DISEASES OF OLD LONGING SKIN.

Professor Angus M. Cannon says of the Keely treatment:

"I thought it impossible for one man to do what Dr. Keeley has done without. Science is conquering the terrible evils of intemperance. The treatment strengthens men physically, mentally and morally. Under these circumstances I do not think another opportunity to endorse such an agent such. Is there a man who loves his fellow-fellows that will fail to say, I wish the Keely management in a most admirable world? I trust his good work may continue."

MEDAL FOR SCHOOLS.

Salt Lake Being Considered by Society for Commercial Education.

DIPLOMAS FOR THE SISTER

Of Charity—Some Rare—Statistics of Attendance—General Average Are Good.

The question of having this city have a medal on exhibit at Chicago in the Columbian Exposition. The medal is a great picture of Columbia, standing four feet looking to the Pacific, and bears the inscription "Where Columbia Deposited an Acknowledgment of the Four Hundredth Anniversary of the Beginning of Christian Civilization in America." "Erected by the Society for Commercial Education." The idea is to have the Sunday School Association of Salt Lake City Public Schools.

Superintendent Wells and Superintendent Lyman, of the Sunday Schools, have taken up the matter and have called a meeting of the Sunday School Association for Tuesday evening, June 23, at 8 o'clock, at the Tabernacle, to consider the matter. Superintendent Wells and Superintendent Lyman will be present and explain the matter. Superintendent Wells has given the matter much study and has a plan in view which he will present to the meeting. The Society for Commercial Education is a very prominent one in the East, and its work is very highly spoken of by the press of the country. The Society has a medal for each school in the city, and the Society is willing to have the medal placed in the Utah Exhibit at the World's Fair, if the Sunday Schools of Salt Lake City will take the matter in hand and carry it through. The Society will furnish the medal free of charge, and will also furnish a diploma for each school in the city, and the Society is willing to have the medal placed in the Utah Exhibit at the World's Fair, if the Sunday Schools of Salt Lake City will take the matter in hand and carry it through."
