Captured the Thieves.

Monday Marshall Heywood and Deputy Sheriff Cronin did a fine piece of work in capturing three cattle thieves, who had stolen one head of cattle from Thos. Meacham of Scipio, Millard Co. The men tried to sell the cattle to F. J. Powell of this city, says the Eureka Democrat, but Pat was on and put them off until the officers could perfect their plans for a capture. The individuals were (by name) J. W. Hibbits, J. H. Miller and Hugh Gray and claimed they bought the cattle in Deep Creek from a man named Jarvis. Up to date the sheriff thinks he failed in identifying the property. Preliminary hearing was held in Justice Gear on Wednesday, Judge Pike prosecuting and Mr. Emerson for the defense. Hibbits and Gray were bound over in the sum of $1,000 each for the sum of $750 each. Miller was discharged owing to lack of evidence to show that he was connected in the ownership of the horses. As soon as Miller was discharged he made a hasty exit from the camp and an hour after his departure a telegram was received from Sheriff T. E. Lewis of Salt Lake county requesting our officers that he was wanted there for various crimes. Deputy Sheriff Cronin took up his trail and by use of the wires caught him at Lehi Junction, where he was held until the arrival of Sheriff Lewis.

WANTS THEM REDUCED.

How Captain J. Work-Young Proposes to Maintain Discipline Among His Freight Rollers.

Captain J. Work-Young has determined to spoil the Egyptians that reside among the Danish sailors of Young U. that is, if such a thing can be done. In order to do so he has recommended, in memorial form, the reduction of the non-commissioned officers of the local Camp of Danish Sailors, from the rank of Corporals to the rank of Privates. For this there is reason, in the opinion of the captain. The men and sergeants of the corporals (according to that captain) are so unmanageable, morally and mutinous at the present time, that, instead of the officers being able to command, it is the officers who are commanded and subjected to the commanding officer.

Captain Young's memorial, signed by the corporals, goes to show that the movement of a wagon is which the sergeant strikes an obstacle. The recommendation is made, he says, that the corporals be reduced to the rank of privates and be placed in the ranks, in order that they may be better able to obey orders and participate in the work.

It is reported that the memorial charges will reach the grand office at the next few days. In the meantime there will be great uneasiness among the members of Young U. Salt Lake City. The friends are in doubt as to whether the memorial will be sustained, as a feeling of suppressed disappointment is expressed by the sergeants, as they are afraid by immediate action reduced in this city during the past two months or more. Whether the men who have expressed their opinions in their letter will be taken to task is not known.

CAMBRIAN DAY AT SALTAIR.

Friday, August 12th, Will See a Large Crowd at the Beach—The Attractions.

What will be one of the events of the season at Saltair will be Cambrian Day, which occurs Friday, August 12, on that date excursion trains will run from Spanish Fork in the South and Brigham City in the north. An extra train of the number of people expected from outside of Salt Lake City places the figure at from 1,500 to 2,000. The affair is being given under the auspices of the local Cambrian association, which has the Eisteddfod project in charge, and as that society was never known to do anything by halves, a grand time can be confidently looked for.

The occasion will prove opportune for a concert of the program of Welsh music for general handclapping and a talk, rare old Welsh music will be made Welshman. The day's program is not fully completed yet, but in the evening numerous events after the arrival of the 8:15 train, namely, choice Eisteddfod music will be rendered under the direction of Prof. Evan Stephens and Madam Annie Brandon, a ladies chorus of 50 voices under Prof. Stephens, a male chorus of 100 voices, a harp solo by Miss Jones, a beautiful piece of Pierce Fence, a local Welsh composer, now a resident of New York city. There will be a male quartet of 40 voices with Prof. T. J. Davies, Alf Thomas, Mr. Nash, Mr. Hughes, and Prof. Davies. The Welsh choir will sing a song, and Prof. Davies will be the soloist. The Cambrian choir will also sing a song, and there will be a recitation by the Cambrian choir. Matinees and the lighting of the Cambrian will be among some more features. Watch out.

"O, what a day!"

Smith have issued a call to Salt Lake county Republicans to meet in their respective precincts on Friday, August 12, at 7 o'clock, and select delegates to a county convention to be held at 8 o'clock p. m. on Saturday, August 13, for the purpose of nominating candidates for county offices.
