LOCAL BRIEFS.

Prof. Knox to Speak—Prof. Knox of Seattle will deliver a series of four lectures, beginning this evening, in Unity hall, the first lecture being on "How to Cure Poverty."

Veteran Employe Resigns—John Vincent, for 37 years an employe of the Z. C. M. I. resigned Saturday night, when his associates presented him with a purse as a token of their regard.

Preparing For Arbor Day—The local nurseries are completing their tree shipments for the spring, and report a heavier business than ever. The call is largely for shade and fruit trees.

Sheepmen Meet Today—There will be a meeting of sheepmen at 4:30 today in the Sharon building to discuss the judgment which hangs over the old wool growers' association, and other matters of importance.

Death of George Duffin—George Duffin, aged 82, and native of England, died of old age, Saturday at his home, 624 west Third North street, after a residence in this city for many years. The funeral will be held from the chapel of Joseph William Taylor, at 1:30 p. m. tomorrow.

Rev. Buxton Leaves—Rev. Albert Buxton officially severed his connection with the Central Christian church yesterday, the resignation being a mutual arrangement between the trustees of the church and himself. A committee will look out for another preacher. Mr. Buxton is teaching school at Eureka.

Leave For Seattle—Governor William Spry and Commissioner C. P. Overfield left Sunday at noon for Seattle to select a site for the Utah building at the Alaska-Yukon-Pacific exposition, and award the contract for the building. They will also confer with the officials of the exposition in regard to date for Utah day.

Dr. Miller's Lecture—Twenty people listened in Library hall Saturday evening, to an address from Dr. J. T. Miller, editor of "The Character Builder." The lecturer spoke of the development of harmony in the individual and said the boys of the eighth grade in the public schools should be instructed in the elements of human nature.

Complimentary Trip—Manager J. H. Sanders of the Bransford apartments and cafe will be given a complimentary trip in July, by the owner of the property in consequence of the 13 years of faithful service given by Mr. Sanders in the interests of the Bransford family. He will visit Los Angeles, San Francisco, Portland and Seattle during the trip.

Opening Up New Street—The office structure used so long by the superintendent of construction at the Newhouse buildings, has been dismantled and sold for dwelling purposes. Cement sidewalks are being laid there, and the street prepared for asphalting. Mr. Morton, the superintendent of construction, has removed his offices into the Newhouse block.

Bishop Scanlan Home—Bishop Lawrence Scanlan of the Catholic church for the Utah Diocese is home from a three months' vacation and rest in Arizona, with his health recovered, and ready for the work of completing the new cathedral, and the dedication program. Bishop Scanlan expects Cardinal Gibbons and Archdeacon Glennon of St. Louis will be present.

Sundwall on Evolution—Prof. James Sundwall of the state university lectured Saturday night, before the University club on "Darwin and the Present Theories of Evolution." He spoke of the many theories of animal origin, stating that the origin of man was lost in the misty past. Elephants could be traced back as far as the Crustaceous period, when they were about the size of mice. The obscurity of the origin of the anthropod species was due to its recent geological status.

Invest Your Money in City Real Estate

Every man having money to invest is anxious to place it where returns are large and sure and the chances of increase in value, great. Knowing just where to snap up such propositions is difficult. Our long experience in real estate enables us to keep in touch with these special values.

For instance: Lot 3, block 150, plat "D," Salt Lake City Survey; to locate more particularly, this is the northwest corner of 10th Avenue and "E" Streets, 10 by 10 rods. We sold this lot 4½ years ago for $750; in 12 months we sold it for $1000. Twelve months later we sold it for $2500. March the 20th, this year, a heavy real estate firm here paid $3400 cash for the property, which they bought for building purposes. Such a firm would not pay more than the land is worth. Figure this profit for yourself. Is it not wonderful? This history can be repeated on many properties in this city today. Just at the present time, we have a few extraordinary values, which will interest parties with a little ready cash.

LET US SHOW YOU NOW. THEY WON'T REMAIN LONG AT THE LOW PRICES ASKED. NO INVESTMENT SAFER THAN REAL ESTATE.

No better city on earth than Salt Lake. None with better prospects.

Get in now and repeat the experience noted above.

WE HAVE:

The very best and most available flat sites now on the market. Near in on North Main, South Temple, Second and Third East, and Fourth and Fifth South Streets, at prices that are attractive and sure to advance greatly in the near future.

WE HAVE ALWAYS LED IN SELLING THE DOWN-TOWN BUSINESS PROPERTIES—sure money makers and worth your inspection.

WE HAVE:

Some new modern cottages and some more pretentious homes on very easy terms. Any member of our firm will be pleased to show our properties.
