LOCAL BRIEFS.

Struck a Wagon—A street car ran into a coal wagon at Third North and Fifth West streets Wednesday evening, damaging it considerably; but no one was hurt.

Dividend Declared—The Salt Lake Security & Trust company declared its eleventh dividend Wednesday afternoon, of 8 per cent per annum, on a capital stock of $300,000, an increase of 1 per cent over former dividends. There remains in the treasury a $100,000 surplus, besides undivided profits.

Memorial and Christmas Programs—Bishops, choir leaders and committees who desire to have their memorial and Christmas programs printed in next Saturday's News, are notified that copy should be handed in as early as possible on Friday, to insure due attention and classification.

Seeks Lost Husband—Postmaster Thomas has received a letter from Mrs. Dexter Balliett of Hugo, Colo., requesting assistance in locating her husband, who is known to have been in Salt Lake. She says that she has written to her husband repeatedly, the address given her being 37 south Second West street.

Lodge Makes Children Happy—Evergreen lodge of the Fraternal Union of America gave 300 children Wednesday evening a Christmas treat in the shape of a huge tree with a wide variety of accompaniments, Santa Claus himself distributing the presents. There were about 700 people present and an excellent program.

Social Science Club Lecture—"The Pillars of Society," a play by Ibsen, is the subject to be discussed at the meeting of the Social Science club tonight. William Thurston Brown, minister of Unity church, will read and interpret portions of the play. Meetings at 8 p. m. at Unity hall, 138 Second East. The public cordially welcome.

Distribution of Anti-toxine—Secretary Beatty of the state board of health says that local health officers over the state are authorized to make a requisition on the state board for anti-toxine for the use of such persons as are unable to purchase this somewhat expensive preventive of diphtheria. A circular letter will be sent to the various health officers of the state on the matter.

Creditable Performance—The assembly hall of St. Mary's academy was well filled Wednesday afternoon by patrons and friends on the occasion of the Christmas celebration there. There was a well prepared and highly interesting program participated in by the pupils, consisting of vocal and instrumental solos, and a variety of ensemble numbers. The performance was creditable, both to teachers and pupils.

No Reward for Police—When Chief of Detectives Sheets and Detectives Curran and Ripley arrested John Thomas on Dec. 12, wanted in Batavia, New York for embezzlement of county funds, they had visions of a reward of $500. Thomas was taken back to New York yesterday by officials from that state and, before leaving with the prisoner, Sheriff Garrett of Genesee county informed the officers here that he did not think the reward would be paid as Thomas was arrested by peace officers.

Child Found by Police—Little Jack Carson, aged 4 years, of Milford, was down town with his mother Wednesday evening and in the crowd was lost. The child wandered onto the sidewalk and asked Patrolman Clough to find his mamma. The patrolman took the little fellow to police headquarters where he had the desk sergeant and patrol driver guessing trying to answer the volley of questions he fired at them. He appeared perfectly contented and took a lively interest in all that occurred. In an hour or two the distracted mother called at the station and recovered the "lost" child.

COMMERCIAL CLUB ANNUAL BANQUET

Affair to be Held in Present Quarters At an Early Date—Bronze Tablets for New Building.

The annual banquet of the Commercial club, which was postponed some time ago with the expectation of holding it in the new club building some time in January, will be advanced to an early date and will be given in the present club rooms. This was done for the reason that progress on the new club building is being delayed and it is not probable that the banquet could have been held there until far into the spring. On Tuesday next the banquet committee will meet and perfect a program.

A specially engraved invitation is to be sent to President Taft who is the only honorary member of the club. The governors of Colorado, Wyoming, Nevada and Idaho, together with their staffs, will be invited as guests of honor, and the officers of the commercial clubs of the larger cities of the intermountain west and the coast will be given bids. Over 600 members who have not attended an annual banquet of the club will be a feature of the event, which promises to be the most notable of its kind in the history of the organization.

At the meeting of the board of governors Wednesday approval was given the report of the nominating committee, which was selected to name successors to retiring members of the board. The names presented were John S. Bransford, to fill out the unexpired term of Joseph E. Caine; Joy H. Johnson, W. W. Armstrong, George D. Alder, H. Vance Lane and Frank Murphy.

On each side of the main vestibule of the new club building will be two bronze plates which will bear upon them the names of the officers and committees who have worked in the erection of the structure. The board of governors Wednesday approved the designs of the tablets, which are to be three by five feet in dimensions.

On one of the plates is inscribed the names of the officers and board of governors for the year 1909. On the other are the names of the finance, building and furnishing committees, together with the architects and contractors.

For a Lame Back.

When you have pains or lameness in the back bathe the parts with Chamberlain's Liniment twice a day, massaging with the palm of the hand for five minutes at each application. Then dampen a piece of flannel slightly with this liniment and bind it on over the seat of pain, and you may be surprised to see how quickly the lameness disappears. For sale by all druggists.

THE CHRISTMAS NEWS

UTAH DOLL FEATUOE AT SUFFRAGE BAZAR

Tribute of Recognition as One of the Four Original Women's Franchise States.

A tribute of recognition of Utah as one of the four original states of the Union granting their women the right of franchise was contained in a letter from Mrs. Carrie Chapman Catt, president of the International Woman Suffrage Alliance, of New York, recently addressed to Mrs. John C. Cutler of Salt Lake City. Under the impression that Mr. Cutler still occupied the gubernatorial chair in Utah, Mrs. Catt asked Mrs. Cutler, as wife of the governor, to furnish on behalf of her state a doll, representing Utah as a suffrage state, in a mammoth bazar held in New York city on Dec. 10 and 11, for the benefit of the local suffrage movement. Mrs. Catt said in her letter that the league had selected four high school girls to represent the four suffrage states, and that "Miss Maud Haas, a splendid young woman, had written to Mrs. Cutler, asking her to furnish a doll for Utah." Mrs. Catt asked that the interest of a number of the women of Utah be enlisted in the cause, saying that it would be a great encouragement for the young women of New York and a fine advertisement for the cause.

Mrs. Cutler at once replied, informing Mrs. Catt that her husband's term as governor expired with the first of the present year, and that she had forwarded the communication to Mrs. William Spry, wife of the present governor of the state. In behalf of Utah, however, and the woman suffrage cause, Mrs. Cutler enclosed $5 for the purchase of a doll for the New York bazar, requesting Mrs. Catt to secure a suitable one to represent Utah.

Under date of Dec. 13, two days after the bazar was held, Mrs. Catt addressed the following letter of acknowledgement to Mrs. Cutler:

"My Dear Mrs. Cutler—I received your very kind letter enclosing $5. I took the money myself and bought the doll for exactly that sum, and labelled it, 'I am a little voter from Utah,' and the young ladies were delighted with it. It was a subject of much admiration, and a very happy young girl went home with it as her proud possession when the bazar was over.

"I thank you most cordially for this kind help. Utah has always stood so nobly by us that we feel very grateful for its many kindnesses, to say nothing of its continued record on woman suffrage. Yours cordially,
CARRIE CHAPMAN CATT."
