ALL QUIET AT TRANSVAAL.

Kruger Willing to Grant Concessions to the Uitlanders.

Dr. Jameson and Other Prisoners Lodged in Jail—Many Dead and Wounded.

LONDON, Jan. 4.—A private and reliable telegram received here this afternoon from Pretoria, says President Kruger has declared he is willing to make satisfactory concessions to the Uitlanders or foreign population of Transvaal, whose demands for representation, in view of the fact that they contribute practically the whole revenue of the republic, led to the ill feeling which resulted in Dr. Jameson's raid.

ALL SO QUIET.

The colonial office received a dispatch from Johannesburg at 4 o'clock this morning, saying all is now quiet there.

An official dispatch from the governor of the Cape Colony says:

"Sir Jacob Dewitt, the British agent at Pretoria, wires: 'Everything is quiet and no further serious disturbances will occur. A deputation from the Johannesburg reform committee came over yesterday evening, giving guarantees to keep the peace and maintain order. I waited upon President Kruger and informed him of the guarantees. He gave me assurance that pending your arrival, if the Johannesburg people keep quiet and commit no hostile acts or in any way break the laws of the country, Johannesburg will not be molested or surrounded by the Burgher forces. The deputation was highly grateful for this assurance and pledged the committee to preserve peace and order.

"I take this opportunity of testifying in the strongest manner to the great moderation and forbearance of the government of Transvaal under exceptionally trying circumstances. Their attitude towards myself was everything I could wish. The prisoners have just arrived. The casualties on their side are said to be seven and on the side of the Burghers very light."

Another dispatch from Sir Hercules Robinson, to Mr. Chamberlain reads:

"Dispatch writer that Jameson's wounded number over thirty. They are all at Krugersdorp and attended by doctors. Their names are the details of their wounds cannot yet be given. The number killed is estimated at seventy, but no reliable information is obtainable. Bodies are still being picked up on the battlefield and buried.

"Cape Town papers state that Dr. Jameson, Sir Chas. Willoughby and Capsula Wolff, a brother of Lord Annaily, are lodged in Pretoria jail. Gray and Coventry of the Bechuanal and police, and a brother of Earl Cavanaugh are wounded. The Boers captured about 500 prisoners."

Terrible Massacre of Christians.

CONSTANTINOPLE, Jan. 4.—The recent massacre at Urzah is stated to have been a terrible affair. Official dispatches admit that 800 Christians were killed, but according to private accounts about 2,000 Christians were killed. No further details of the massacre, however, have been received. The massacre is said to have occurred at Biedji, an important town on the Euphrates. The outrage is believed to have been committed by Kurds and the Hamedieh colony. The ambassadors have received word that the bloodshed there was exceptionally serious.

Gov. Matthews's Platform.

CHICAGO, Jan. 4.—A dispatch from Indianapolis says:

Governor Matthews, in talking with a representative of one of the farmers' organizations who had been sent to get his views on the money question, said that he would not accept a nomination for the presidency on a gold standard platform. He said he would be willing to be a candidate on the platform of 1892, which he believed is all right if it is construed from a western standpoint. Later on the governor, it is announced, will amplify his views so that his fellow Democrats in all parts of the country may know where he stands.
