"DR. MILES,

Through His Nervine Is a Benefactor to Thousands."

A WIDELY known Colorado publisher, who resides in Glenwood Springs, writes us as follows:

"Five years ago I became so nervous that sometimes I was almost unable to attend to my business or do anything. My condition was noticed by Mr. Oliver Anderson, who recommended to me the use of Dr. Miles' Nervine. I commenced to use it with the result that I am now in good health. I have kept a bottle of it from our store ever since, and I know it to be a good remedy."

Dr. Miles' Nervine Restores Health. Sunday morning, August 23, 1896, I was taken with a very severe attack of nervous headache, accompanied by a general nervous breakdown. Dr. Miles' Through His Nervine is a benefactor to thousands. C. C. LEHMAN.

Dr. Miles' Nervine is sold on a guarantee that bottle will benefit or money refunded.

For Sale by all Druggists.

Gladness Comes

With a better understanding of the laws of health and a proper application of the facts, which result when followed in the permanent relief from all those physical ills which are the inseparable accompaniments of a state of constipation, that so many persons of sedentary habits are subject to, perhaps twenty months, perhaps five years, or longer. This is why it is the only pleasant, gentle and perfect laxative, strengthening the system instead of weakening it by its use, that it is universally prized by those who know its value and have learned that it is the only remedy with which they can be certain of obtaining a pleasant, wholesome laxative without debilitating the organs on which it acts. It is therefore the only laxative to be used when needed, to get the best results. Syrup of Figs is the only laxative product of the California Fig Syrup Co. and sold by all reputable druggists.

If it is the enjoyment of good health, and the avoidance of the ills which follow when it is not obtained, that you or your friends are then not entitled. If afflicted with any actual disease, you may be assured that it will not be relieved by laxatives, but if in need of a laxative, one should have the best, and with the well-informed, it is everywhere acknowledged to be the best laxative, and most acceptable and generally beneficial remedy known.
