tween 14 and 1 per cent. The men who are credited with this bear movement are Jay Gould, Jas. R. Keene, Russel Sage and Addison Commack, aided by outside speculators who rushed in to let their steam of the state o stock go at any price fearing lest a general panic would result in wip-ing their margins entirely. Many failures were expected from this great stock fall in prices, but up WESTERN. THE BOXANZA KIN-S. Receive Rough Treatment. to the present only one has been re-A Mining Lecture.

clined 20 per cent., and the re-mainder of the list all the way be-

Edward Livermore, 35 Broad Street, suspended this afternoon and notified the Exchange of his inability to meet his eagagements. About the first call there was a sharp recovery of 10 per cent. in Delaware and Hudson, and the general list railed to 6 per cent., general list raised to 6 per cent., but this was succeeded by another attack shortly after mid-day and

ported.

EVENING NEWS.

aturday, . . November 22, 187

BY TELEGRAPH

EASTERN.

An Exciting Day.

the charge of disturbing the meetice formed so thick last night that ice breakers have to be used to keep open a free passage for boats. Syracuse, 21. — A driving snow storm raged in this section all day, accompanied by high wind. Boatmen experience difficulty in getting along, and trains are somewhat delayed.

New Race Course.

The following news item, especially interesting to turimen, is furnished by the Spirit of the Times.

The Coney Island Jockey Club has secured a splendid piece of property to make a grand race course. It is located on the mainland, just opposite Coney Island, within five minutes walk of the beach, and convenient to several lines of transportation to the island. The Club intends to go to work at once with its plans for constructing a magnificent grand stand, and necessary of the says, as a flood would in the plans for constructing a magnificent grand stand, and necessary of the says, as a flood would in the plans for constructing a magnificent grand stand, and necessary of the says, as a flood would in the plans for constructing a magnificent grand stand, and necessary of the says, as a flood would in the plans for constructing a magnificent grand stand, and necessary of the says, as a flood would in the plans for constructing a magnificent grand stand, and necessary of the says, as a flood would in the plans for constructing a magnificent grand stand, and necessary of the says, as a flood would in the plans for constructing a magnificent grand stand, and necessary of the says and the charge of unscrupulous allens. There as at no time at the ladvantage of unscrupulous allens. There as a new time feat the say of the was at no time. There was at no time the hierarch and the headth of the would in the says the make known the wastade that he would not the says the make known the wastade that he would not the say of the manage of the principal to the manage of the principal the two danger of war, but Grant presented a valuable curtain to the manage of the principal the manage of the principal ficent grand stand, and necessary steps have been taken to obtain plans and specifications of the most extensive and beautiful structures of this character in England and Continental Europe; and from these a building will be modeled, unsurpassed by any similar structure in the world, either in its capacity or the perfectness and convenience of the salvised no one to buy on his say-so, as Flood would inflate the stocks, and after unloading break them down and punish those following the speaker's advice. He asserted that the existence of this bonanza on the 2,200-foot level of the Mexican was known to the Bonanza firm two years ago, but that the development in Sierra Nevada was a surthe perfect ess and convenience of ment in Sierra Nevada was a sur-its appointments. The Ciub has prise to them. decided to try the experiment of a turf course in addition to one, and perhaps two, tracks within the enclosure. The grounds will be high. it was a large one and had spoken ly adorned. In addition to the solding and casting out paddocks, a handsome promenade will be laid our for the use of visitors. The steeple-chase course will be the Norcross, to inform the stockholdmost complete and extensive in ers in his official letter of the recent this country; the purpose being to make it equal to the best cross country course in England or

the Yellow Jacket, but did not state its whereabouts definitely.

He then alluded to Kearney's threats to break up the meeting, and claimed he was acting in the outlay necessary to complete all the improvements in contemplation. portant piece of news in Wall Street to-day was the announce-ment of the fact that the Atchison, ment of the fact that the Atchison, Topeka and Santa Fe Railroad (a rich Boston company) had completed an arrangement with the St. Louis and San Francisco Railroad, in pursuance of which a railroad is to be built from Santa Fe to San Francisco, under the old charter of the Atlantic and Paulic Railroad. This charter is still valid, and the land grant carried with it conveys 40,000,000 acres. With it bends are to be i-sued to the amount of \$25,000,000, secured by

take \$500,000 to cover the entire

amount of \$25,000,000, secured by these lands, and the road is guaranteed by the St. Louis and San Francisco, and the Atchison, Topeka and Santa Fe Railroads. These bonds have been placed already. The recent heavy advances in St. Louis securities are explained by the news of this arrangement. the news of this arrangement. Body found.

The bedy of an unknown man was found in the harbor yesterday, with his hands tied behind him and blindfolded. Whether it is a case of suicide or murder is not known. A Cuban planter here says: "It seems to me that the man is a South American and from the interior. You may be sure he did not commit sulcide. South Ameri-cans don't do this, nor do West In-dians. I have an idea that the man may have been an agent for the Chilian or Peruvian government, here on a private mission. He may have been thrown from an outgoing steamer, or he may have been bound and pitched overboard from the docks."

CHARLESTON, 21.—Two colored criminals were executed in this State to-day. One, Edwd. Holmes, a boy of 16, convicted of outraging a two year old daughter of A. B. Hampton, in Union County, four months ago. He was hanged at Union Court House. A large crowd of country people were in town, but the execution, under a State law, was private. George Garry was hanged at Beaufort for the murder of a colored man named Brown. Three clergymen attended him to the gallows. In the jail he made a full confession and said he was ready to die.

THE UPE COMMISSION.

THE UTE COMMISSION, An Indian Story.

As Isolan Short.

Denver, 21.—A special to the Priouse from Los Pinos, dated the Dith, says: Cursy stated to the commission that he is prepared to the commission that he is prepared to prove by testimony of members of his tribe that secret emissaries of the Mormons have been conferring with the White River Utes and attempting to prolong hostilities by promising to furnish arms and ambient of the Mormons have been conferring with the White River Utes and attempting to prolong hostilities by promising to furnish arms and ambient of the Mormons have been conferring with the White River Utes and attempting to prolong hostilities by promising to furnish arms and ambient of the Mormons have been conferring with the White River Utes and attempting to prolong hostilities by promising to furnish arms and ambient of the wording of supplies to the dividence of the wording of the search of the produced of the more than in not amficient to convince, yet he has little doubt they will be able to establish the convince, yet he has little doubt they will be able to establish the convince, yet he has little doubt they will be able to establish the convince, yet he has little doubt they will be able to establish the convince of the outbreast will be made to extend the produced at all the produced at all

corporated in the records. Oarny states he has resorted to his last measure for a peaceable intercession on behalf of the White River Utes, he has convinced them they can come before the commission and freely testify without fear of being immediately placed in lrons. That the government is disposed to deal justly with them and while the guilty must be punished it will be looked to that nene of the innocent suffer. They now understand benances coincided with the general opinion of Pine Street heretofore expressed, by his fallure to give his authority for his statements, naturally tended to weaken their

The meeting at least proved that there is a very large and respectable element in the community strongly hostife to the manner in which stock and mining affairs have been conducted for past years, and eager for reform. Mosby in Trouble.

NEW YORK, 21.—The greatest excitement prevailed on the Stock Exchange this morning, and at one time a serious panic seemed inevitable. The scene on the floor of the exchange was most tumultuous, and the rush to sell stocks was so great that prices dropped 3 and 4 per cent. at a time, till before half an hour of business had been over, Delaware and Hudson had declined 20 per cent., and the rethe same having been referred to other foreign censuls and all willingly responded. Mosby alleges the request implied the right to inspect consular documents which he was bound to resent. American citizens regret that the United States consul has broken relations with the Governor who had previously shown him great attention and consideration. The actual merits of the question are undetermined, the correspondence being uspublished.

Japan News.

belaware and Hudson, and the general list ralied to 6 per cent., but this was successed by another attack shortly after mid-day and quotations again took a downward turn.

Violence of the Gale.

Dispatches from along the coast tell of the severity of last night's gale. Several vessels have been carried ashore. One three masted schooner at anchor in Chesapeake Bay foundered, and three persons are reported diowned. The sudden and severe cold snap is causing some inconvenience to boatmen. Ice formed so thick last night that the long of the formed so thick last night that the long of the friendly tone of the American press the Loo Choo question of the quarantine by the Germin Envoy list July.

C. Flood and his partners. Dennis Kearney who has for several days ansounced his intention of breaking up the meeting, was present with a large concourse of his followers from the Sand Lots and before the meeting was called to order, rose and made an attempt to organize the meeting. Confusion and severe cold snap is causing some inconvenience to boatmen. Ice formed so thick last night that the long of the American press respecting the violation of the quarantine by the Germin Envoy list July.

In the Japanese Government at the friendly tone of the American press respecting the violation of the quarantine by the Germin Envoy list July.

In the ligence of Grant's views on the Loo Choo question, published in the New York Heraid last September, was received with intense interest. It is now known that the Geveniment to Japan is strongly influenced by Grant's warning against the machinations of European and taken to the station house on the charge of disturbing the meeting.

Coll Deane, in opening, referred
