UNIVERSITY BOYS DEFEATED PROVO.

Coach Maddock's Athletes from East Bench Took Nearly Everything

FINAL SCORE WAS 82 TO 29.

Out of the Thirteen Events Pulled Off, The U. of U. Captured Ten of Them—What?

Ten out of thirteen events!

What!

Ten events out of thirteen or, U. of U., 82; B. Y. U., 29.

Oh, I see!

That's what happened at Provo on Saturday afternoon when the U. of U. track team closed with the B. Y. U. of Provo, in the presence of 3,000 persons, each person yelling like mad for his or her favorites. It was an awfully one-sided affair, but for all that it was highly interesting, and was enjoyed by everybody who saw the meet. It was simply a case of too much muscle for the Provo boys. The East Benchers were better trained, and in better shape, despite the rumors floating about a few days ago to the effect that Maddock's men were neglecting their training. That statement must have been intended for a huge joke.

The B. Y. U. boys were mighty close in several of the seconds, and they are confident of doing much better in the coming state meet, scheduled for May 20th. This state meet, by the way, should be full of interest. The contest between the Provo and U. of U. stalwarts, and that which took place in Logan the same day between the A. C. and the B. Y. College of Logan developed some new material which will come together for the first time on May 20. Especially will this be true of the runners in the 220-yard event. Whitney of the U. of U., McAllister of the B. Y. U., Frew of the A. C., and Kennerly of the B. Y. U. are all looked on as crack men, and there will be the warmest interest in the developments on the first meeting of the quartet.

The Salt Lake team, accompanied by about 100 rooters, arrived in Provo at 11:30 Saturday morning. They were met by a delegation of B. Y. U. students and a brass band and escorted to the University grounds where a fine luncheon was served them. The battle on track and field began at 2:15, and while the visitors had all the best of it, a pleasing feature was the total absence of any bitterness or wrangling.

Following is the summary of the events:

220-yard hurdles—Butler, U. of U., first; Ballard, B. Y. U., second. Time—26 4-5.

100-yard dash—Whitney, U. of U., first; McAllister, B. Y. U., second; Moore, U. of U., third. Time—10 2-5.

880-yard run—Hume, U. of U., first; Wade, U. of U., second; Pitt, U. of U., third. Time—2:05 2-5.

220-yard run—McAllister, B. Y. U., first; Whitney, U. of U., second; Moore, U. of U., third. Time—23.

120-yard hurdles—Park, U. of U., first; Hunt, U. of U., second. Time—17 2-5.

One-mile run—Wade, U. of U., first; Rose, B. Y. U., second; Hume, U. of U., third. Time—4:52.

440-yard run—Butler, U. of U., first; Judd, U. of U., second; Swapp, U. of U., third. Time—53.

STAMP IT OUT.

Advices from Provo state that there was one regrettable feature of the game which coachers, students, and participants in future events will do well to vigorously frown upon. This was the appearance of considerable open betting on several of the events. Not only is betting a vicious practise at all times, but in friendly contests between schools it is decidedly out of place, and not only that, but the knowledge that bets are being made on the men "gets on their nerves" so many affect their work, besides mortifying those who are unable to "make good," and often giving rise to feelings on the part of those who foolishingly bet and lose their money. By all means let the respective schools take steps to stamp out such practises in the future.

TO IMPROVE THE TRACK.

It is safe to say that here will be some vigorous training at the U. of U. between this and the state meet. It is no secret that there has been much grumbling over the lack of proper facilities for training, especially over the condition of the track. In fact, the grumbling reached almost the stage of mutiny, but nothing was done about it, and it seemed to be nobody's business to put the track in shape to allow the runners to get in their best work. Mr. Maddock now says that he will see that the track is properly rolled if he has to get out and do it himself.

PROVO ACCOUNT.

Detailed Story of How the Contests Were Waged—Victors and Losers.

Special Correspondence.

Provo, May 1.—About 300 University students and friends came down to this city over the Rio Grande to witness the athletic contest between the U. of U. and the B. Y. U. track team.

This is the first meet these two schools have had alone in for about nine years. The Salt Lakers were met at the depot by a large number of B. Y. U. students, led by the school band. As the Salt Lake people landed the Provolites gave them a cordial reception and cheered enthusiastically. It was with difficult that the crowd was kept quiet long enough for President Brimhall to invite the visitors up to the B. Y. U. campus, where the young ladies had prepared one of the most delicious and substantial lunches ever given on such an occasion.

The meet was called at 2:15 p. m., but long before that time the people had began filling up the grandstand and bleachers, until over 3,000 were on the grounds.

During the contest, Bennion and Swapp of the University team, succeeded in adding a few inches to former state records. Bennion broke his own record of 134 feet 7 inches, by throwing the hammer 135 feet 1 inch. In the broad jump Swapp beat the former state record 5½ inches, by jumping 21 feet 5½ inches.

The greatest surprise of the day occurred when McAllister of the B. Y. U. succeeded in winning the 220-yard dash from Whitney. The latter had already won the 100-yard dash, and the U. of U. had chosen this event among the certainties of the day. At the finish Whitney was completely exhausted and had to be carried off the field.

Neither man, however, was in the best of condition, owing to the wretched state of the U. of U. track. Whitney had not been able to train successfully for this event. This is McAllister's first year in athletics, under a regular coach. Teetzel, the B. Y. U. coach, may not be mistaken in thinking he has a record-breaker in him.

In the 880-yard run the State University boys were easy winners, Hume, Wade and Pitt galloped over the tape in the one-two, three order, leaving the B. Y. U. boys quite a distance in the rear. Butler, Judd and Swapp performed the same feat in the 440-yard run.

The mile race was one of the best gits ever seen on a Utah track. Wade, Hume of the U. of U., and Rose of the B. Y. U. were the principals. The men kept within a very few feet of each other for the entire distance. When they came within two hundred yards of the wire Wade started to sprint and beat the finish.

fore either of the other two men was aware he had gained a slight lead, which he kept to the finish. Rose and Hume weer almost on a line to within 30 yards of the tape, when Rose gained a slight advantage, crossing the tape about 15 inches ahead of the U. of U. man.

Adams is still the star of the B. Y. U. team. Although not in the best form, he captured the pole vault and the high jump for his school. However, he fell below his regular mark in vaulting Saturday and came very near losing to Russell.

When they reached 11 feet 2½ inches both men failed to go over in three trials. Being a tie they were each given three more trials. Adams went over easily, Russell failed to make the height and fell out giving Adams first place.

During the high jump the horse belonging to Mr. Francis Hedquist was frightened at the cheering, and for a few moments promised excitement for the crowd. Mrs. Hedquist and Miss Florence Martin were thrown from the light buggy to which it was hitched. After tipping the ladies out, the rig was upset and before they could be caught was totally wrecked. No one was seriously hurt, although Miss Martin sustained some slight bruises about the arms.

YALE VS MICHIGAN.

Coe Puts Shot 46 Feet—Rose's Record Of 48:07 Still Stands.

Philadelphia, April 29.—Yale and Michigan carried off the honors in the three principal championships at the annual carnival of relay races and fields sports held on Franklin field today under the auspices of the University of Pennsylvania. Yale won the one and two mile relay races and Michigan took the four mile race after an exciting finish.

Two records were broken, but the new figures will not stand. In the shot put Coe, of whom much is expected during the coming year by the followers of athletic sports broke the eastern intercollegiate record of 46 feet, held by Beck of Yale. Coe put the shot 46 feet 11½ inches, but as it was not done during the inter-collegiate championship meet, his figures will not stand. In the discus throw Garrels of Michigan sent the discus 155 feet and 1½ inches, breaking the world's record of 153 feet 6½ inches. His figures were not allowed because of the construction of the discus which was used. The attendance was 6,000.

Our bunch must feel at home today.

After battling bravely in five games, the home team has reached its old place—the tail end. Of course, we don't expect the team to remain there, but who can tell? Out of the five games played the Indians took four. Look at the above table—two, four, six, eight! It will take some fast work to climb up above the Redskins.

Yesterday's game was witnessed by over a thousand fans who braved the cold and rain to see the Spokane team defeat the Reillyites. They saw it all right; six to three. The only look-in Salt Lake had was in the third when they managed to get three runners across the plate. That was all. Spokane took the rest. The detailed score follows:

GAMES ON SATURDAY.

Ogden and Salt Lake Beaten by Spokane Teams.

Saturday afternoon's baseball game at Boise and Spokane resulted rather badly for Salt Lake and Ogden. The Salt Lakers were beaten by the Indians by a score of 4 to 1, while the Lobsters went down to defeat by a score of 6 to 5. Salt Lake made more hits than Spokane, 9 to 7, and yet the Reillyites lost the game, making only one run. This indicates that something must have gone wrong in base running.

At Boise the Babies had everything their own way. Umpire Bill Setley was on the warpath and imposed a couple of fines. Kellackey of Boise was assessed $15 for talking back, and Clark for Ogden was fined $20 for getting too gay with the holder of the indicator. The first fine for Kellackey was $5, but he wrangled with the umpire and was fined $10 more. He kept up the trouble and was ordered out of the game. Clark was also ordered out of the game.

About 200 fans went down to Walker's ball park yesterday afternoon to witness the much-talked-of game between the Short Lines and the Cleaveland Commission teams. Railroad Boys Defeated the Cleveland Commission Aggregation.

The game at Walker's Saturday afternoon for $200 a side between the Cleveland Commission team and the Oregon Short Lines, was won by the latter in a spirited game. For seven innings the teams were tied, each side doing its best to gain an advantage. In the eighth the Cleavelands got three runs and there was much rejoicing among the rooters for that team. In the ninth the score was 6 to 3 in favor of that team, and then the Railroaders began doing things. They got in five runs in the last inning, while the Commissioners got only one, making the final score 8 to 7. The score follows:

UMPIRE ASSAULTED.

Vicious Attack Made by Murphy of San Francisco—To be Prosecuted.

San Francisco, April 30.—The spectators of today's game were furnished the unusual spectacle of a player making a vicious and long continued attack on an umpire. In the first inning while Murphy of the local team was at bat he found fault with Perrine's decisions in calling strikes on him. Mr. Bert, who is an attorney, declared that he would vigorously prosecute Murphy, not only as a matter of legal justice, but also to insure
