THE EVENING NEWS.

Tuesday, - April. 13, 1875.

The British Mission. — The following are from the *Millennial Star*, March 16—

"Merthyr, March 11.—It affords me great pleasure to inform you that within the last six weeks we have baptized 24 persons, (8 of these previously reported by Elder Geo. L. Farrell, Jan 30, 1875.—ED.) and about the same number have given in their names for the same purpose; in fact, there is quite a good spirit prevailing in and about the various Branches. Our meetings are attended by a goodly number of strangers, to all appearance honest hearted and seekers for the truth. The condition of this part of the country (temporally) is deplorable, on account of the strike and lock out; privation and hunger exist to an enormous extent; but thank the Lord, he has been merciful to his Saints in this part, nearly all of them are working, on account of the masters that have their works and pits in operation, and not in connection with the Masters' Association, adopting the double shift system, thereby employing a greater number of hands than would otherwise be the case, but at lower wages.

"HENRY HUGHES."

"Liverpool, March 12.—During the past month brother G. Ball has been traveling with me through the greater part of the Conference, and on the whole I may say we have had an agreeable time in our visiting.

"Feb. 10th we visited Elder Gittens, President of the Liverpool Branch, and stayed for the night at Linacre village. We held meetings at Southport, and at Preston had a good meeting, and I believe the interest in the work is increasing among the Saints.

"At this place we have a gentleman, though not of our faith, who extends a standing invitation to the Elders to call upon and visit with him, which we generally do and our thanks are drawn out towards him for his generosity and good feeling towards the Saints. We visited Burnley, Clitheroe and Blackburn; there are not many Saints in these last named places, but the majority are old, well tried members, and feel to abide in the truth.

"At Over Darwen we held meeting. There is some little interest manifested by the world in our principles, and I always feel free and unfettered in this place, there seems less opposition and bigotry to contend with. A great many co-operative enterprises have been started here, and many of them are established, paying institutions, which in my opinion tend to more liberal sentiments.

"We visited the Saints in Ince, and found them united and doing well. At Upholland we had a good meeting, and have reason to think a more lively interest is being manifested among the Saints in that Branch. In St. Helens there are but few Saints, but the majority are doing the best they can. In Widnes, Rancorn and Chester we have a few Saints whom we visited, and found them feeling well. I am happy to say the Presidents of Branches generally are awake and trying to do their duty, and feel encouraged for the future. It is true we have in almost every Branch some dead and dried up members, and we may have to use the pruning knife ere long. I have the pleasure to inform you that brother Baldwin, of the Upholland Branch, has promised £20 donation towards the building of the Temples. During the past month five persons have been baptized. To-morrow I leave for Over Darwen, and then shall proceed to Barrow-in-Furness. I am well in health, and take pleasure in my labors.

"W. B. BARTON."

MORE THAN

6,000,000

Of One Number Alone of the Justly Celebrated

SPENCERIAN

Double-Elastic

STEEL PENS

Were so'd in 1874, being a gain of more than 1,000,000 over the year previous; this, with the marked increase in the sales of the other numbers, shows that the **superior qualities** of these Pens are being more and more appreciated, and that they **are destined** to take their place as the **most popular** Steel Pens in the market. They are made of the **best steel** by the **most skilful workmen in Europe**, and are a nearer approximation to the real **Swan Quill** action than anything of the kind hitherto invented.

The Spencerian Steel Pens are **universally used** in the **Commercial Colleges** throughout the U. S., more largely than any others by the **United States Government**, and quite generally in the **Banks, Counting Houses and Schools** of the country; and are **for sale by the trade generally.**

We claim for the Spencerian superiority **over all other** pens in **durability, elasticity, flexibility** and in **evenness of point.**

*** *The Spencerian Pens are comprised* **in 15 numbers,** *varying in flexibility and fineness of point, and, for the convenience of those who may wish to try them, we will send a* CARD *containing a* SAMPLE OF EACH NUMBER *by mail, securely inclosed, on receipt of* 25 cents.

Rocky Mountain Pills.

A VALUABLE MEDICINE,

From New and Rare Medicinal Plants recently discovered in the Rocky Mountains!

PURELY VEGETABLE.

FIFTEEN years of earnest botanical research among these mountains and valleys have resulted in the discovery, not only of many new varieties of plants, but of new species, some of which have wonderful medicinal properties. By continued experiment their virtues have become known—and thus from extracts of these newly discovered plants are these pills compounded.

If properly used, they will cure very many diseases, pains and aches, and are more especially valuable in DYSPEPSIA, LIVER COMPLAINTS, INDIGESTION, JAUNDICE, and all cases of FEVERS, COLDS, URINARY AND KIDNEY DISEASES, RHEUMATISM, COSTIVENESS, HEARTBURN, DIARRHŒA, MUMPS, MEASLES, for PURIFYING THE BLOOD, and for many other diseases, and all cases of BILIOUSNESS and DISORDERED STOMACH.

On orders accompanied by the cash or postal order, I will send safely by mail, postpaid, 1 box Pills for 25 cents; 1 dozen boxes, $2.50; 1 gross boxes, $20.00.
