TURN DOWN FOR JACK JOHNSON

Black Champion Refused Place In Vancouver Hotels.

TALKS ABOUT JEFFRIES.

Says He Will Meet Big Boilermaker At Any Time or Place in Three Weeks.

Vancouver, B. C., March 10.—Vancouver hotel proprietors drew the color line very strictly last night when Jack Johnson the black heavyweight champion, attempted to put up for the night. Coming up from the steamer, the colored man with his white wife and friends went to the St. Francis hotel. Johnson was politely told that the hotel was filled to overflowing. The clerk was very sorry, adding, "really, Mr. Johnson, it could not be helped." They did not have any room and that was all there was to it. The fighter took the turndown with good grace the first time, but when it was repeated in five other hotels, especially $2 a day houses, he was abusive. Mrs. Johnson said very little, but was plainly very much disgusted at the turn of affairs. Late in the evening they obtained accommodation at the Dominion, a downtown house. Johnson spent part of the night at the home of George Paris, a boxing instructor. This morning Johnson could not be found anywhere.

Sporting men here are inclined to comment on Johnson's lack of definiteness in making possible arrangements for a fight with Jeffries. When the newspaper men last night asked him if he would fight Jeffries, he invariably replied:

"Oh, yes; I will take on anybody."

But when it came to planing down the black man to details that brought up in mind a vision of himself in the squared circle with the boilermaker, Johnson sidestepped across the Pacific to some more or less irrelevant story of his treatment in Australia. Time and time again he refused to talk about Jeffries. Plainly he does not intend to meet the white champion for a year or two anyway. The sport "dopesters" here figure it out that Jack learned so many lessons in chasing and being chased when he went after Burns that it will be a long and merry hunt that Jeffries will have to get him into the ring. Some even think that Jack is a little afraid of the big white man, but Sam Fitzpatrick comes to the black man's rescue on that score. He says:

"I can see nothing to it but that Johnson will be champion for as many years as Jeffries held the title at any rate. You may take it from me the Johnson is not afraid to meet Jeffries. The colored man says that he will meet any man and literally that includes Jeffries and he means it that way. In their fight at Sydney, Bruns was never in it for a moment. He had no chances at all. I believe fully that Johnson is the greatest fighter now in sight, black or white. He has great courage and is as quick, agile and hard as a big tiger."

Fitzpatrick read in detail the interview given the Associated Press in New York by Jeffries last night. When he had finished he suggested that the big boilermaker was underrating Johnson and added:

"There is only one white man who has any right in the ring with Johnson and that is Jeffries. But I don't think that even Jeffries could beat the black. Jeffries is a long way from being in shape, and even if he could get in condition, I sincerely believe, knowing both well, that the colored man would have the better of it.

NOT CORBET OR KETCHEL.

For Corbett to fight Johnson would be ridiculous. Ketchel is altogether too small. It would be a shame to match them. For second choice after Jeffries I would select Jim Barry of Chicago, but really he wouldn't have a chance. Johnson is destined to hold the championship for some time to my way of thinking."

Johnson's former manager bears the big colored man no ill will, declaring with a shrug of his shoulders that it was impossible for any man to handle Johnson after he gained the title. Johnson has wasted since then to be his own boss absolutely, though Fitzpatrick declared that he understood the champion's white wife would assist in arranging matches for him.

Fitzpatrick left this afternoon for Seattle, en route to San Francisco, whence he goes to New York.

Regarding his fight with Burns, Jack Johnson said this morning that he had no proposition made to lay down to Burns. But he added:

"I know, though, that Referee McIntosh was supposed to be fixed to give Burns all he could."

"I will fight Jim Jeffries any time on three weeks' notice."

"Will you fight this year?"

"I will fight this year or any other year."

This statement was made today by Johnson in reply to queries by the Associated Press.

The black champion went further. He said:

"I have read what Jeffries had to say in New York last night. When Jeffries and John Johnson get in the ring you can bet it will be a great event. People will come from everywhere," and his eyes glistened as if he was already counting the gate receipts. He continued:

"I won't let a little thing like a theatrical engagement interfere with the match with Jeffries. I am ready any time. It takes two to make a bargain. When he says he is willing I will be there. If he said this afternoon that he would fight now, I will engage to fight him three weeks after I can get to the place where we meet. I will fight him one month from now, two months, three months—any time at all. They can go ahead making their arrangements for this summer or this fall as fast as they like. The British theatrical engagement can wait."

Johnson likes to picture himself as the mayor of the city, with all the aldermen sitting around him as lesser lights in the prize ring firmament.

"The mayor is the leader, ain't he?" said Johnson.

"Well, it is up to him to meet everybody. I am just the same as the mayor."

At Oakland.

Oakland, March 10.—Stanley Fay proved a disappointment by failing to finish inside the money in the Morris handicap at Emeryville today. GANS AND WHITE.

Former Champion Matched to Meet Britisher Tomorrow Night.

New York, March 11.—Joe Gans, the negro lightweight, will meet Jabez White, the English fighter at the National Athletic club here tomorrow night. Gans arrived here last evening from Baltimore and will put the finishing touches on his training today preparatory to the 10-round bout. Gans hopes to win, but he realizes that he has a hard proposition before him.

ABE ATTELL WINS.

Philadelphia, March 10.—Abe Attell tonight knocked out Young Pierce, colored, of this city, in the sixth round of what was scheduled to be a 15-round bout before the Olympic Athletic association at Essington. Attell was the colored boy's master throughout, the latter at no time being able to land an effective blow on the featherweight champion. The best Pierce could do was to jab light lefts to the face and these had no apparent effect on Attell.

TEAM IS CHOSEN.

Oxford, England, March 10.—The team selected by Oxford for the Oxford-Cambridge game includes the following Rhodes scholars:

Putting the weight—G. E. Putnam, Kansas; D. G. Herring, Princeton.

100-yard dash—L. C. Hull, Michigan; J. W. Windrow, Iowa.

Quarter-mile—L. C. Hull.

CIRCUIT ENLARGED.

Pittsburg, March 10.—At a meeting of the Ohio & Pennsylvania, West Virginia & Maryland racing circuit here today, Baltimore and Hagerstown, Md., and Morgantown, W. Va., were added to the circuit.

A uniform card of four races with purses of $1,000 each, was decided upon. They will be 2:14 and 2:23 paces; 2:17 and 2:23 trots.

WITH THE BOWLERS.

Pittsburg, March 10.—The scores in the individual and two-men events at the American bowling tournament tonight were higher than those of any previous day of the tournament, the alley record in both events being broken, once in the two-men and three times in the individual contests.

The Erick-Novak team of Toledo, O., rolled a score of 1,291, going into first place in the two-men events. The bowlers from Sioux City made a splendid showing in the individual games. F. Breugmann and Henry Hoyer of that place rolling 691 and 663 respectively. E. Peterson of Chicago made 672, these scores breaking the previous record for the alleys.

The prize committee reported today, recommending 582 prizes, worth $21,321.

The five highest five-men scores in the events beginning at 8 o'clock tonight follow:

Logan Squires, Cincinnati, 2,621.
Harry Bormanns, Cincinnati, 2,537.
Collins Ki Ki, Cincinnati, 2,516.
Dreyers No. 1, Cincinnati, 2,514.
Rivals, Cincinnati, 2,458.

BASEBALL FANS MEET AND ADOPT RESOLUTIONS

There was an enthusiastic meeting at the Commercial club last evening of baseball fans and the situation was discussed at some length. It was the sense of the meeting that a state league be organized as soon as possible in order to insure the national game for the thousands who love it. A committee of five was appointed on permanent organization. Following is the committee: Dr. C. G. Plummer, chairman; John F. Tobin, Irvin Jensen, H. O. Shepard and J. N. Maynard.

The following resolution was offered and adopted:

"Whereas, it is the unanimous sense of this meeting that the Utah State Baseball league is the only practicable medium to insure league baseball in Utah for the season of 1909, and

"Whereas, it is imperative that, as a member of the Utah State league the organization of the Salt Lake Baseball club be perfected at the earliest possible date; therefore, be it

"Resolved, That it is the duty of each and every fan in this city to lend both his financial aid and active support to the Salt Lake club and thereby advance the interest and standing of the national game in Utah."

SOX BREAK EVEN.

Win From Oakland 4 to 3 and Lose To Vernon 6 to 3.

Los Angeles, March 10.—The New Vernon team of the Coast league defeated the White Sox No. 2 team today, 6 to 3. Shafer and Coy, who pitched for Vernon, allowed but four hits, while White and Olmsted were touched for a total of nine. The Vernon team was weak in the field, two of the Sox's runs being due to errors:

Score:	R.	H.	E.
Vernon	6	9	2
Chicago	3	4	1

Batteries — Shafer, Coy and Kinkel; White, Olmstead and Payne and Shaw.

Oakland, March 10.—The Chicago White Sox team No. 1 defeated the Oakland team of the Pacific Coast league today, 4 to 3. The feature was the pitching by Soto, who struck out four men in six innings. A two-base hit by Flanagan in the sixth started the runs for the White Sox.

Score:	R.	H.	E.
Chicago	4	6	2
Oakland	3	7	4

Batteries—Chicago: Smith, Soto, Owens and Sullivan. Oakland: Hoves, Christian, Maise, La Longe and Marx.

FOUR ROUND BOUTS.

Several Were Pulled Off Last Night At Pastime Smoker.

Several lively four-round bouts were pulled off last night at the Pastime Athletic club smoker and those who witnessed them expressed great satisfaction over the results.

Young St. Clair had no trouble in winning the decision over Jim Wiley, and is the club champion. Toy Smith and Jim Brown went four rounds to a draw. Young Arnold quit in the third in his bout with Joe Clark and Kid Prando and Young Olsen fought a four-round draw.

PHYSICAL DIRECTOR HOFFER LEAVES THE Y. M. C. A.

J. G. Hoffer created considerable surprise last night by the announcement that he had tendered his resignation as physical director of the Y. M. C. A., and that he would leave shortly for Seattle. For a year Mr. Hoffer has had charge of the physical department of the institution and has given satisfaction to all concerned, and it was with regret the boys learned that his resignation had been accepted.

Elwood S. Brown, who had charge of the department for about a year and a half, will again assume those duties.

PICKERING DOESN'T THINK EARTH IN ANY DANGER

Cambridge, Mass., March 11.—Commenting on the assertion made recently by Dr. Percival Lowell that the earth was in danger of colliding with some large astral body and thus be destroyed, Prof. William H. Pickering of the Harvard astronomical observatory, says that the chance of such an event is about "one in 100,000,000, raised to the one hundred millionth power."

"A more possible danger," he added, "but nevertheless a highly improbable one, is that the solar system in its journey through space may come close enough to some dark body as to cause a disturbance in the orbital motion of planets and perhaps carry some of them, the earth included, into space. The entire danger is so remote, however, that there need be no popular apprehension about it."

HUGHES IN TELLER'S PLACE.

Washington, March 11.—Senator Hughes of Colorado will succeed his predecessor in the senate, former Senator Teller, as a member of the joint committee on the revision of the laws.

Because of Mr. Hughes' reputation as a lawyer it was especially desired that he should take a place on this committee, but at the same time it was found necessary to appoint the committee before the close of the last Congress. The senators who have in hand the work of revising the laws hit upon the expedient of having Mr. Teller placed on the committee. Thus they procured the appointment of the full complement of members and at the same time prepared the way, through the retirement of Senator Teller, for a vacancy which will make it possible to assign Mr. Hughes to this service.

S.S.S. RIDS THE SYSTEM OF CATARRH

Catarrh is a blood disease which causes a general inflammation of the inner linings or mucous membranes of the body. The discasing of these delicate surfaces and tissues produces all the well known symptoms of the trouble, such as ringing noises in the head and ears, tight, stuffy feeling in the nose, pains above the eyes, irritation of the throat, sometimes slight fever, and a general feeling of weakness and ill health. Even the lungs become affected by the continual passage of impure blood through them, and there is danger of consumption if the disease is allowed to remain in the system. S. S. S. cures Catarrh because it purifies the blood. It goes into the circulation and removes every particle of the catarrhal matter, making this vital fluid pure, rich and healthy. Then the inflamed membranes begin to heal, every symptom disappears, the constitution is built up and health restored. S. S. S. rids the system of catarrh by attacking the trouble at its head and entirely removing the cause from the blood, thus making a permanent and lasting cure. S. S. S. is made entirely from health-giving roots, herbs and barks, and for this reason is especially safe and desirable medicine. Book on Catarrh and any medical advice free to all who write.
