd, at the latter's request, makes this showing. The report will form the base of statistics being prepared by the judge and is as follows:

Total expenditure for grand and petit jurors, witnesses, phonographic reporters and compensation of court commissioners for the year 1894, $[illegible].

This creates a deficiency, being amount expended over and the appropriation for the years 1894 and 1895, $15,[illegible].

JUDGES OF DISTRICT COURTS.

There was appropriated by the Legislative Assembly to each of the judges of the district courts of the Territory as a salary for 1894 and 1895 the sum of $1,500—$3,000—one-half of which was paid during the year 1894.

CLERKS OF SUPREME AND DISTRICT COURTS.

There was appropriated by the Legislative Assembly of 1894 as salaries to the clerks of the Supreme and district courts for the years 1894 and 1895, in lieu of fees, the following sums:

TERRITORIAL REFORM SCHOOL.

There was appropriated by the legislative assembly of 1894, for the maintenance of the Territorial reform school for the years 1894 and 1895, $15,[illegible], of which amount $7,500 was an unexpended balance of $9,000 of the appropriation of 1892-1893, was drawn during the years making the expenditure for 1894, $11,[illegible].

Grand total for year 1894 ... $[illegible]

Credits—

[illegible]

Balance ... $[illegible]

Unless there is a revision in the system of court expenses, or a change in grand juries and before the courts in criminal cases, there will be no appreciable reduction in court expenses for the year 1895. I, therefore, request that you authorize me to count the above as for 1894, and use a Well Drilling and Blasting Co. application for jurors and witnesses, etc., as the cause of 1895 is all lost time $[illegible].

Respectfully submitted,

JOHN T. CAINE,

Auditor of Public Accounts for Utah Territory.

The Salt Lake R. R. Bill.

Money's Los Angeles Express has this to say of the Salt Lake railway bill which passed the California senate on Saturday night, and is now awaiting the action of the house: Saturday evening, Senator Mallory called up and passed the Salt Lake railroad funding bill, a measure which deserved to be particularly commended. In the first place the bill was not sent to the senate when it could have been, it only passed Assemblyman Rolfe the last day on which bills could be introduced under a suspension of the rules. The bill was sent Senator Mallory's way two days later. He introduced it then by unanimous consent under suspension of the rules. When it came back, he got a special meeting of the judiciary committee and managed to get a favorable report for it. When it came back from the printers he substituted it for one of the other bills, thus preventing it on the calendar. It came up for second reading on Friday evening, and could have had passed then by by a simple the word "amend" and get substituted for such "amendment" that introduced an amendment and recommitted again. Monday it came up again, and the senate by a motion to suspend the rules, brought the passed copy when opposed to it, razor-backers. However that may be, it got twenty-nine votes, counting the vote of Senator Daly, who is opposed to it. Nine votes were required to suspend a recommitment. All the Los Angeles delegation voted aye, and the negatives were very severe. That leaves no question, and it will require a change of three votes to defeat it. I get the assembly vote in recession, which is it safe to say they will not do.

Unanimously, the Speakers say, their road will come out to Los Angeles, though they are not prepared to say whether it will go from Colton or via the Santa Fe, meaning disappointment to Mojave. If Mojave loses hold to the San Joaquin Valley road will go to Los Angeles as an independent line, so that at least good is secured to Los Angeles with all competing railroads are not to be had with one.

Well and Happy

Thanks to Hood's Sarsaparilla—Dull Headaches—That Tired Feeling.

Mrs. W. H. Tolen
San Francisco, Cal.

"One of the greatest medicines people make is Hood's Sarsaparilla. I have taken it on other occasions, or in other words, to what most people are now in the habit of taking for the spring tonic. Neither my wife nor myself were well when I decided to try Hood's Sarsaparilla, and my wife is the happiest woman in the world. Her health had been failing for a long time, and she had lost many pounds, and was very pale. In the first place she had a dull, heavy headache, and a little exertion would tire her greatly, and she was very pale. In a few weeks Hood's Sarsaparilla made her well and happy, and she now weighs 150 pounds." Yours truly, W. H. TOLEN.

Second to a Severe Sickness

and a cough which had left people weak and emaciated, Hood's Sarsaparilla worked a complete cure, and I am happy to recommend it to all who need a good medicine. Yours truly, W. H. TOLEN, 1006 Bush St., San Francisco, Cal.

Hood's Pills cure all liver ills, constipation, biliousness, jaundice, sick headache, indigestion.

At the World's Columbian Exposition at Chicago. A medal and diploma worded: "Supreme excellence in material, method in manufacture, and quality of finished product; capable of good wearable, combined with holding power in shoes. It allows the use of very small nails."

There is nothing better of our own excellence and of their quality than the fact that we have for years been the leading manufacturers of horse nails, and the quality of Putnam nails is the same today as it was when "Putnam" was in place. Ask your shoe dealer for Putnam nails, and take no other. Insist on having the Putnam nail, which only has the quality of holding power in the world, and you will find the best and most economical nail to use.

If your shoe dealer does not have our nails, write us and we will see that you are supplied.

Yale's Hair Tonic.

LADIES AND GENTLEMEN: It is with the great pleasure to call the attention of the public to Yale's Hair Tonic, which is the first, and only remedy known to chemistry which can really cause gray hair back to its color and life without dye. It has gone so beyond that Mme. M. Yale—wonderful woman chemist—has made the most valuable of all chemical discoveries. Mme. Yale personally endorses it as safe and gives the public her solemn guarantee that it has been tested in every conceivable way, and has proven itself to be the very Holy Specific. I urge her taking immediately an active a harmless growth. Contains no injurious ingredient. Physicians are invited to analyze it. It is not sticky or greasy, on the contrary it makes the hair soft, youthful, fluffy, and keeps it in curl. For gentlemen and ladies with hair a little gray, wonderful, merely gray, and with BALD HEADS, it is specially recommended. All druggists sell it. Price, $1.

If anyone offers a substitute, shun them.
