THE three-year-old boy of J. A. Johnson, of Lynn Center, Ill., is subject to attacks of croup. Mr. Johnson says he is satisfied that the timely use of Chamberlain's Cough Remedy saved a severe attack, saved his little boy's life. He is in the drug business, a member of the firm of Johnson Bros., of that place, and they handle a great many patent medicines for throat and lung diseases. He has sold all these to those from, and entitled physicians ready to respond to his call, but entertains no hesitancy in saying to his own family at a time when his child's life was in danger, because he knew it is to adhere to any other, and assures the country over for its cures of croup. Mr. Johnson says this is the best selling cough medicine they handle, and that it gives splendid satisfaction in all cases. Sold by Druggists.

Canvassing Board Adopts an Election Certificate and Adjourns Sine Die.

The canvassing board on the city election returns met again last night and after the acceptance of the election certificate as drawn up by city Attorney McRoy, adjourned sine die. The certificate contains signers for the canvassers of eight members. The city attorney finds that the candidate members of the Council, by reason of the fact they have to be the result of a recount, are disqualified and therefore cannot sign along with the other members. All the members, however, took part in the canvass and the votes of the city attorney have not a part where the question of one for attendance at the extra session comes in. The members of Council have signed all evidence to the Board—copies were supplied from the minutes—by some members of the board to be in no sign the certificate.

The declaration of the canvass, as drawn up by the city attorney, is as follows:

State of Utah, City and County of Salt Lake, ss.

The undersigned being a majority of the members of the City Council of Salt Lake City, Utah, do hereby certify and declare that at the regular city election held in said city on the 3rd day of November, 1897, for the city officers and other officers for the said city, the hereto certify the above and foregoing to be a full, true and correct abstract of all the votes cast at said election as made to appear to our board, from the official returns duly returned by the judges of election in the several election districts of said city. The persons receiving the highest number of votes for the offices named in said abstract, are as follows, to wit:

John Clark received the highest number of votes for mayor, twenty, 1,223, and is hereby declared to be duly elected to the office of mayor.

Thomas Jennings received the highest number of votes for city recorder, twenty, 1,224, and is hereby declared to be duly elected to the office of city recorder.

Wm. C. Hall received the highest number of votes for city attorney, twenty, 1,224, and is hereby declared to be duly elected to the office of city attorney.

Richard P. Morris received the highest number of votes for city treasurer, twenty, 1,224, and is hereby declared to be duly elected to the office of city treasurer.

George Bean received the highest number of votes for city auditor, twenty, 1,224, and is hereby declared to be duly elected to the office of city auditor.

John D. Timmony received the highest number of votes for city justice of the peace, twenty, 1,224, and is hereby declared to be duly elected to the office of city justice of the peace.

It is further certified that the following named persons having received the highest number of votes at said election, as shown by said canvass, are nominated for the ensuing year, Salt Lake City in the municipal precincts named below, and are hereby declared to be duly elected as members of the city council of Salt Lake City:

In the First Municipal Ward—T. M. Weber, who received 1,087 votes; John Middlemiss, who received 1,223 votes; George Burkle, who received 1,212 votes.

In the Second Municipal Ward—A. H. Callister, who received 1,022 votes; Henry Walker, who received 1,223 votes; John Allen, who received 1,206 votes.

In the Third Municipal Ward—Arthur P. Barnes, who received 1,08 votes; F. S. Fernstrom, who received 1,1 votes; Arthur B. Margetts, who received 1,1 votes.

In the Fourth Municipal Ward—George H. Dehl, who received 97 votes; Robert Patrick, who received 1,06 votes; Elmer Howe, who received 1,1 votes.

In the Fifth Municipal Ward—Christopher Dehl, who received 97 votes; Robert Patrick, who received 1,06 votes; Alexander A. Robertson, who received 1,1 votes.

And we further certify that said canvass was commenced by us at noon on the 6th day of November, 1897, in the city council chamber, and adjourned from that day to day until the same was completed, and that the said canvass was made by us, and the results as above set forth, and we hereby certify that the city recorder has certificates of election to the several persons named herein as required by law.

A Silver Wedding.

Mr. and Mrs. Joseph J. Dupree celebrated the 25th anniversary of their wedding last night. Fully a hundred friends of the interesting couple spent a pleasant evening at their residence on E street and a most delightful session was spent. The decorations were beautiful. The bay window of the parlor contained a large variety of chrysanthemums, while the dining room was fragrant with smilax and carnations. A first class program, consisting of vocal and instrumental music and recitations, etc., was carried out and a delightful repast was served during the early part of the evening. The guests included in the entertainment were Professor Dupree, Miss Louise Dupree, George R. Maughan, Miss Ruth Dupree, Thomas Hull, Miss Hattie Jenkins, W. L. Wills, Mrs. Kate Mooney Howard, Fred Dupree and John Jones.

AN IMPORTANT DIFFERENCE.

To make it apparent to thousands, who think themselves ill, that they are not afflicted with any disease but that which is curable, it is only necessary to bring country home to their hearts. Its appearance amongst us is easily explained by using Hires of Fine, Manufactured by the California Fig Syrup Company only, and sold by all druggists.
