ANOTHER RAMBLER DAY.

The Rambler boys made a great showing for the Ogden races. The first event of the day was the ten mile road race, in which Mr. Conley finished third, taking third prize and third time prize. Then came the track race, the Dock taking second in the mile. Charles Scott, Walter second, and Thatcher third in the mile scratch, class B, all "Ramblers" you will note. In the half mile class A, Hay came second, Cotter third. Half mile, class B, Thatcher second, Parker third. Five mile, class B, Parker second. In this race more on a wheel will not be looked for but Cornelsen and Weiler being immediately behind him, the result was a spill for those parties and the race left to Crane. The five-mile, class A, was another Rambler event, Hay taking first, Jim Dock second and Mr. Conley third. Fourteen prizes in one day is glory enough for any one.

Poor boy! poor boy! and poor old city,
Not boys only know if they have, or
Not Rambler's win race without the go,
Experience of top rider's fall.

Moral: Be a Rambler! Ride a winner and you'll be a spreader.
