CONFESSION MAY GO AGAINST HIM.

Application of Nick Haworth for Pardon Strongly Opposed by District Attorney.

SLAYER OF THOMAS SANDALL.

Other Cases Considered by Board of Pardons at Its Monthly Meeting Today.

At the regular monthly meeting of the state board of pardons today the application of "Nick" Haworth for a pardon was further considered and Dist. Atty. Halverson, who prosecuted the case, presented a strong argument against the pardon. He presented the testimony of several witnesses in regard to Haworth's confession of guilt made prior to his trial and also the testimony of one witness who said that he heard Haworth confess to his attorney, A. J. Weber. Haworth was convicted of the murder of Thomas Sandall at Layton in 1899 and was sentenced to death. This sentence was commuted to life imprisonment by the board of pardons some time ago and he is now asking for a pardon.

The other applications considered by the board today are:

He was given a ticket to Ogden and some streetcar fare and instructed as to what car to take after arriving at Ogden. He was told to present his commitment papers to Supt. Allison who would notify the court of his safe arrival. The boy kept his word and arrived at his destination last evening.

Spiking, the husband of plaintiff, who was killed by being struck by one of defendant's cars at the corner of East Temple and Second South streets about two years ago. Plaintiff was represented by Powers & Marioneaux and defendant by Young & Moyle. The case was sumitted to the jury about 4 o'clock yesterday afternoon, after having been on trial for over a week. The jury was locked up over five hours without arriving at a verdict. The case will be tried again.

DIED IN THE CANYON.

Body of George Huntington of Springville Found by Dr. Vincent.

(Special to the "News.")

Springville, Utah, June 17.—The dead body of a man supposed to be George Huntington, a fisherman of this place, was found this morning in Hobble Creek canyon, on the banks of what is known as the Power Plant canal. The find was made by Dr. Vincent of Salt Lake who, not knowing the man, sent word to town and had the officers sent up after the body. The reason for supposing that it is that of Mr. Huntington, is because the man has been missing for some time, having left his companion fishermen and failed to return as he had promised. Besides, the body was found just about where Mr. Huntington was last seen. The other members of the party, consisting of H. G. Wood, Will Vallant and Will Packard, returned here last night, after having waited some time for Mr. Huntington to return. It is supposed he was attacked with heart failure and expired suddenly. Huntington was about 45 years of age and leaves a wife and family in this city.

This afternoon the body was positively identified as that of Huntington and that death was probably due to a stroke of apoplexy.

FLORAL FESTIVAL.

Unique Affair at the Tabernacle Tomorrow Morning.

At 10 o'clock tomorrow morning in the Tabernacle, the Sunday schools of the Salt Lake stake, 16 in number, will participate in a unique musical and floral festival, arrangements for which have been going on for some time. The decorations will be elaborate and extensive, and the schools will enter the spacious building between 9:30 and 10 a. m., passing beneath huge floral arches to their assigned places. The program to be rendered is a most interesting one and the assurance is given that speechmaking will be reduced to a minimum, so as not to render it tiresome. Each school has a number, which will reflect the work being done in the different wards.

Sunday school officers from other stakes are invited to occupy seats immediately below and to the right and left of the stand, while all other visitors will be admitted through the east gallery door. The lower floor is exclusively for the Sunday school officers, teachers and pupils.
