LEAVE FOR PORTLAND.

City Council Party Off for Lewis-Clark Exposition—Mayor Did Not Go.

The councilmanic junketing party left this morning at 10:30 o'clock for Portland to attend the fair and visit other Oregon points of interest. Although reservations were made in the special car for Mayor Morris he did not go with the party. Neither did Councilman Fernstrom and wife nor Councilman Neuhausen and wife take the trip. Councilman A. J. Davis is now out of the city, but he and his wife will join the party at Portland later. With the changes mentioned the list of those who departed on the trip this morning is as follows:

A. F. Barnes and wife, E. H. Davis and daughters, J. H. Pierce and wife, F. J. Hewlett and daughter, E. A. Hartenstein and wife, R. S. Wells and wife, W. J. Tuddenham, wife and daughter; L. D. Wood and wife, T. R. Black and wife, Capt. J. H. Burbidge and wife, Thomas Hobday and wife, Miss Rebecca Morris and Miss Emma Morris, J. D. Dean and wife, L. D. Murtin and wife, A. J. Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. We sell and recommend this preparation." For sale by all druggists.

MUST BE STOPPED.

Gambling at Bingham Junction Under The Ban—Other County Matters.

Gambling must go. Bingham Junction fortune hunters in the fields covered with green cloth will have to seek other pastures if they wish to continue their vocations. Sheriff Emery has been directed by the Board of County Commissioners to take this step upon recommendations made in a report submitted by Commissioner Mackay and letters written by business men of the place, who denounce the gamblers from moral and commercial standpoints.

The commissioners at their meeting held yesterday also approved of the Westminster Heights addition laid out by Clark O. Dunshee.

The resignation of E. E. Brown as registering agent of the 40th district was also accepted. Mr. Brown is moving from his district.

A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipiency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in case of cholera infantum. For sale by all druggists.

LAWN SPRINKLING ONLY TWICE A WEEK

Scarcity of Water Makes Issuance Of Such a Proclamation Necessary.

COUNCILMEN ALL AGREE TO IT

With This Rule Enforced the Dust of The Streets May be Allayed for The Public Health.

In order that there may be sufficient water for the streets of the city to even partially be sprinkled and the dust laid in order that the public health may be protected against typhoid fever and other contagious diseases, the germs of which are carried in the dust, the city council last night authorized Mayor Morris to issue a proclamation restricting the use of water for sprinkling lawns. The mayor asked authority to issue such a proclamation and it was granted without argument. The proclamation was at once issued and it restricts the sprinkling of lawns to between the hours of 7 and 10 p. m. each Tuesday and Friday in the upper district and between the hours of 5 and 7 p. m. on the same days in the lower district.

MAYOR'S PROCLAMATION.

Following is a copy of the proclamation:

Whereas the City Council of Salt Lake City has, by resolution, instructed the Mayor to issue a proclamation limiting the sprinkling of lawns, yards, etc., in the district known as the "upper district" to each Friday and Tuesday, between the hours of 7 p. m. and 10 p. m. and in the district known as the "lower district" to each Friday and Tuesday, between the hours of 5 p. m. and 7 p. m.; now,

Therefore, I, Richard P. Morris, Mayor of Salt Lake City, Utah do hereby proclaim and make known that all persons residing in the upper sprinkling district are permitted to sprinkle their lawns and yards in the "upper district" each Friday and Tuesday between the hours of 7 p. m. and 10 p. m., only, and that persons residing in the "lower district" are permitted to sprinkle their lawns and yards each Friday and Tuesday between the hours of 5 p. m. and 7 p. m. only.

Any person violating any of the provisions of this proclamation shall, upon conviction thereof, be fined in any sum not exceeding $10 for the first offense and not exceeding $20 for each subsequent offense, as provided in section 802, chapter 58, Revised Ordinances of Salt Lake City.

Dated this 15th day of August, 1905.

RICHARD P. MORRIS, Mayor.

MAYOR'S RECOMMENDATIONS.

The mayor's communication in which he called attention to the necessity of having water to sprinkle the streets follows:

"August 14, 1905.

"To the Honorable President and Members of the City Council:

"Gentlemen—Owing to the unusual shortage of water at the present time, and with a fear that the present unprecedented dry period may continue for some time to come, and from the fact that at the present time there is not sufficient water to sprinkle the lawns of the city and the streets at the same time, and firmly believing that the health of the city depends largely on the sprinkling of the streets, I therefore respectfully recommend that the sprinkling of lawns be curtailed until such time when the water pressure attains its normal condition.

"Under the city ordinances, the mayor may be authorized by special resolution to curtail the use of the water for certain purposes, and I respectfully recommend that your honorable body adopt such a resolution that will enable me to issue proclamation covering the matter. Very respectfully,

"RICHARD P. MORRIS,
"Mayor."

When the matter was brought to the attention of the council, a resolution was introduced by Fernstrom authorizing the mayor to make the restriction. The resolution was adopted by a unanimous vote.

Rheumatism.

When pains or irritation exist on any part of the body, the application of Ballard's Snow Liniment gives prompt relief. E. W. Sullivan, Prop. Sullivan House, El Reno, O. It is the only remedy I have found that gives immediate relief." 25c, 50c, $1.00. Sold by Z. C. M. I. Drug Dept. B
