BIKE RACES AT SAUCER TRACK.

Only a Small Crowd on Hand but Races Were Given Just The Same.

DOWING BEAT IVER REDMAN.

Gained a Lap on Him in Their Five Mile Motor Paced Race—Samuelson Won Another Race.

In spite of the small crowd at the Salt Palace bike races last night, and the threatened rain, Manager Harry Heagren insisted that the events be given as advertised and not disappoint those who had purchased tickets to see the races.

There was not much to last evening's meet, but still, the patrons of the track were not disappointed. Records can not be smashed every night, and a favorite does not always win. The music was as good as usual, and most of the finishes were fast and exciting. There was possibly some regret at the conclusion of the five mile motor paced race between Hardy Downing and Iver Redman. A majority of those assembled wanted to see Redman win; not that they have anything against Downing, for he is one of the most popular men at the track, but the rank and file of the race fans always like to see an amateur beat a professional. But Redman failed to do this, and when Downing crossed the tape a lap to the good, he was given three cheers and a tiger, and the people said, "I told you so."

The half mile open amateur was captured by Iver Redman in 1:03 1-5. West came in second, Carl Redman third, and Castro fourth.

In the mile handicap amateur, West proved a winner, crossing the tape in 2:02 2-5. Smith got second and Carl Redman third. The later was placed in a pocket and could not get out.

The two mile lap race was "duck soup" for Billy Samuelson. He manifested no indication of that tired feeling last night, and he was content to let the other fellows have the laps, while he laid back for the big sprint.

Burris started out in the lead and carried off four laps. Staver got five. On the bell lap Samuelson came up with his wel known sprint and crossed the tape first.

The half mile consolation professional went to Palmer. Hofman from scratch got second, and Baldy Staver third.

HOW ABOUT THIS?

Does Kid McCoy Expect to Fight Munroe in Salt Lake Soon?

A dispatch to the Denver Post from New York says:

Not a few Broadway sporting men are of the opinion that the Jeffries-Munroe fight will fall through. Jeffries has not yet posted his full forfeit, and is hunting instead of training. Munroe is in dead earnest, and is conditioning himself rigorously.

Moreover, there is likely to be a hitch over the selection of Eddie Graney for referee. Harry Pollok, who is looking after Munroe's interests, does not fancy the way "Young Corbett" was treated by Graney in the Britt contest, and objects to risking another dose of the same medicine.

In taking this stand Pollok is entirely within his rights. The best that can be said of Graney in the Britt decision is "not proven." Both Jeffries and Jim Coffroth, manager of the Yosemite club, before which the fight is announced to be held, want Graney, and if Pollok and Munroe hold out there will be more trouble.

"Kid" McCoy arrived in Salt Lake yesterday and wired that a match had been determined betwen him and Munroe for the first week in September. Win or lose, Munroe will box McCoy. The Shamrock club of Salt Lake City wants McCoy and Munroe, and as it has offered a good purse and both men have accepted, there will be something doing.

McCoy is in excellent condition, and harder than he has been in several years. He feels that he is quite able to rough it with the miner, and is eager to meet him. Before departing, McCoy said:

"I have been taking care of myself and living a very simple life for some time past. I have eaten lightly and drank not at all. The result is that I am fast and strong, and my wind is in great condition. I am sure that I will work my way back to my old form, unless I meet some unexpected reverse."

In boxing Munroe, McCoy risks a serious reverse.

LITTLE JACK'S PRAYER.

Five-year-old Jack is very brave in the daytime, but an awful coward when it is dark. The other night, after having prayed for all his relatives, he mournfully concluded his supplication in the following words:

And, oh, dear Lord, do take care of Jack when it gets dark and the light is all gone, don't let anything hurt him; please don't let anything get him."

Then, changing his tone to a very cheerful, confident one, he said:

"You needn't bother about him in the daytime, Lord; just let him alone and he can have a good time and take care of himself."—Philadelphia Press.

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil.

Did you ever see a rosebush which—despite the most beneficent environment of soil—of sunshine—and of atmosphere,—seemed never to achieve a healthy growth.

A ton of manure will not help a plant that has a canker eating out its heart.

You must destroy the cause before you can remove the effect.

You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vaseline, etc.

You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out.

Newbro's Herpicide destroys the germ, and healthy hair is the sure result.

SALT LAKE LOST TO BUTTE YESTERDAY

TODAY'S GAMES.

Salt Lake at Butte.
Boise at Spokane.

Well, the team of ball tossers from this town lost a game to Butte yesterday afternoon, but then we cannot expect to win all the time. Five straight victories is not so bad when you come to think about it, and we can afford to drop one now and then, to sort of keep up interest in the pastime.

The struggle yesterday ended in a score of 7 to 6 in favor of Wilmot's smoke eaters. That was pretty close, and the Salt Lake crew came very close to getting in the extra run. In the very first inning it looked like another win for the local bunch, but the Miners managed to creep up and make a tie of it in the ninth. Our team got one in that inning, but Butte got a hitting streak on, tied the score and finally got in the run that won.

Essick pitched for Salt Lake and did fine work. He made a three bagger in the last inning and brought in a run that should have won the game, but the enemy went him one better. The detailed score is here:

In Diseases of Men.

Drs. Shores & Shores stand alone as the specialists who believe in their treatment so much that they boldly say to men suffering with private troubles: "PAY YOUR FEE WHEN CURED." Contrast this honest plan with the "pay-it-all-cash" plan of the fraud and fakir. Did you ever hear of a fakir "refunding" a penny to a duped patient? Drs. Shores say keep your money in your pocket and pay our fee when cured.

Indians Were Shut Out.

Spokane, Wash., Aug. 12.—Gilt edge ball playing by the visitors resulted in the locals being shut out today, while Baise took the fourth straight game of the series. The contest was replete with brilliant fielding and good batting and was largely a pitcher's victory, with honors even. Score:

Spokane	0	9	2
Boise	4	8	2

Batteries—Carney and Stanley; McFarlin and Hanson.
Umpire, Davis.

"PENNY" GOSSIP.

Joe Thomas, who pitched for the Lobsters in 1901, and who was regarded as being one of the best twirlers in the west, has been signed by Dad Clark to pitch for Salt Lake.

At Lagoon tomorrow the Vincent-Nott ball team will cross bats with the Salt Lake Nationals. The game will be for a side bet of $50. The contest will be called at 3 o'clock, and an exciting and close game is looked for.

Manager Heagren of the Salt Palace track will give the race fans a great feast on Tuesday evening. The feature of the race meet will be the 10-mile fessionals and amateurs will be entered in this race, and the winner will establish a mark for the championship. In addition to a generous purse, he will receive a diamond medal from Litchenstein's.

Robert C. Kammerer has been informed by Dr. Bebhardt, the secretary of the Olympic games committee, that Germany will send six swimmers and divers, as many runners and hurdlers and about half a dozen fencers to participate in the Olympic games and international competitions in St. Louis. Among the fencers will be some university students, who will give an exhibition in rapier fencing. It is probable that a German football team will be also sent. Many look upon the German swimmers and divers as sure winners of the coming contest. They are athletes of the first class.

A dispatch from Des Moines says: Manager Shepard of Salt Lake has wired the secretary of the local baseball club asking the loan of a good pitcher until the end of the present season in the Pacific National league. Lefty Lifield will be sent by Secretary Rawson as soon as he returns. He is now out of the city. Shepard agrees to pay the man what Des Moines will give him, and he will be let go unless Stillman, the star twirler, leaves the team before the close of the season. Stillman wants to return to college Sept. 1, which may interfere with the change.

A telegram from St. Louis says: Among the athletes who are conditioning themselves at the Stadium for the Olympic games to be held here the last of this month, is C. G. Gardner, of Victoria, Australia, who began work today. Among the prominent American athletes are N. J. Cartmell of the University of Pennsylvania, who distinguished himself in the sprints last year; and Jack Peters of Louisville. The Cincinnati Y. M. C. A. basket ball team is also out daily practising for the Y. M. C. A. championships beginning next week.

MAY STOP BULL FIGHT.

Preacher Makes an Appeal to Gov. J. H. Toole of Montana.

(Special to the "News.")

Butte, Mont., Aug. 13.—Rev. H. L. Bovard, pastor of the First Methodist Episcopal church of Butte, and head of the Ministerial association of this city, after vain endeavor to induce the county authorities to prohibit the pulling off of two Spanish bull fights tomorrow, invoked the aid of Gov. J. K. Toole, with the result that Attorney General James Donovan, has addressed a communication to the Silver Bow county officials to the effect that the two proposed Sunday bull fights are in violation of State statutes, which forbid any Sunday entertainments of a sporting character.

A protest has been lodged with the humane officers by the Ministers. The county attorney's office has granted permits for the bull fights, and several fistic battles to be pulled off tomorrow evening and night in the arena, which has been constructed on a flat below the city. This arena will accommodate 10,000 people and in the future all of Butte's prize fights will take place there. There is little doubt that the bull fights will not come off as scheduled as all the county officials are men of known sympathies with various athletic associations of the city.

One bull and several long-horned caws, the animals being the wildest to be found on the range, will be turned lose in the arena with Senora Enrico Robles, a Spanish matador of note.
