No Whiskey!

Brown's Iron BITTERS is one of the very few tonic medicines that are not composed mostly of alcohol or whiskey, thus becoming a fruitful source of intemperance by promoting a desire for rum.

BROWN'S IRON BITTERS is guaranteed to be a nonintoxicating stimulant, and it will, in nearly every case, take the place of all liquor, and at the same time absolutely kill the desire for whiskey and other intoxicating beverages.

THE MOST SUCCESSFUL REMEDY ever iscovered, as it is cortain in its effects and oes not bister. Read proof below. SAVED HIM \$1,800. ADAMS, N. Y., Jan. 30, 1802.

DR. B. J. KENDALL & Co., Gents-Having used a good deal ef your Kendall's Spavin Cure, with great success, I thought I would let you know what it has done for me. Two sears ago I had as speedy a colt as was ever calsed in Jefferson County. When I was treaking blue, he kicked over the cross bar treaking him, he kicked over the cross bar and got fast, and tore one of his hind legs all to pieces. I employed the best farriers, but they all said be was spoiled. He had a very large the curb-pin, and I used two bottles of our Ke. dall's Spavin Cure, and it took the bunch on rely off, and he sold afterwards for 1.500 deliars. I have used it for bone spavins and wind galls, and it has always cured completely and left the leg smooth.

It is a splendid medicine for rheumatism. I have recommended it to a good many, and they all say it does the work. I was in Witheringion & Kueeland's drug store, in Adams, the other day, and saw it very line picture you sent them. I tried to buy it, but could not; they said if I would write to you that you would send me one. I wish you would, and I will do you all the good I can.

Very respectfully. R. S. LYMAN.
