NEWS OF THE WEST.

A Young Married Chinese Woman Abducted at Sacramento, Cal.

LARGEST SNAKE IN THE WORLD.

A Married Woman and a Fifteen-Year-Old Boy Elope.—Costly Lamp Explosion.

The Morgan County, Colorado, News has moved to Nebraska.

Los Vegas, N. M., is harvesting its ice crop and exporting it in large quantities.

John S. Dunn, one of the pioneers of California, and a prominent citizen of Oakland for twenty years past, has just died very suddenly.

Douglas county, Colorado, has more its pioneer in there to the square mile than any county in the state. The Plum Creek valley is organizing a pioneer club.

Trinidad papers are demanding the resignation of the board of aldermen impanelled in a whitewashing court. The offenders says if they don't resign they must be "resignated."

A lamp exploded in the store of Rosie Rice, at Wellston, O., and in a short time the blaze of carbons a carbons was obtain. The loss has is $40,000; insurance, $10,000.

Clark Fremont the 16 year-old son of George C. Fremont, a traveling stereopticon through the ice while skating on the Blue river, at Beatrice, Neb., on Saturday, and was drowned.

Cattlemen are not pleased with the outlook for buyers of their treatment at their ranch, says the Tucson, Ariz., Star. Prices are unprecedentedly low, from $1.75 per hundred.

Bonner's Ferry, Idaho, has been discovered to be within the Indian reservation. The postoffice, several stores and residences will have to be removed outside the Indian reserve boundaries.

Nevada is turning its attention at last to irrigation in the valleys. The soil and climate is exactly suitable to the production of sugar, says an exchange, which do not do well in a wet climate.

In Centennial valley, Montana, and near the town of Lima, a dam, started last year, is being completed this winter which will bring 50,000 acres of land into cultivation. The canal will extend to Dillon, Montana.

Leo Haringer, captain of Company B, Colorado national guards, and city editor of the Durango Herald has just died of pneumonia. He was a graduate of West Point and a man of fine natural abilities.

The Bessemer colony people, who recently located homesteads on the Gallion, not far from Colorado springs, are enthusiastic over their selections. The new settlement promises to become a notable potato-growing community.

In Garfield county, Colorado, the railroads are the heaviest taxpayers. The Rio Grande is taxed $14,013, the Midland $10,588 and the Rio Grande Junction $5,474. This is merely the straight county tax, exclusive of township and school district taxation.

On the South Mogollon mountain, near Fairplay, Colo., two miners named McCaul and Lamb observed an avalanche start to move above them. They had just time to run a few hundred feet when an avalanche of snow swept down behind them, right over the spot they had recently stood upon.

The survey of the Colville Indian reservation, opposite Little Falls, Wash., having been completed, and the government inspector having finished his duties of the inspection of the lines, there is a prospect that the settlers will be speedily opened to settlers.

In the Shoshone mountain, Wyoming, fifteen miles from Cora post office, the Cheyenne papers report that a silver vein has been discovered in a mountain 15 ft. It is said to be richly bedded in a strong quartz ledge, belonging to the proletaric pale ledge. The whole is said to be in that neighborhood is valuable.

There are fully 50,000 acres of land tributary to Moscow, Idaho, which are unsurpassed for fertility, yet subject to every drawback except water. The water problem is the only thing now to be solved in order to transform this vast area into beautiful and profitable farms.

The water problem will be settled ere long.—Lewiston Teller.

William T. Roberts, late of Denver, but at present serving a term of twelve years in the Canon City (Colo.) penitentiary for murder, is the latest applicant for pardon. He says the court was prejudiced against him, the prosecuting attorney intimidated a witness, and the wife of the prisoner was allowed to testify, which, he claims, she did not.

Naturalists say that the largest serpent of which accurate measurements have been taken is twenty feet, but no specimen which has been found dead and suspended in the form of a tree in Mexico. It was dragged in into open ground by two horses and a careful measurement with a tape line proved that it was thirty-seven feet in length.

Three indictments have been formed by the Ada county grand jury against Edward M. Goodrich, a young man who lives in Boise valley, each charging him with grand larceny. One indictment charges him with stealing a calf, another with stealing five calves and two steers, and the third for stealing two calves. Young Goodrich has always borne an excellent reputation. He says he purchased the stock.

Edward Tuohey was seriously injured at the Grizzly mine, St. Kevin district, Colorado, on Saturday, and will in all probability lose the sight of both eyes, besides being disfigured for life. He was pinning out some loose rock when a terrific explosion occurred. It is supposed that he struck a "missed" hole. The force of the explosion threw Tuohey some distance from the rock with great force, badly bruising him, besides other injuries.

Parties from Summit Lake report a remarkable elopement case in that section of the Lassen (Cal.) County. A fifteen-year-old boy ran away from home with a married woman of Susanville, but left her at Lake Almanor. The woman, a comely person, several years the senior of her youthful lover, had been working in the boy's home, and announced the intention of leaving. The boy proposed that he go along to assist her home with her goodies. Fun ensued on the journey, and since then the boy has been in track of them.

The greatest excitement prevails in Chinatown, at Sacramento, over the abduction of a young Celestial woman, says the San Francisco Chronicle. Shortly after 5 o'clock in Chinatown Monday two white men walking rapidly through the streets, one of them drew up to her house and called, and as the door of the house was left on important business, induced her to step outside. Scarcely did the words appear when the slight girl was thrown a blanket over her face and forced into a wagon. They then whipped up the horse and drove furiously up Tehama street, where they were lost in the darkness. Last accounts of the affair say that the abducted woman has not since been found.

Two Stepping Stones

to consumption are diseases so often given labeled—cold and cough. Consumption that has proved its rapidly increased—Consumption from neglect."

Scott's Emulsion

not only stops cough but it is marvelously successful where the cough has become deep seated.

Scott's Emulsion is the richest of fat-foods yet the easiest fat-food to take. It arrests waste and builds up healthy flesh.

SCOTT & BOWNE, N. Y. 50c. and $1.00.
